

A herd of cattle is shown in a field, with many white leaves falling from the top of the frame. The scene is set against a dark, moody background.

# HOMECOMING

2021 *Speckle Park Sale*

*Wednesday*  
**NOVEMBER 3**  
5:00 PM **2021**

AT STOCKADE ROUNDUP  
LLOYDMINSTER, SK

# From the desk at **T Bar...**

Welcome to the Homecoming 2021 Speckle Park Sale on November 3, 2021, in conjunction with the Annual Fall Stockade Roundup Show, Lloydminster, Saskatchewan at 5:00 P.M. We need to recognize the folks of Stockade Roundup as they were the only fall show in 2020... hats off to all involved.

There is an adage...that good things come in small packages. With that in mind, the thirteen lots that represent the Speckle Park breed are virtually outstanding. Selected for quality and genetic diversity, these leading breeders opened their gates at selection time to offer seedstock that will influence you herd in years to come. This diverse lineup offers an intriguing herd sire prospect, a competitive group of 2021 females that will demand ribbons, a flush out of a proven donor and embryos that will move your program forward. We must remember that there is no substitute for quality in raising superior seed stock.

Plan to be with us and take advantage of these high quality breeding packages that will add to your front pasture program. Whether you are a big or small breeder or just starting out, this lineup deserves your attention.

Plan to be with us in person, online or on the phone for "Homecoming", a part of the exciting Stockade Roundup at Lloydminster. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

### **Homozygous Black, Homozygous Polled, Myostatin Carrier**

At no fault of his own this stud forgot his chrome in the womb. However, don't let his colour get in the way of the true breeding potential he withholds, instead consider him the perfect solution for every white cow! Overall power, added muscle mass, deep rib, big scrotal, extra bone and a huge square foot, Coal Train puts it all together in such a complete package. He is most impressive striding out with his free moving athleticism and confident presence. His dam, 135E sold for \$12,000 in the 2018 Supreme Sale to Black Diamond Speckle Park and has developed into a valuable donor cow for them. All Out has been raising high performing calves in both Canada and Australia, with a son recently topping the Dorrroughby Sale in Australia for \$30,000. Coal Train has stayed true to the performance ability of his sire and is sure to make a lasting mark on the breed.

## Homozygous Black, Heterozygous Polled, Myostatin Non-Carrier

83J is flat out special, from her soft made style to her sweetheart demeanour she really is easy to fall in love with. Admired throughout the summer by many for her wide top, huge middle, and overall power, it was an extremely hard decision to let Chris have this heifer but we believe in offering our best. Her dam, 154B has been one of our top producers, consistently raising some of our top calves with 83J hands down being her best to date. Dart females are said to make very maternal cows with good udders and plenty of milk, so there is no doubt in our mind that Jealousy is set for success as a foundation female in any herd.

## Homozygous Black, Homozygous Polled, Myostatin Carrier

94J is exactly what we were hoping for when we flushed 15U to Ulysses, this is one of our first 15U calves on the ground and we couldn't be more excited. She has been a stand out since early spring and one we feel has a ton of potential. The sharp feminine presence she exudes grabs your attention and makes you appreciate all that she has to offer. Long fronted, bold ribbed and big hipped, she is without a doubt one of the most eye appealing females we have offered to date. We feel this heifer will have a successful show career as a bred heifer and maybe even as a two-year-old cow. Co-owned with Martin Speckle Park.

Option to take three or five embryos off a pair of mating's that will definitely result in some top-notch offspring. 154B is a cornerstone female in our program and consistently produces some of our best calves year after year no matter the cross. She is most often "the pick" of our cow herd by visitors, admired most for her carefree attitude, huge capacity and sound structure. Look to 154B to add milking ability, docility and improve foot quality. Mated to the breed legend Codiak Putnam and exciting young sire Greenwood Headliner should result in some very impressive progeny. Putnam needs no introduction as he continues to crank out great ones, semen is also getting limited which only adds value to his offspring. Headliner was the 2020 Stockade Roundup Grand Champion Speckle Park Bull, King of the Ring Speckle Park Bull, and Top 4 All Breeds Supreme Qualifier. Select A or B with complete confidence of great ROI. **Stored at Davis-Rairden, Alberta, Canada. Guaranteed one (1) pregnancy on three (3) embryos or two (2) pregnancies on five (5) if implanted by a certified technician. Qualified CAN/USA/AU/EU**

# Terms & **Conditions...**

**TERMS:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATIONS:** A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**HEALTH:** All animals in the sale have met all necessary health requirements.

**PREGNANCY INFORMATION:** All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

**LIABILITIES:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**DELIVERY:** Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

**PHONE, MAIL, WIRE BIDS:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE:** We strongly recommend that insurance is purchased for full value.

**ERRORS:** All announcements at sale time, written or oral, supersede any written material in the catalogue.
