From the desk at T Bar...

For all of us at T Bar C and LLB, welcome to the Fall Female Sale here at the ranch in Erskine, Alberta. It has been a few years since LLB has hosted a fall female sale, and what an outstanding set of cattle are on offer. Just think, LLB is Canada's largest Angus cowherd and this is your opportunity to dig deep into a bred heifer pen that is exclusive in pedigree and rich in quality. A top cut of heifer calves are also on offer, with the first progeny selling off one of the most talked about bulls in the industry, Mohnen General. LLB owns the Canadian rights to this sire whose semen sales have been incredible in value with very limited semen available. Please take note of the breds and cows carrying the service to General, who have a tremendous upside with what's inside of them for your program. Furthermore, please pay attention to the Tribute daughter in the heifer calf section, a bull who certainly is making a mark and this daughter selling is right off the top of the pen. To round out the offering is a hand selected group of brood cows that are a personal favourite of mine. This section is deep and carrying matings that are valuable, and in particular a past high seller from Johnson Livestock that has donor cow written all over with an exceptional daughter at her side that are sale features of this event.

The magnitude of this large cowherd is overwhelming to most, but darn impressive in quality and their organization as a family farm. The sale cattle are lot tagged and ready for your appraisal at anytime. When you think of LLB, you think quality Angus cattle, the highest level of hospitality and some of the best darn people you'll ever run into. It's our honour to work closely with the Brown family year round and don't forget to plan ahead for their great bull sale annually on the second Saturday in March, where over 200 bulls will be on offer. Please do not hesitate to call any of us at T Bar or the any of the Brown crew on questions regarding the stock on offer. See you for some Christmas cheer and great cattle at the famous LLB sale headquarters.

For the Brown and T Bar C families
