# WELCOME

It is our honour and privilege to welcome each of you to the Canadian Collection Speckle Park Female Sale. We bring you our best and we look forward to being together with our friends and fellow breeders from across the country once again—circumstance has kept us all apart for far too long. The diverse genetics on offer are the cream out of five outstanding programs. These are incredible females and we promise you will not be disappointed.

## FROM THE DESK AT T BAR C

Welcome to the Canadian Collection Speckle Park Female Sale, September 9, 2021, at Champêtre County, St. Denis, Saskatchewan just 40 minutes east of Saskatoon. The past year or two has put a damper on happenings, due to the pandemic, but it has not dampened the spirit of the livestock industry as the consumer has found out the importance of food production.

Five leading, progressive breeders come together to present an outstanding offering of Speckle Park seedstock for your evaluation. Colgan's, Highmark, Green Hills, Ravenworth, and INC are household names in the breed and are known for prolific high quality breeding programs.

This event is a production sale; offering bred heifers, 2021 heifer calves (some of a competitive nature), proven brood matrons, and flushes and embryos round up the lineup. With five individual programs, you will find diversity in genetics and phenotype enabling selection opportunities for your front pasture.

As the base of the breed widens, more and more breeders need to expand their programs and never too soon, as beef cattle numbers in Canada's cow herd are the lowest in a few decades. Now's the time to start restocking!

Plan to be with us in person, online, text or telephone for the first Speckle Park Sale of the fall season. Do not hesitate to call or visit any of these breeding operations for a preview any time before the sale.

During these times, do not hesitate to call anyone on the T Bar C team and we will be pleased to assist you with your selections in a professional, confidential manner.

We are very excited about 8G. She is sired by the legendary River Hill Traffic Jam 2T and is out of a female we purchased in partnership with River Hill Farms and Long Ash Speckle Park at Agribition. She was our choice of the heifer calves offered from what turned out to be a super flush from Codiak Putnam and Petula of par. She is definitely bred for success. 8G will be on display at the sale so you can see why we are so enthused about her for yourself. We are sure her depth, thickness, length of spine, angularity and balanced tight udder will impress. This is an opportunity to get in on an elite female early in her career. We are offering the right to one flush of River Hill Universal Girl 8G. The flush is to be conducted at Emtech Genetics at Hague SK. 8G will be transported to the Emtech Genetics Collection Center immediately following the Canadian Collection sale. The buyer will be responsible for all costs until the flush is completed and all costs associated with the flush. The buyer will have the choice of any semen on any bull Green Hills Livestock has in storage or supply a sire of their choosing.

**All embryos resulting from the flush will be the property of the buyer.**

# TERMS & CONDITIONS

## TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

## CERTIFICATE OF REGISTRATIONS:

Each purebred animal will carry papers issued by the Canadian Speckle Park Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

## HEALTH:

All animals in the sale have met all necessary health requirements.

## GUARANTEE:

All sellers and buyers of Speckle Park cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association. These documents are available from the Association office.

## PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

## LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

## DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

## PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

## INSURANCE:

We strongly recommend that insurance is purchased for full value.

## ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
