FROM THE DESK At T Bar C...

Welcome to the Blair-Athol/Haroldsons & Guests Annual Fall Female Production Sale at the Blair-Athol Headquarters, Arcola, Saskatchewan on October 17, 2021. This event enters its twenty-fourth year and has been the source of superior seedstock for nearly a quarter century. These multi-generational families have built outstanding breeding programs... breeding programs that have been highly successful in competition on the tanbark and sale ring. The strength of their annual spring bull sale is directly related to powerful, productive cow herds.

We must take this time to recognize and congratulate Duncan and Val Lees as recipients of the "Friends of Bonanza" award presented this past summer at Camrose. They have dedicated a lot of "haying time" to support the junior movement in Canada and it is great to see their grand children carry on their competitive and dedicated spirit.

Let us not forget to congratulate Chad Wilson for raising our flag a little higher. His 2019 Grand Champion Bull, "Haroldson's United 33D 36G", was crowned 2021 US Cattlemen's Congress Supreme Champion Bull. Daughters sell.

The offering for this 24th sale is outstanding in every category. The 2021 models are fancy and will be competitive whether it be the 50th Anniversary at Agribition or the junior show schedule. You can rest assured that they will add earning power to your program for years to come. The bred heifer offering is one of the largest of the fall season. Deep, broody and many with early services, the offering is diverse in both phenotype and genetics, offering a wide selection of value-added opportunities.

Wally from Roselawn, Steven from Manns and the Charlton gang add a front gate cut to add to the depth and quality of this event. Plan to stop by any or all these herds and see their programs or feel free to give them a call to chat about the sale offering... they love to chat "Hereford."

Plan to be with us in person, online or on the phone for "Super Sunday", a part of the exciting Polled Hereford Weekend. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Haylee 103J

In our quest to offer the best, Haylee 103J is in the sale. One of the first United's to sell. This heifer has it all. Wide based, deep sided, feminine fronted. Looks the part from any angle. Natural calf out of donor dam 106B. 106B has already mothered herd bulls for Manns Polled Herefords and Mission Ridge Herefords.

Show rights reserved for Agribition.

2a

2b

HAROLDSON'S UNITED 33D 36G x
BLAIR-ATHOL 946 HAYLEE 106B

2 packages of Number 1 Fully Exportable Embryos. Buyer can choose 3 or 5 embryos in each package. These embryos are full sibs to Lot 2.

Embryos are stored at Embryo Genetics Ltd, Morden, Manitoba. Shipping is the responsibility of the purchaser.

Another potential show prospect. Sound in her structure with extra length. Her dam 83C is a full sister to Debbie Doo 22C, our \$15,000 heifer calf to Matt Lohner and Kris Gordon. 22C has been flushed extensively with considerably good results. **Show rights reserved until Agribition.**

The first and one of the only "Spirit" daughters to be sold. Unfortunately, we lost him after only one season. You will recognize "Spirit" was an own son of 76S, one of the most influential cows at NJW. Elle 4J is big barreled, sweet fronted and square made. Her two-year-old mom is a beautiful Totem daughter. Elle 4J will make a great cow!

Elle 4J

Blair-Athol Farms

Nancy 18J

Big volume heifer will be all cow when she comes into production. The 5C cow kicks out a good one every year. Three daughters are at Blair-Athol and one is at C & T Cattle Co. She is a full sister to Jackson's 2021 show heifer and a maternal sister to his 2020 show heifer

Jeff bought a group of heifers from our friend and neighbor Kris Gordon. He decided to let this one go. She is a definite feature in the bred heifer offering. Big and solid. Sired by Agribition and World Champion Rocky and out of donor dam Debbie Doo. I think the odds are pretty good she will make a return on investment.

Bred April 22, 2021 to NJW 103Y 174X Diablo 156C ET. Projected calving date is January 31, 2022.

Megan 154H

Big, powerful female and the youngest bred selling. Dam 109C is a full sister to 33A, the dam of lot 17. Again, going back to Klondike 315. Jeff thinks this might be the best bred. He might very well be right.

Bred May 26, 2021 to NJW 73S 38W Rimrock 27C ET. Due to calve March 6, 2022.

One of only 2 Bottom Line daughters selling this year. 70H is the thickest of the two and more moderate. The Bottom Line daughters we have calved have nice udders and look great. A full sister to 70H was our high selling calf in our 2019 sale to Kris Gordon at \$11,000.

Exposed May 22 to August 10, to NJW 103Y 174X Diablo 156C ET. Projected calving date is early March 2022

Blond FX 80H might be my favorite bred selling. She came out of the replacement pen. One of the two heifers tracing back to the great Klondike 315 cow, who was one of Don Mitchell's favorite cows. If you don't know much about Homerun 24C, he is MD free. Be sure and check out the great three-year-old coming to you from Charlton Farms selling as lot 36, she is typical of the Homerun daughters we have seen in production!

Bred April 28, 2021 to NJW 103Y 174X Diablo 156C ET. Projected calving date is February 6, 2022.

Blond FX 80H

First Noelle 176G

Our Christmas baby has grown into a powerful bred heifer. Straight in her lines with extra growth. Short marked and feminine.
Exposed to NJW 103Y 174X Diablo 156C ET May 22 to August 10, 2021. Projected calving date is early February 2022

Length and fleshing ability to go with an excellent cow family. Dam is a full sister to dam of lot 5 heifer calf. Maternal sisters have sold to Butler Valley, Oulton Farms and Elmlodge.

Bred May 3, 2021 to Remitall-W MHPH Justice 2H with exposure to Blair-Athol 124E Crush 156H from June 25 to August 10, 2021. Ultrasound indicates early April calf

Miss Kitty 38H

Priscilla 77H

Maybe the biggest bodied female in our offering. The Patent Daughters are making great cows. Her dam 7C purchased from Richardson Ranch has been a wonderful addition to our cowherd. Her first Daughter is doing a great job at Butler Valley in Manitoba. Good thing Duncan owns this one, cause Jeff wouldn't be selling her!!

Bred May 1 to NJW 103Y 174X Diablo 156C ET and then exposed to him May 22 to August 10th. Ultrasound indicates Late March-early April Calving Date.

This 10Y daughter will fit with the top end heifers. She has the performance with volume and style. Note her mother is a paternal sister to 358C who contributed so much to Topp Herefords.

Exposed to TH 592B 531E
Benchmark 505H ET May 20 to August 10, 2021. Expected calving date of early March 2022.

We thought enough of this female by Cuda 504C at birth, we bought a package of semen. She is feminine and pretty going back to the great old 118T cow at Elmlodge. Her dam 19F has one of the most perfect udders we have seen. This heifer could be a sleeper.

Bred May 12 to NJW 735 38W Rimrock 27C ET. Due date is February 20, 2022.

We really dug deep to offer this cow out of our Country cow family for our first year in this sale. Her mother 8B has always been one of the favourites at our place. She still has a beautiful udder with great teat placement and suspension, as do all of her daughters. She is still in production for us along with 3 full sisters to this 3F cow that we are keeping. Matthew showed this cow in 2019 so she is halter broke and very quiet.

She has been pasture exposed to our new herd sire owned with Crittenden Land and Cattle, GHC Delegate 163F May 8 to August 4, 2021

Candy 8H

A power heifer from the top of our replacement pen. Our Heavy Duty daughters have a lot of depth and great udders. This one will have all that and more! Her mating to Topp Herefords Masterplan 183F will be very exciting as he is causing quite a stir in the States. This mating will be one of the very few in Canada. Don't miss out!

Bred AI to TH 57B Z303 Masterplan 13G on May 18, 2021. Pasture exposed to C&T Aywon 24E Gunsmoke 13G from June 11 to August 10, 2021. Preg. Checked safe to AI Service

Roselawn Polled Herefords

Here's a Bottom Line you won't want to miss. Goggle eyed, deep, cherry red to the ground. Lots of milk and good udders here. Her mating to our new herdsire C&T Gunsmoke, a bull with a great future ahead of him, should be exciting.

Pasture exposed to C&T Aywon 24E Gunsmoke 13G from May 5 to August 10, 2021. Preg Checked safe to calve late February 2022. Co-owned with Chula Vista Polled Herefords.

Miley 65J

This Pavati daughter will grab your attention with her show stopping looks. Excellent extension and presence though her front end. I love the middle and the shape that she has to go along with it. She is very sound structured and just like her mother should be able to make some noise in the show ring.

Princess 55H

This Traction daughter is a real beauty. She is big ribbed, fault free and very sound structured. She is the front pasture kind.

Bred to Haroldson's Insight ET 108G on May 6, then exposed to him until July 10, 2021.

Haroldsons Polled Herefords

I am looking forward to getting these Pilgram daughters into production. I like the middle and power that this heifer exhibits. She is good numbered and the herd bull raising kind.

Bred to Haroldson's Totem 200Z 5D on April 26. Exposed to Haroldson's Insight ET 108G, May 18 to July 10, 2021.

I really like the presence and attractive look that this Marvel female has. She's long sided and structurally sound and will be a power producer.

Bred to Haroldson's Totem 200Z 5D on May 5. Exposed to Haroldson's Insight ET 108G, May 30 to July 10, 2021.

Marvel 45H

Haroldsons Polled Herefords

Mira 100H

This Mira female is very short marked and eye catching. I really like the length and extension through her front end.

Bred to Haroldson's Insight ET 108G on May 5, then exposed to him May 12 to July 10, 2021

Tweesties 113H

This Pilgram daughter is very extended and long bodied. She is very correct in her hip and sound structured.

Exposed to Haroldson's Insight ET 108G, May 12 to July 10, 2021.

Haroldsons Polled Herefords

Here's a very nice Royal daughter that has that extra length and punch to her, yet has a nice female look to her. This has been a very productive cow family.

Bred to Haroldson's Totem 200Z 5D on April 23. Exposed to Haroldson's Insight ET 108G, May 18 to July 10, 2021.

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

EXPORT:

Purchases going to the United States will be delivered at cost.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
