Welcome everyone to this year's bull sale catalogue. We would like to thank all of our customers and friends for your confidence in our program. Our goal is to continuously improve our cow herd thus improving the quality of bulls we have to offer.

It's a different world now with COVID-19 and the restrictions that are in place for us. In the past, bull buyers would phone, and then come to the farm, appraise the bulls and look at the sires and dams. They would get a good feel of how a bull would turn out. It was awesome to show our whole program and we encourage you to continue that practice, but if you are not comfortable with that then it is up to us to provide you with as much information as we can. We will be offering videos of the bulls this year and can take videos of the sires and dams as well. We will provide you with as much information as possible to help you with your bull purchase. All purchases will carry our satisfaction guarantee.

The bull pen is very strong this year with calves from our proven sires plus two new exciting sire groups – Merit Kingsman and Belvin Flyin' High. We also have seven two-year-old bulls to offer. They are selected on age and are not leftovers.

At Macnab Angus we breed 190 plus purebred cows. We are committed to improving our herd – through the purchase of the Cloverlake Angus herd in 2008 (50+ years breeding), aggressive culling of bulls and cows to sourcing out new herd sires.

This is a family run business with Cheryl and I and our three kids along with their families. We are focused on customer service and satisfaction. If you have any questions, please do not hesitate to give us a call. We would like to invite you to come and assess our herd.

Macnab Angus Offers

45 Yearling Bulls 7 Two Year Old Bulls

Bulls selling are listed in sire groups by order of age

Videos will be available on www.buyagro.com, www.macnabangus.com & on youtube

HEALTH PLAN

All bulls have received Ivomec. Are vaccinated IBR, SOM, Blackleg Ultra 8 - Pfizer Gold. Will be vaccinated against Foot Rot.

VOLUME DISCOUNT

Purchase 2 or more and receive \$100 off each bull.
Purchase 4 or more and receive \$200 off each bull

TERMS

\$1,000 down and remainder due May 1, 2021.

Bulls are fully guaranteed under the terms and conditions of the Canadian Angus Association. You will have a bull to breed your cattle. We are not happy until you are happy!

DIRECTIONS TO THE FARM

6 miles East and 11/2 miles South of Mervin

WINTERED, SEMEN TESTED & DELIVERED

All bulls are wintered by Macnab Angus until May 1, 2021 at no extra charge.

Are fed a total mixed ration of silage, oats, chopped hay and straw.

Are kept in a large pen to give them lots of exercise.

All bulls will be semen tested. If your bull does not pass the test, you will be offered a replacement bull for the breeding season OR your deposit will be refunded in full. Your choice!

Bulls will be delivered to your farm, free of charge up to 100 miles.

Bulls can be kept after May 1, 2021 but a feed charge of \$2/day will apply and are at the new owner's risk, so we encourage they be insured.

We first saw Kingsman on the Angus Summer Tour. The Range Boss sire group was impressive, and he was our pick of the bulls. Kingsman was the high selling bull at Merit's 2019 sale at \$40,000.00 (Co-owned with Peterson Livestock).

Calves out of Kingsman exhibit: calving-ease, natural thickness, lots of muscle, large scrotal, and are easy keeping with a moderate frame. He really stamps his calves. They are easy to pick out in the pen.

We toured Belvin's herd and Flyin' High was an obvious stand-out calf. His dam was moderate framed with a beautiful udder. Flyin' High was the high selling bull at Belvin's 2019 sale at \$22,000.00 (Co-owned with Belvin Angus). Calves out of Flyin' High are eye appealing, high performance, moderate-framed and easy keeping.

Prior to purchasing 44Z, we looked at his sire; he was moderate with perfect feet at 13 years of age. Longevity is a dominant trait in these genetics as 44Z will be turning nine years old this February and is showing no sign of slowing down. His bull calves are moderate-framed and easy-keeping, but what he really is known for are his females. They have proven to be exactly what maternal traits we are striving for. They are easy-doing, wedge shaped females with great udders, in a moderate framed package.

427C was our pick of the bulls at the 2016 Short Grass sale. His dam is a stellar cow at Switzer's. To date she has raised four bulls working in purebred herds. 427C is a stylish, moderate-framed individual with a lot of natural thickness. His calves exhibit all these traits. Was purchased for \$20,000.00 at Short Grass Sale.
