SELLING PUREBRED & COMERCIAL FEMALES

## WELCOME

**W**elcome to the 2021 edition of the Queens Of The Heartland Female Sale. Once again we feel very privileged to share this group of heifers with our customers, as well as the progressive breeders who are bringing some of their very best cattle for you to view on sale day.

These cattle have been selected right from the heart of our program, most with early calving dates and several carrying the service of our outstanding young herdsire, Wheatland Monument 28H, whom we purchased last spring at the Wheatland Sale. We are highly anticipating the arrival of his first calf crop, in the upcoming calving season. The rest of our offering are carrying appealing services to JPCC Rito 174H our high-selling ½ blood bull in our 2021 sale, who was purchased by M & J Farms, or Scissors Hemisphere 2H, an exciting calving ease bull we

purchased from the good folks at Scissors Creek Cattle Co.

Many of these heifers are off good young producing females, and are sired by some of the most popular bulls in our bull battery, Wheatland Royal Flush, Walking Boss, and JPCC Super Smooth just to name a few.

We feel we have cattle here for every budget, so please join us in McAuley on December 5th, for some hospitality and have a look at our offering.

**W**elcome to "Queens of the Heartland" Production Sale hosted by JP Cattle Co., December 5, 2021, at their ranch headquarters, McAuley, Manitoba. The folks at JP Cattle Co., along with guests, Scissors Creek, Sun Rise, Johns and Sunville, have come together again, offering you a powerful cross-section of their purebred breeding programs in addition to several pens of commercial bred females sired by their bulls. What a powerful offering of bred heifers... deep, broody, and full of calf. Many of these services are the first of the new and exciting bulls that these progressive breeders selected this past spring. Selected from proven cow families, many of these females have donor possibilities and are packed full of prolific genetics that one can build a program around. The 2021 models are fancy and ideal for juniors of any age and do not overlook the highly potent embryo packages offered. The commercial heifer packages are value-added... bred by ranchers for ranchers. Whether you are looking for red, black or Fullblood, Simmental breeding stock, the 2021 edition is diverse in type, high in quality and suitable for all programs and all budgets... and well worth the trip.

Our national beef cow inventory is the lowest it has been for many years and the hot dry summer did not help, as a result, the beef cattle industry needs the void refilled. It will cost more in years to follow rebuilding cow herds. Now is the time to add fresh new blood into your program with high quality replacements and include your tax saving in your plans... I know how much we want to send it to Ottawa.

Plan to enhance your program with "Queens of the Heartland" whether it be with us in person, online or on the phone. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

57H is a powerful, deep sided, free moving, hairy female out of a red Crosby daughter we purchased from the Bonchuk Farms. AI'd safe to Monument, our \$80,000 calving ease Simmental bull, the resulting calf should be a special one.

Polled and color test pending

AI bred to Wheatland Monument 28H April 15, 2021. Exposed to Scissors

Hemisphere 2H May 3- June 1, 2021

Vet opinion- Favourable to AI

Monument 28H was a bull that was highly sought after in the sale and many predominant breeders in both Canada and the USA acquired semen packs. Here is a bull with calving ease numbers and thickness you can't deny. These are some of the first heifers to sell that carry his service.

Monument - Service Sire

CONSIGNED BY JP CATTLE CO.

65H has a brood cow written all over her. With Captain Morgan on the bottom side and Royal Flush on the top you have some elite Simmental breeding here.

CONSIGNED BY JOHNS PUREBRED & COMMERCIAL SIMMENTAL CATTLE

Dana, Megan & Terron Johns

Greg & Allyson Workman

We, along with Greg and Allyson, are excited to be a part of this sale, with a great group of consignors. This year we have four purebred bred heifers and then we have 6 groups of commercials heifers. We are proud of the heifers that we have on offer that are from deep within our program. The heifers are bred to well known AI sires or bulls from our program and will produce calves that will be a great addition to your herd and your bottom line. All the heifers are on a full vaccination program and will have had their second Scour Bos shot by sale day. We encourage you to stop by the farm anytime and see the heifers for yourself, the coffee is always on. We look forward to seeing you on sale day!

-94H is a female with tremendous capacity, big ribbed moderate frame with lots of length.  
 -Dark red and developing and excellent udder.  
 -94H is a very well mannered and should be good to work with.  
 -Bred early to WLB Top Tier this female will have some interest on sale day.

AI bred to WLB Top Tier  
 456G April 8, 2021. Pasture exposed to Double G Gunner 31G April 18 - May 25, 2021. Ultrasound safe to AI.

**94H**

## CONSIGNED BY SCISSORS CREEK CATTLE COMPANY

We are excited to be apart of this sale for the second year now as we enjoy being a part of this great group of fellow breeders.

We have been breeding Simmental cattle for almost 20 years now and have worked hard to build our herd of high-quality females. Having reached our ideal herd size a few years ago we have been culling hard and only keeping the very best and you can really see the results in our cowherd today.

We are offering three bred heifers from the top of our purebred pen, as well as two commercial bred heifers that would work well in any herd. These heifers have not been babied in anyway and were just pulled off of pasture three weeks before pictures. In these times of expensive feed we strongly feel that moderate framed, easy doing females are the only kind to have and these heifers exemplify that!

We always welcome visitors if you are in the area and have time to stop in before the sale! If not, we look forward to visiting with you on sale day. We would also like to thank all of our past buyers and bidders and JP Cattle Co. for hosting this sale.

Here is a super tanky and super dark red female that has momma cow written all over her. Her sire was one of the best red herdsires we have ever used and at the age of seven this year was still breeding cows at Diamond M Ranch - Jordan said it almost broke his heart when he finally had to ship him this fall. He was a very good footed bull and has passed that trait onto both the females and bulls he has sired. Her dam and grand dam both have that extra depth of body and are super easy doing and she looks to be following in their footsteps.

AI'd to WHL Red Heat 1734E on April 5, 2021. Exposed to Triple H Intuition (Black Angus) from April 14 - June 10, 2021

**CONSIGNED BY SCISSORS CREEK CATTLE COMPANY**

Berkley is moderate framed and attractive through her front end. She is deep bodied and moves out well. Her sire was purchased from Wheatland Cattle Co. three years ago after falling in love with his dam and he has been leaving his mark in both the bull and replacement heifer pen ever since. Her dam is a consistent producer that goes back to one of the foundation cows that we started our herd with and her calf this year is a full sister that looks good in the heifer pen again.

AI'd to WHL Gold Key 1619D on April 5, 2021. Exposed to Triple H Intuition (Black Angus) from April 14 - June 10, 2021

Everyone loves a little chrome and Annie has just that! She is a powerful, easy doing, free moving type of heifer that would work in any program. Her sire has many females in our cowherd today and they are all good uddered and have been producing the right kind of calves. We used her service sire on a few heifers last year and they all calved easy and made the keeper pen so we used him even more this breeding season with almost all of our black heifers being AI'd to him. We are confident this heifer has the potential to become a big time producer.

AI'd to WHL Gold Key 1619D on April 5, 2021. Exposed to Triple H Intuition (Black Angus) from April 14 to June 10, 2021

CONSIGNED BY SUN RISE SIMMENTALS

Evan and Linda Cuss,  
Kristin, George, Braiden and  
Duncan Kueber

Welcome to the 2nd Queens of the Heartland Sale. Thankyou to JP Cattle Co. for asking us to be part of this great event. We were fortunate to have a good year in 2021. We had a good calf crop and our crops were of average yield. Our grandson, Duncan was excited to have his first 4-H steer this past June. He looks forward to another 4-H year with his steer and heifer. We think you'll appreciate the two females we have on offer for the sale. JTC 10H is a full sister to one of our top flushCows, JTC 17D. JTC 17H goes back to the well know Spingcreek Liner 56U and LFE Sheila 82A, an Agribition Champion. You are always welcome to visit the farm to see the females before the sale. If not, we look forward to seeing you sale day. Evan & Linda

## TERMS & CONDITIONS

### TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

### ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

### CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

### LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

### RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

### PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

### DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

### INSURANCE...

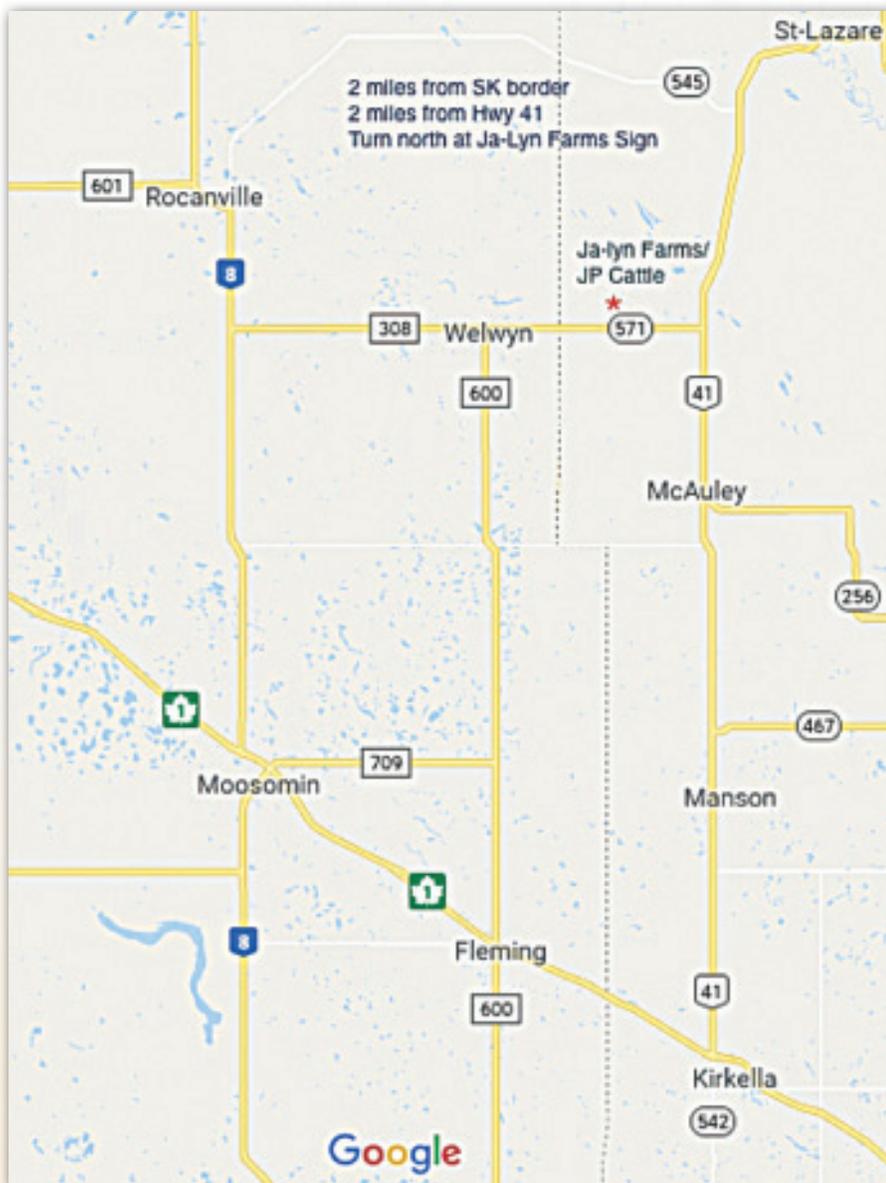

Will be available sale day. We strongly recommend that insurance is purchased for full value.

### ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.
