POLLED HEREFORD BLACK ANGUS CHAROLAIS SIMMENTAL

with guests Fossay Herefords, Winchester Polled Herefords, Richaud Stock Farm
Airey Cattle Co. and McCaw Livestock

WE WELCOME YOU TO THE 5TH ANNUAL ELITE GENETICS SALE!

The depth and quality of this year's offering is second to none, and this year's sale offers a diverse group of breeding tools. Hereford, Angus, Charolais and Simmental genetics make up this year's sale, four breeds that complement any cross breeding program!

We are excited to have George Webster III of Winchester Polled Herefords and the Fossay Family of Fossay Beef Farm with us again and adding to this year's outstanding line up, Airey Cattle Co, McCaw Livestock and Richaud Stock Farms are bringing some exceptional bulls.

With over 60 yearlings presented in this group of bulls, they offer up a great set of breeding tools for the commercial or purebred breeders. Whether you need to add performance and carcass to your backgrounding and feeder operations or, add maternal power to develop replacements, this group of bulls will do it. Our calving ease bulls are designed to maintain growth and performance as well, which will make calving time easier for you, but put money in your pocket come fall.

Many Elite Genetics customers are repeat and multiple buyers. This tells us that it's not just a bull business, but also a people business. Our customers are pleased with the product, but more importantly happy with an honest, reputable and knowledgeable service. The continued support from our customers is what is keeping us in a business that we love. Elite Genetics takes pride in this detail.

As always, all the sale information will be online, including videos and pictures. Online bidding will also be available through Liveauctions.tv. Feel free to contact any Elite Genetics member for more assistance. Please join us for lunch and hospitalities on sale day!

See you sale day,
Andrew Kopeechuk

DIRECTIONS

From Brandon: travel east on HWY #1 to the Douglas corner. Turn north on Douglas RD (98W) and travel 5 mile to road 66N. Signs will be up.

CATALOG DESIGN BY 14 West Creations

BULL WARRANTY: The consignors guarantee to sell you a bull that has passed a semen test performed by a licensed veterinarian. Should a bull fail to be a satisfactory breeder that is unable to physically breed a cow or heifer, a credit will be given towards the purchase of another bull. We guarantee to provide you with a sound breeding bull, but will not provide replacement or credit for physical injury or mismanagement. Bearing this in mind, we strongly advise you to insure your bull. All problems must be reported to the consignor in writing. The bull must be returned to the consignor immediately when the problem is detected, at the buyer's expense. The consignor will have the bull examined by a veterinarian, and will have 60 days to prove the bull a breeder. If the bull does not prove to be a breeder, the buyer will be entitled to a complete refund of the purchase price of the bull in question. Should the bull prove to be a breeder, he will be returned to the buyer at the consignor's expense, and the matter will be considered closed. In the case of losses, the consignor's will only be responsible for the original purchase price of the animal. We assume no liability, legal or otherwise, to make any compensation to the buyer.

The consignors **RESERVE THE RIGHT TO IN-HERD SEMEN** use on any bull sold in the sale, with semen drawn at the consignor's expense, and the buyer's convenience.

WINTERING: Buyers choosing to have their bulls come back to the consignors will be charged $5.00 per day beginning April 24th. Bulls remaining in the wintering program must be insured by the purchaser. If they are not insured, they cannot stay.

DELIVERY: The consignors will offer free delivery on all bulls up to a 200km radius, additional mileage rates will apply after 200kms at cost. If bulls are picked up on sale day, the buyer will receive a $150.00 credit off their purchase.

USA DELIVERY: We are happy to assist with the paperwork and getting your purchases across the border. Sellers are responsible for health papers & transportation costs from seller's yard to the nearest border port or nearby location up to a cost of $350.00. Buyer covers Brokerage, Other Associated Fees, and Transportation costs from the nearest border port or nearby location to their destination of choice.

VOLUME DISCOUNT: Purchase 3 bulls to receive a 3% discount, 4 bulls for 4%, and 5 bulls or more for 5%.

SIGHT UNSEEN PURCHASES: If you are unable to attend the sale day, we would be happy to discuss your program to help select to most suitable bull for your herd. 100% Satisfaction Guaranteed.

TERMS: The terms of the sale are cash or cheque, payable at par at the sales location, unless satisfactory credit or invoicing arrangements have been made prior to the sale. The right of property shall not pass until settlement has been made. US exchange rate will be made prior to the sale.

ANNOUNCEMENTS: Announcements from the auctioneer will take precedence over any material printed in this catalogue.

REGISTRATION & TRANSFER: A registration certificate of the animal will be duly transferred to the purchaser.

LIABILITY: The owners, their employees, sale staff, and representatives accept no liability for accidents that may occur. Persons who attend do so at their own risk.

WELCOME TO THE 5TH ANNUAL ELITE GENETICS BULL SALE.

We are very pleased to be showcasing our top bulls this year, including bulls sired by "Truman", "Leader", "Cool Water" as well as the first "Digby" bull to be on offer. Performance is key with this group and we are very proud of the bulls we have on offer. Our goal is to be easy calving with high performance and gain, and this year's set of bulls is soaring. They are on an oats based ration combined with a supplement pellet and grass hay. Their dams are functional and maternal females that are doing a fantastic job once again. If you have any questions feel free to contact myself or any of the sale partners or staff.

See you on March 24th for the Elite Genetics Bull Sale.

•A member of our 2018 show string, I loves the shape and pattern that this bull exhibited. When you start to analyse him, you can really see how he puts it all together and a very usable package. Combine the cherry red color and pigment with his genetic package and his potential breeding value is a game changer.

HARVIE COOL WATER ET 190B

WELCOME FROM WINCHESTER POLLED HEREFORDS AND FOSSAY HEREFORDS

We are pretty excited to be offering these three Tonka sired yearling bulls. All three are moderately framed, have lots of hair, fully pigmented and will add growth to any herd. The dams of these bulls are no nonsense cows with do ability while still providing an abundance of milk. The bulls are being developed on an oat/corn rolled ration and are being fed for longevity in mind.

Thank you for your interest.

WELCOME FROM RICHAUD STOCK FARMS

Troy, Katlyn & Kira Richaud operate a small purebred polled Hereford & grain farm. We believe in "Quality before Quantity". We focus on raising top quality females with emphasis on udder suspension, teat size & overall maternal strength. As such, we cull hard in our program & we only offer up our very best for sale. This year we had two bull calves that stood out from the beginning. RSF 4F goes back to Trust 100W & is out of our top bred heifer (who was shown at Ag Ex). His maternal strength should produce females with beautiful udders & the milk to bring in big wean weights. Our other bull on offer has some impressive parentage as well. Out of the Tamara cow family from the RSK program & sired by the popular bull Truman 695D. RSF 10F will add pounds to your wean & yearling weights, while leaving you with daughters you'll want in your replacement pen.

We'd also like to thank RSK Farms for giving us the opportunity to be part of this sale.

Troy & Katlyn Richaud
Box 1358 Portage La Prairie, Manitoba R1N 3N9
Phone: (204) 871-3559 rsf@signaldirect.ca

Polled Male | RSF 4F | PC03046802 | January 17, 2018 | BW: 75 lbs. | ACT WW: 800 lbs.

With a birth weight of 75 lbs and his September 1st wean weight was 800 lbs! Trust Fund will be a sleep easy sire. He is a maternal powerhouse with Trust 100W on the top side and our Investigator 1Z bull on the bottom side. Investigator 1Z daughters have beautiful udders with small teats and lots of milk. Trust Fund will leave you a set of daughters that will always be candidates for your replacement pens. He has lot of muscle; great head shape & size for easy calving and is deep bodied. He may not be the biggest bull in the pen but he will sire gorgeous daughters and add pounds to your steer calves. Check out his impressive EPD spread with a milk number of 29! DNA tested.

Polled Male | RSF 10F | PC03045884 | February 16, 2018 | BW: 95 lbs. | ACT WW: 860 lbs.

Frontier 10F is out of RSK 199B Miss Tamara 56D who we bought in the Elite Genetics fall sale as a bred heifer and she did not disappoint. With a birth weight of 95 lbs unassisted and a September 1st wean weight of 860 lbs! Very impressive for a first calver considering the dry conditions we had last summer. Frontier is sired by none other than the popular Truman 695D bull. Frontier will add pounds and length to your calves. His daughters will be great milkers as his dam was my heaviest milking 2 yr old. We considered retaining this bull for our own herd but after some discussion we made the tough choice to offer him for sale.

WELCOME FROM AIREY CATTLE CO.

It is our pleasure to be a part of the 5th Annual Elite Genetics bull sale, we would like to thank RSK for hosting the sale.

We believe strongly in performance testing; producing cattle that are efficient and perform under various conditions. The genetics we use are the top, no matter whether A.I. Sires or our Herd sires. Our goal is to produce bulls that will have a positive impact on our customers program.

The bulls we have on offer have moderate birth weights, explosive growth, muscle shape, volume, and style with strong maternal traits. Many of these bulls have birth weights and birth EPD's that indicate they could be used on heifers, but still have the performance to do a job on cows.

Our success is your success, your success is our success! Our goal it's to produce big thick performance cattle with strong maternal traits, so that you can have a vigorous calf that excels to weaning for bigger pay weight and, a mamma cow that breeds back quickly, for yearly success.

If we can be of any assistance in selecting your bulls feel free to give us a call!

Come and enjoy lunch with us sale day!

Adalyn joined the family in January.

WELCOME FROM MCCAW LIVESTOCK

Welcome to the fifth annual elite genetics sale. What an honor it is to be involved in this sale and to have such great people to work with. The other consignors and I have the same mind; we treat you, the customer, how we want to be treated. We bring you a product that will be easy calving, vigorous at birth and bring you top dollar when you sell calves off of progeny you buy fro the elite genetics sale group. This sale has lots to offer and we are covering all the bases to serve you, the customer. Either it be a Hereford, Simmental, Angus or Charolais.

Thanks again Rae, Stephanie and Andrew for the opportunity.

Wow, what a last couple years I have had. Its been a roller coaster of learning experiences, but it has been a lot of fun. I am still able to do what my passion is and and to continue on my Dad's legacy to the best of my abilities. I believe in this offering of bulls I have been able to make my dad proud. I want to thank again all the people that have helped helped me along the way; it has really meant a lot to me. I want to especially thank the Kopeechuk family, they have helped me through hell or high waters. Rhonda Petracek is my right hand help when it comes to the day to day operations; if it wasn't or her I wouldn't be able to keep going. Thank you Rhonda! Thank you to all the numerous people that have helped me at shows and sales the last couple years, my success is your success, and I thank you for that. To all my customers that have got me to where I am today and still letting me be able to do what I love.

Petracek Family

Feel free to give me a call or text, I would be happy to answers any questions you may have about any of the offering. My videos are going to be ready about the tenth of March and I would be happy to share them with you so that you're able to study the offering better. Remember folks that this is going to be a video sale.

I would be happy to tour you the pen and remember the beer is always cold and the coffee always hot. Thank you buyers bidders, any one that showed interest and any of you that have helped us prepare for this day. Thank you Andrew and crew once again for the opportunity.

Remember keep your stick on the ice.

•One of my favorites. I just love how this bull is made. In my mind he checks the boxes:
- good momma
- good daddy
- moderate
- good feet
- muscular
- sound

I only wish that I had more bulls in my pen like him!
