TO SELL TWENTY STRAWS OF SEMEN

Option to sell one 20 straw semen package immediately, to be split with the buyer. This sale will occur at the buyer's decision.

Greenlight has been admired by many astute cattlemen and women throughout the livestock industry. His power and presence is undeniable. He is free moving and attractive on the move or at a stand. His shape, structure and overall dimension is impressive to say the least. Many observers have noticed similarities to another breed great that currently walks our pastures. We'd agree, only to say that Greenlight might be a bit stouter muscled. Greenlight's dam, Baldco Emulota 964, was a \$62,000 top seller for the Tiedman's in Denver in 2016. She is a full sister to the Select Sires performance bull JMB Traction 292 and sister to many other high profile cattle throughout the US. 964 is a beautiful uddered cow, massive in shape, exceptional in production and elite in EPD profile. We have two full sisters to Greenlight, one who happens to be the dam of our feature heifer calf in the upcoming Opportunity Knocks sale, check her out in our show string. Greenlight's sire, Brooking Rewind 6023 has been our go to for building moderate framed, big middled cows with picture perfect udders. We have more Rewind daughters in our herd than any other sire currently. They just work. Combine these genetics with the 964 cow, we feel results in a very trait balanced genetic masterpiece. Greenlight is so far undefeated in his age division along with being crowned Supreme Champion bull at the Perdue Fair, Champion Angus bull at the Lloydminster Stockade Roundup (top 4 in the Supreme) and most recently Reserve Grand Champion Angus bull at Farm Fair International (top 5 in the Alberta Supreme). He will be a contender at Agribition and already is a double qualifier for the Agribition Supreme Challenge. Join our team and come along for the ride. We'll work with our new partner to promote this outstanding bull. If you are searching for a direction to take your program, look for the Greenlight, he'll get you there.
