## Welcome to the 2021 Edition of Take the Next Step Sale

Well here we go! We are back. After the last 18 months of uncertainty, upheaval and frustration we are still no further ahead.

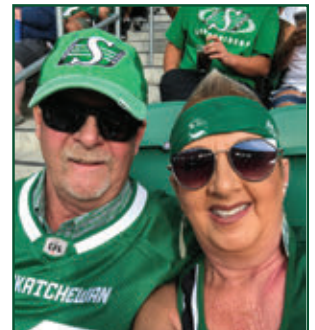

So I'm not going to talk politics, covid, drought or health. Those of us in the livestock industry have had to carry on one way or the other, But the Riders are doing well!!!

With the exception of KLR who opted out for this year, our guest consignors are with us again. They have brought along top choice animals as well as some very interesting embryo lots!

Juniors make sure to take advantage of the 10% discount that applies to all the heifer calves in the sale. These females are Bonanza quality so be sure to talk to the consignors about this program.

See you on sale day,

Chris

### Junior Buyer's Incentive

10% discount to any Junior member purchasing a heifer calf in the sale.

From the desk at T Bar...

Welcome to the 17th Edition of "Take the Next Step" Polled Hereford Sale at 5:00 P.M., October 16, 2021, at the Right Cross Ranch Sale Facility, Kisbey, Saskatchewan. Your hosts Chris and Tina and family have had a perplexing summer season with numerous travels to Regina with health issues and Agribition decisions, but have been blessed with plenty of enthusiasm.

As in the past, their fellow breeders, McCoy, Twin View and Phantom Creek bring their front pasture cut to this event to add volume and genetic diversity. All four of these programs run ranch raised hard grass operations and have a very successful track record supplying the breeders and ranchers with high value earning sires. Mother Nature has done a wonderful job in the building of these herds as soundness of feet, udders and bringing in a fat calf along with being rebred is mandatory criteria.

Although a group of 2021 heifer calves complete with junior incentives are features, the heart of the sale offering is based on a wonderful set of bred heifers. Diverse in both phenotype and genetic values, many carry early A.I. services to the newest industry leaders. This diversity gives opportunities for all types of breeding programs and all forms of budget. The embryo lots offered are a combination of predictable donors with a proven track record and mated to exciting sires... the guesswork has been taken out for you to benefit.

The livestock industry is both inviting and exciting despite the pandemic, the election and all the nay sayers with their opinions. The market has been strong even though cow herd numbers ebb and the nations beef cattle inventory is at its lowest number in decades. Folks, replacement females will get dearer in the years that follow... don't wait until they are too high.

Feel free to stop by any of these breeding operations anytime prior the sale for a preview or give them a call to discuss their offerings and those which will suit your breeding intentions.

Plan to be with us in person, online or on the phone for you to "Take the Next Step", a part of the exciting Polled Hereford Weekend. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Sunday, October 17, 2021 | 1:00 PM

Square-D Polled Herefords Sale  
Monday, October 18, 2021 | 1:00 PM

Please join us the evening prior to the  
sale for viewing of the cattle.

Lunch available before the sale.

All heifer calves from the sale contributors are eligible for the 10% discount if sold to a Junior Member. Talk to the consignors if you have any questions about this program.

**KIRA 9J - LOT 1**

Our first Remittal Belmont calf and we are more than excited with this Feb. heifer! Her momma is our best Zappa daughter. A maternal brother Hummer TL 7H sold to Perry Libke in this springs Wilson Lees Bull Sale. 9J's grandam is Shakira 41Z, a Heater daughter bought years ago from Blair Athol and still working here. This is a very good cow family.

Owned with Phantom Creek Livestock, Swift Current SK.

I really liked the cosmetics of Alvin and Mary Kate's Rewind bull. So I bought semen on him and then told Chris! Powerful females is my first thought when describing his daughters. Second is pigment. 20H has both these qualities with her big barrel and red goggle eyes as well as super easy doing. Nice balanced EPDs.

Exposed to Remitall-W Connected ET 24E May 5 to August 13, 2021 Preg checked to calve approximately March 13, 2022.

AKA Red Bull here at C&T !!

We went looking for a herd bull with muscle mass and pigmentation. We found him in the RSK show string at CWA 2018 and bought him in Andrews bull sale in the Spring of 2019. He has lived up to his nick name in spades!

Impressive EPDs add to his strengths.

These embryos are offered from the core of our breeding program. We implanted 10 embryos from the same flush in the spring of 2021. Kalla 10D is re-writing the history book for producing, high quality, performance oriented cattle at our place. So far at a young age she has produced the following:  
ZTM 1F – full brother to these embryos. Herd sire to Allan & Michael Polvi, Rocanville  
ZTM 34G – Herd sire for High Plains Ranch, Whitewood  
ZTM 28H - \$20,000 high seller in our 2021 bull sale going to XTC Ranches & Lilybrook Herefords  
ZTM 31H – Herd sire for Crittenden Land & Cattle, Church Ranch, & MCC  
ZTM 17H , 32H, 36H – Replacement heifers retained by MCC  
ZTM 50J, 55J, 57J, 61J – Feature bulls for our February 2022 bull sale

## CONNIE 271H - LOT 25

Here is a dark red, excellent haired, daughter of Matrix that is sure to catch your eye on sale day. We calved our first group of Matrix daughters this spring. They have beautiful udders and are exceptionally maternal. Moxie 119H will produce rugged, high volume progeny that will be functional and marketable.

Exposed to /S Momentum 00054 ET from April 19 – July 21, 2021. Observed bred May 5th, 2021 . Pregnancy checked to the May 5th breeding date.

Connie 271H comes from a cornerstone cow family at McCoy Cattle Co. Her sire is an outcross sire purchased from Thomas Herefords in Montana selected for calving ease and exceptional carcass value.

Exposed to /S Momentum 00054 ET from April 19 – July 21, 2021. Pregnancy checked for a late February / early March calf.

Pregnant to the May 1, 2021 AI service.

## QUEEN MAKER 28H - LOT 34

## DUCHESS 52H - LOT 35

A maternal sister to the GHC Attention bull. She is a result of purchased embryos because we thought so much of the mother and grandmother, very solid cow family. Lots of body mass and depth. Kickstart puts great udders on his females. This one should be a sure bet.

Bred May 2, 2021 to TH Masterplan 183F with sexed heifer semen. Exposed June 6 to July 21, 2021 to PCL 6153 Hyper Drive 30H. Pregnant to the May 2, 2021 AI service.

## REAL LADY 111H - LOT 36

Ultra feminine with a pedigree that's a who's who of female producers. Will be hard to find a female for sale this Fall with a higher Maternal Productivity Index. Breed her the way you like and then have fun showing her offspring.

Bred May 4, 2021 to TH Masterplan 183F. Exposed June 6 to July 21, 2021 to PCL 6153 Hyper Drive 30 H. Pregnant to the May 4, 2021 AI service.

We've been happy with our blueprints as producing females while the sons have been very marketable bulls. This heifer should have exceptional udder quality and be able to raise a good calf.

Bred May 1 to TH Masterplan 183F.  
Exposed June 6 – July 22 to NJW 73S 456B Power Up 100E ET.  
Pregnant to an early June breeding to Power Up 100E

A late April calf so a bit smaller than the rest. Several maternal sisters have sold through this sale and have done well at their new homes. Longevity and fertility in this cow family.

Bred May 2, 2021 to TH Masterplan 183F with sexed heifer semen.  
Exposed June 6 to July 21, 2021 to PCL 6153 Hyper Drive 30H. Pregnant to the May 2, 2021 AI service.

## LADY LUCK 121H - Lot 38

# Phantom Creek Livestock

Really correct, angular, and attractive. Mother is consistent in raising higher quality offspring. Superior udder quality should be assured. Another favorite.

Bred May 4, 2021 to TH Masterplan 183F. Exposed June 6 to July 22, 2021 to NJW 73S Power Up 100E ET. Pregnant to the May 4, 2021 AI service.

Both cows are what we consider our top end. Really good feet and udders. Both raise big calves and both have sons that we used as herdsires here this year. We are eagerly awaiting full sibs to these embryos next Spring. They will be pretty special.

Embryos are stored at Bow Valley Genetics and are exportable to the USA. Purchaser is responsible for storage and shipping.

Lot 41 are conventional embryos. Lot 42 are IVF embryos.

**HAROLDSON'S UNITED 33D 36G**

# Terms & Conditions

## TERMS

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## CERTIFICATE OF REGISTRATION

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## HEALTH

All animals in the sale have met all necessary health requirements.

## GUARANTEE

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regards to health, freedom from defects and from both reproductive and specific genetic unsoundness.

## PREGNANCY INFORMATION

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

## LIABILITIES

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co.(2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## DELIVERY

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

## PHONE, MAIL, WIRE BIDS

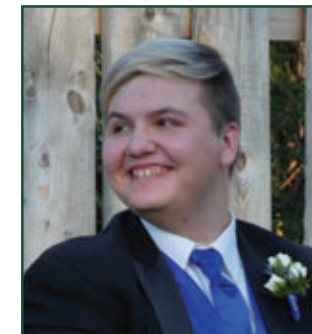

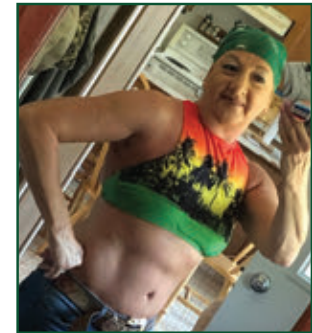

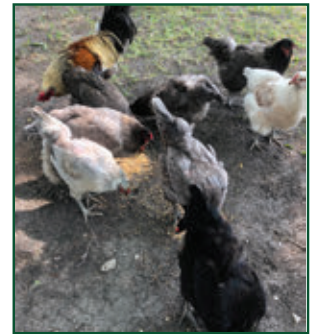

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## INSURANCE

We strongly recommend that insurance is purchased for full value.

## EXPORT

All costs incurred with exporting cattle to the United States will be the responsibility of the buyer and will be charged at cost.
