# ONTARIO AUTUMN SIMMENTAL CLASSIC

1:00 pm - Saturday, September 11, 2021 - MapleHill Auctions - Hanover, Ontario

*Welcome to the*

## Ontario Autumn Simmental Classic Sale

As things are starting to get back to normal a bit, we have been fortunate to keep doing our Purebred Cattle Sales. This year again we have a great line up of Simmental cattle to offer you.

We have a tremendous set of Black cows and Bred heifers, Reds, Fullbloods and Full Fleckvieh cattle. Cows, Open and Bred heifers along with some good herdsire prospects, all to fit into your own herd of cattle.

All the consignors will back up their consignments. Reputation breeding Simmental cattle in this sale.

Of course DLMS Mark Shologan will be here to bid on line.

Thanks to Chris, Shane, Ben, Mark and the TBarC staff, Laurie, Melissa, Denyel and all the MapleHill Auctions crew.

For more information on this great set of sale cattle, call any of the sale staff or myself.

Thanking you all in advance!

*- Carl M. Wright*

Car-Laur Heartbreak 900H is another high performance daughter out of our great Barbarella 845Y cow and our sire Double Bar D Thunder 299B. This cow never misses. This year's sale entry from her amplifies growth, style and that mother cow look again. Another moderate framed, deep middled female coming with another perfect udder, just like all the daughters from Barbarella have been. She is fully marked to a tee again, fully goggled and dark red. Heartbreak will have an early January calf sired by our easy calving Polled Hombre 59G bull, that also makes good stylish thick easy cattle to sell. We like her!

Bred to Double Bar D Hombre 59G on March 26, 2021.

**Consigned by Car-Laur Simmentals**

Maternal sister sold to Leahy Livestock

Full Sister to Lot 1, sold in the OASC 2020 sale to Bar 5

Maternal sister sold to Mark Land & Cattle

Car-Laur Hanna 907H is a very stylish attractive bred heifer. Lots of quarter and depth and top. She is sired by Thunder 299B and out of a very nice moderate, lots of middle nice uddered cow Ms BGS Sadie 65Z. Man we love good uddered cows. She is another never miss kind of female. If Hanna turns out like her mom, you will love her. Bred right along to Polled Hombre.

**Bred to Double Bar D Hombre 59G on March 31, 2021.**

Car-Laur Hotstuff 875H is another high performance female sired by Double Bar D Batman 216E bull. I purchased Eva 05F in their Share The Herd sale bred that way. Hotstuff is going to be a powerful cow. She has lots of middle, very dark red with a white diamond in her forehead makes her a very attractive female. Bred to our dark red Polled Hombre bull should make her calf very saleable.

**Bred to Double Bar D Hombre 59G on March 22, 2021.**

**Consigned by Car-Laur Simmentals**

**Lot 3**

Car-Laur Haven 910H nice made female here. We like the size and middle in this heifer, nice rib and quarter in her. Her dam Lyla 271C just comes with a real good calf every year. Look to get performance from her off spring. Bred to the easy calving Hombre bull, should work really nice here. Nice saleable cattle due early January.

Bred to Double Bar D Hombre 59G on April 2, 2021.

Lot 5

This big red Westcott heifer has been my favourite heifer that I've raised to this point. She's a big soggy meat machine that's as easy doing as they come. Moves extremely well for her size and there is certainly no lack of power with this lady. I'm going to regret selling this one down the road but excited to see what she can do for her new owners!

Bred to WS Epic on March 24, 2021.

We have had too many bull calves born the last couple of years, so we had to dig into our herd. As you can see she has produced two nice fancy heifers also offered in the sale. Elsie is homozygous polled, has a great temperament, both of her calves came unassisted and she bred back right away. She is dark red, deep ribbed with many years ahead of her. Elsie is bred to Dora Lee's Victor who has done a great job for us at Vailview.

**Exposed to Dora Lee's Victor FF90H from February 21 to March 25, 2021. Possible breeding date of February 27, 2021.**

**Consigned by Vail View Simmentals**

Hilda has developed into an eye-catching polled heifer, great EPD's and with a touch of chrome. Her dam is a powerful cow, big footed and who has always delivered unassisted. She will be the standout in your pasture field. Hilda is bred to our new herd sire Applecross Denzel 9H. Denzel is built right with an awesome dark paint job, double goggled with a great temperament.

Exposed to APLX Denzel 9H from March 28 to June 12, 2021. Possible breeding date of May 3, 2021.

Here's an impressive bred heifer off of one of our favorite cows. A nice dark double goggled polled heifer. Hadie is a moderate framed, easy fleshing heifer with a nice hip and some length. We have been pleased with Victor's calves, calving with ease without giving up anything in performance or style. Check out their EPD's She is bred to APLX Denzel 9H.

Exposed to APLX Denzel 9H from April 24 to May 20, 2021. Possible breeding date May 3, 2021.

Consigned by Vail View Simmentals

Hope is a smooth polled Raptor daughter. She has a lot of length and thickness. She walks smoothly and has a very good temperament. Her dam was a good milker out of the Gravity son we own who had many daughters sell in this sale. With a solid pedigree, she should produce some really good calves for years. Bred our new heifer bull Anchor D Hefner 274H who was the \$25,000 high seller, with a good chance for a Homo Polled calf.

Exposed to Anchor D Hefner 274H March 26 to July 1, 2021. Observed bred on June 1, 2021.

Haile is a sharp looking broken pattern heifer who I'm disappointed she turned out horned. She has a frame with lots of power to her straight spine and a lot of thickness and length as well. She is my pick of the offering and her mom is a heifer we bought as a calf from Crossroads Farms and has done a very good job on Haile. Bred to Hefner, she will have a Polled calf and if it's a female I bet it will be a keeper. Exposed to Anchor D Hefner 274H March 26 to July 1, 2021. Observed bred on April 20, 2021.

Hefner was the \$25,000 high seller at the Anchor D Bull Sale in 2021. We decided that we needed a heifer bull who provided very good calving ease, and market ability of the heifers we are selling in sales. Smooth walking with perfect temperament and dark red with that heifer bull look. We like our polled cows and his homo polled gene is very valuable. His pedigree is very stacked with FGAF Radioactive and FGAF Barbosa who we have a few daughters of. I think his daughters will turn out well and will be very easy to market. We are hoping to market some semen on this bull soon.

Homo Polled

Lot 19

Now here is a heifer with a star studded pedigree! Greats like DFM Marcus 14M, Champs Bravo & the prolific DFM 22P cow that was such fantastic producer for Donovandale Farms. Honeymoon is a Full Fleck that is just loaded with performance and potential. She was a tough one to part with but since we said no to Carl and Ben a few years back on her cherry red bomb of a Momma; we thought it might be time for a yes. Confirmed bred for a Dec.28 Anchor D Gunner calf; get ready to pop the bubbly!

Introducing Toad Hall Georgia. This heifer is the perfect balance of femininity and power. She presents with a natural thickness, good temperament, and strong frame. Out of our Ms. America cow, she is bound to become a herd favorite, easy on the eyes with natural maternal instincts. This girl has got the goods and a bright future ahead of her, the perfect addition to your fullblood herd. She has had the opportunity to mature, we held her back for a January calf, our breeding program is typically for spring calves (April/May).

**Confirmed bred for January to our Service Sire Ultra/CD Legend 401F. Exposed from March 15 to April 15, 2021. Observed breeding March 22, 2021.**

**Consigned by Toad Hall Farms**

Ultra/CD Legend 401F - Service Sire

We had to decide on two bred for this sale! This girl was one we would buy on pedigree alone. Her Dam did a great job on this one and Haley should also!

Everyone had one of those kids back in 6th grade that already had the full moustache, that's this bull. He's looked like a bull since day one and hasn't looked back since. 2H has a great foot under him to get that muscular deep sided frame around and moves with ease. This fella is out of Mader's The National and if his progeny gets you excited, this guy should catch your attention with that baldy eye appeal.

A bull calf that has made the cut and will earn his place as a herd sire. He was born small, fast and was up sucking in minutes. Since birth he has developed at a rapid pace and seems to catch your eye every time. He displays impressive natural muscle expression with a smooth transition into his front third. Lots of thickness and excellent testicle development. 12J stands on a nice big foot with a very sound skeleton. I would expect him to improve foot quality. His mother originates from a very accomplished herd and is simply outstanding making it a no brainer to retain every daughter. I would use 12J on heifers.

Welcome to the sale once again. I would like to thank all bidders, buyers and everyone who has showed interest in the sale. We are very pleased to be working with the T Bar C team. We have offered our best for your evaluation. We stand behind these cattle and appreciate your business. We encourage all to stop by and see the cattle at home as they will be available to view any time before the sale. We are on an annual vaccination program with The Paisley Vet Services and the two breds were preg checked late July safe to the AI dates. There will be videos available on Cattlevids.ca.

Thanks again for your interest

Welcome to the 19th annual Ontario autumn Simmental classic! This is a special sale for us as it will be our last sale in Ontario. We are selling half our purebred herd. We at Brooksland farms have made the decision to move West! Later this fall we are moving to Wolseley, Saskatchewan and in preparation for that we have made the extremely hard decision to downsize our herd. Firstly, we would like to recognize a few people. Thank you goes to Ben Wright for helping so much this year. Your kind hand with selecting animals to sell has make this decision so much easier on our family. The whole T Bar C Crew for all the hard work that they do to get these sales ready. Thank you to Brad, Kristie, and Peyton Gilchrist for housing our sale animals at your farm this summer, feeding, clipping, and picturing are just a few of the great things this amazing family has helped us with. Thank you to the bidders and buyers who have supported our program for the last 9 years, we look forward to growing our herd again in Western Canada! Now onto the cows, the ladies we have on offer are the heart and soul of our program, they are proven cows that know exactly how to raise great calf's and we hope you are just as happy with them as we are. The calves we have to offer are an exciting group because they are the very first purebreds to sell off our new herd bull, Double Bar D Bankroll 804F. This bull was one of the high sellers in the 2020 Double Bar D "Best of Both Worlds Bull Sale" and we couldn't be happier with his calf's! Buy with confidence in our cattle, we can't wait to see everyone on sale day!

Many thanks,

*Tyler, Jen, Emma, and Margaret Brooks*

Barlee Hugs N Kisses 7F or what we call her in the barn as "Hugs" is a cow that is near and dear to our heart. The pedigree speaks for itself, her dam, Cas Hugs N Kisses 1W is a cow family that is known from coast to coast and her sire, Outlaw Soda Pop 14B is a very respected bull in our industry. Hugs is fancy with that feminine class to her, and one we will greatly miss. She was in our show string as a heifer and performed very well and has continued to impress us as she raises calves.

Pasture exposed to our herd sire Double Bar D Bankroll 804F from March 20 to June 22, 2021.

If you love chrome here's a bull for you! This is a very exciting crossing, Barlee Hugs N Kisses X Double Bar D Bankroll. Brooksland Kisses 7J's dam is a cow that is just wicked and is also selling in this sale, Brooksland Kisses 7J's sire is a bankroll son we purchased in 2020 from Double Bar D who has drawn up lots of attention this year. This bull calf is built very similar to his sire, thick, structurally sound and a calf we know will turn into a great herd bull.

Consigned by Brooksland Farms

Lot 35

Lot 36A

We were extremely excited to see this bull calf because we just love his pedigree. His dam, one of our top producing cows, and his sire is our new herd bull Double Bar D Bankroll 804F who was one of the high selling bulls in 2020 at the Double Bar D "Best of Both Worlds" Bull Sale. Bankroll 804F has his first calf crop on the ground this year and they are all build just like him, clean lines, clean front end, and lots of power.

Farl Farms would like to thank Carl and Ben and all the crew T Bar C for including us in this year's prestigious Annual Ontario Autumn Simmental Classic Sale. Once again our retirement herd of 10 has grown to where We bred 25 females this spring and the very top end of the yearling are on offer with unique pedigrees and bred to some very exclusive service sires. Herd health by Paisley Vet, all were ultra-sounded prior to grass and will be re-checked prior to sale. All the females have been halter tied and are quiet group to work with. Cattle on display at farm after August 1, 2021 just call for tour.

Jorja might be a February calf, but she has not lost a beat to any January calf in our herd. Having Loaded Up on the top side of her pedigree helps give her the clean front end, along with having lots of length in body. Lots of rib and depth as well. There is so much potential for her in the future and it will be hard to see her go. Halter broke.

Consigned by Locust Hill Farms

Lot 46

This nice looking bred heifer has many aspects we really appreciated. She is deep bodied, moderate framed with a little white on the face to set her off. Her sire, one of our walking herdsire did a great job on his daughters and will give them beautiful udders. The Riddler on the top and Boomshakalaka on the bottom really works. If you're a numbers person, you will see her EPDs are extremely good. These should be the only females bred to KCCI Exclusive in Eastern Ontario to boot.

**Hetero Black**

AI bred to KCCI Exclusive 116E on April 6, 2021. Pasture exposed to Ultra Approval 94H from April 11 to June 13, 2021. Vet check safe to AI.

Out of one of Lauren's favourite 4H heifers, she will make a great mama cow. Just like her dam, this heifer has nice bone structure to her. She has enough length in her body and looks to be developing a nice udder as well. And bred to our newest herdsire.

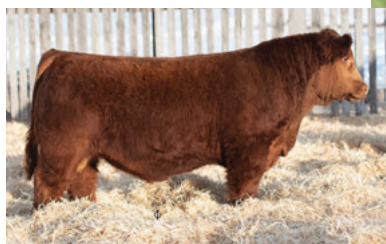

**Hetero Black**

Pasture exposed to Ultra Approval 94H from April 11 to June 13, 2021.

**Consigned by Locust Hill Farms**

**Lot 48**

**Ultra Approval 94H - Service Sire**

This good looking blazed heifer might be a March heifer, but she has really caught up to the pack. Her dam won RAWF Reserve Senior Calf the year we purchased her. She throws that style to her offspring. And great udders on both sides of her family will make for a female that will be around for some time.

**Homo Black**

With a Valentines Day Birthday, she is a definite sweetheart! Another easy keeping, moderate framed heifer. Her dam has been a great cow, giving us 4 heifers. We already have maternal sister to 214H in the herd, otherwise she'd be a keeper. Bred early to now deceased Limitless, she should bring a really sweet animal come early January.

**Hetero Black**

AI bred to WHF Limitless B011 on April 6, 2021. Pasture exposed to Ultra Approval 94H from April 11 to 13, 2021. Vet check safe to AI.

**Consigned by Locust Hill Farms**

WHF Limitless B011 - Service Sire

**Lot 50**

This Upgrade/Lotto combination sure is well built. Her calm nature and overall correctness is how we strive to breed cattle. Long in calf to her AI service, her maternal genetics will make her an excellent addition.

AI bred to BCLR Cash Flow C820 on March 18, 2021.

128G's dam is top end red female and extremely fertile. Red Ruby's 28G son by MRL Capone 130B son was our first bull sold out of the pen in 2020. 128G herself is a beautifully made performance female that should be in our keeper pen. We are excited to see the AI services of WS Proclamation and what he will add genetically to this mating.

**AI bred to WS Proclamation E202 on April 9, 2021. Exposed to TNT R77's Legacy Z330 from May 15 to July 19, 2021. Safe 3 months on July 19, 2021, due to calve on January 19, 2022)**

This is our Grandson Weston's heifer out of a consistent producing Marywood female that we know a lot about this cow family and her great grandmother Stormy with a stay of 15 years for us. 15H is loaded with genetic power of bulls like Springcreek Lotto, KOP Crosby, Triple C Singletary and Wheatland Red Hummer, plus add the maternal power of Double Bar D Roxy, Wheatland Lady 822U and the Black Storm cow family. What a great young cow in the making here with the bonus of a Harts State of War on board!!

**AI bred to Harts State of War 056C on April 9, 2021. Exposed to TNT R77's Legacy Z330 from May 15 to July 19, 2021. Safe 3 months on July 19, 2020, due to calve on January 19, 2022.**

## Terms and Conditions

### **TERMS:**

The terms of the sale are cash or cheque payable at par at sale location unless satisfactory credit arrangements have been made previous to the sale. The right of property shall not pass until after settlement is made. The Ontario Autumn Simmental Classic Group reserves the right to require a certified cheque as settlement before releasing any sale cattle.

Should any purchaser fail to settle for his purchase the seller reserves full power to resell the animal to the best advantage either publicly or privately, without further notice. Any loss arising from such resale together with keep and all other expenses shall be payable by the defaulter. All settlements must be made with the clerks of the sale before any cattle will be released.

### **BID:**

Every animal consigned to the sale must be sold by auction. No private sales will be allowed except as otherwise provided for in the terms and conditions. No by-bidding will be permitted. Each animal will be sold to the highest bidder.

### **DISPUTES:**

In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final.

### **PEDIGREE ESTIMATES:**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

### **PURCHASER'S RISK:**

Each animal becomes the risk of the purchaser as soon as sold. Animals will be cared for at the purchaser's risk for a reasonable length of time.

### **ANNOUNCEMENTS:**

From the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

### **HEALTH:**

It is the buyer's responsibility to determine health requirements for importing any animal into his province or state.

### **CERTIFICATE OF REGISTRY:**

A registration/recording certificate issued by the Canadian Simmental Association and duly transferred will be furnished to the buyer of each animal after settlement has been made. It is the responsibility of the buyer to determine the acceptance of this certificate in any other association.

### **SHIPPING:**

Assistance will be given in making shipment after the sale but no risk is assumed by the Sales Management or Seller. Expenses incurred are the responsibility of the purchaser. Purchasers are requested to furnish shipping instructions when making settlement.

### **BREEDERS GUARANTEE:**

As per applicable Canadian Breed Association Breeding Guarantee guidelines. Copies are available at the sale settlement desk to be picked up by the buyer at any time. In no event shall the seller be responsible for reimbursing more than the purchase price.

### **ACCIDENTS:**

Although every precaution will be taken to protect the safety and comfort of buyers, neither the Sales Management, auctioneer, consignors or Association assume any responsibility in this matter and disclaims any liability legal or otherwise in the event of accident or loss of property.

### **RIGHTS AND OBLIGATIONS:**

The above terms and conditions of the sale shall constitute a contract between the buyer and the seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected there to are not covered by the terms and conditions of this sale.
