

Justamere Sale of the Year

22ND ANNUAL ANGUS SALE

MONDAY, OCTOBER 18, 2021 1:00 PM
AT JUSTAMERE HEADQUARTERS LLOYDMINSTER, SK

JKS

Jon, Shelly, Tyra, Jon, Jim & Jorja

Hello and welcome to our 22nd Justamere Angus sale of the year. It's been another challenging year across most of North America from lockdown, fires, floods, droughts and I think most of us can agree an unwanted federal election in Canada. Thankfully for cattle producers, feed supply is a little better than expected in most areas of western Canada later summer, early fall moisture has helped second growth and fall grazing.

The cattle market is holding steady to slightly higher thus far, Purebred sales are steady and better than expected. The spring was another great bull sale season across the lands. As we close in on another winter we still have lots to be thankful for. At Justamere we have been extremely busy trying to make sure we have enough feed and straw to get us through. There has been a lot of extra fencing, pasture moves and water hauling but we are thankful to be working as a family to meet our goals. This is our 22nd annual sale and we could not be more proud of the selection of cattle we have assembled for the sale. We are humbled and thankful for our many customers each and every year and this year is certainly no different.

The two herdsire prospects are definite features, the Lot 1 Deer Valley Growth Fund has been a stand out all year, he combines all that we are striving for in herd sire. Lot 2 sired by the 2020 Supreme Champion HLC GQ is a very exciting individual. It will be great to watch him in the future shows and his influence in our program.

At the time of writing this letter there is a chance that most of the fall shows are going to make a go of it, we sincerely hope that this will happen and plan on entering as many as we can. Our show heifer prospects are very strong again this year not only show ring potential but real word production with EPD data that sets them above average, pedigrees that are current and highly marketable into the future. The choice lot Turning Point daughters are very good and will be a challenging decision for the winning bidder.

We feel we have a stand out Basin Rainmaker 4404 daughter out of the EXAR Ruth cow family in Lot 3. We also want to draw attention to our February and March show prospects, we feel these will be very tough competition and will make superb production females in the future.

The bred heifer offering is very exciting as well. The Lot 13 Musgrave Stunner daughter checks all the boxes in our mind and carrying early service to our newest herdsire EXAR Dry Valley. This is one bull you need to see, he is flat out awesome. With a very good temperament an EPD profile, we are looking forward to many great years ahead with him in our pastures.

Jon, our son has taken on a lot of the breeding decisions the past couple years. He is diligent in his AI sire selection and we feel this offers you, our customer, a leg up on your competitors. Sankey's Watchman, Baldrige Moving On, KR Pacesetter, Riverbend Upgrade and Greenwood High Class, are just some of our AI service sires. We feel they are very exciting matings in this set of strong females.

Each and every year the cow/calf section is very strong. This year we may have gone overboard, but we believe in offering our best each and every year. The lot 32 OSU Empress female and her daughter Lot 32A, sired by EXAR Grenade are a beautiful pair a future donors. Lot 33, EXAR 6470 is another beautiful female her Lot 33A E&B Plus One heifer calf is an amazing young female and we are certain you will agree.

The final two pairs are very good and offer you a great cross section of our breeding program. Finally, we are offering a flush on the #1 cow in our herd of 200 Angus females, EXAR Ruth 0091. She has never missed knocking it out of the park, male or female, an exciting opportunity on this daughter of SAV Final Answer.

Shelly and I would like to thank our many good friends and customers throughout North America. We know you count on us and are humbled by this each and every year.

In turn, we count on you and are thankful for each and everyone of our customers old and new. This year is the year to add those new genetics to your program to position ourselves for the future and the future looks very bright indeed for the cattle industry but even more for the Angus cattle business.

In closing we also want to thank our hard-working crew. Our son Jon and main man Drayce Robertson have worked countless hours to keep ahead of a very challenging year. Our daughters Jorja and Tyra have again been a huge help in the show barn and we thank them.

Jim, our 2nd son has always been our tractor and fieldwork guy as well as a very handy fix anything type and although he has been working elsewhere as well he still finds time to help and we are thankful for this.

Jordan Phillips, Shane Conrad, Austin Conrad, Brayden Schneider and Colby Carr are people we count on when we got much to do and we thank you as well. Most of all we are thankful for our close friends and family that yes help out around the farm but also stop over for a visit in these crazy times, we all need human interaction and to support each other, it's never been more important.

Please come to the sale Monday, October 18 at Justamere for fun, fellowship and a great set of Angus cattle. The catalogue should be in your hands early October and Videos will be online @ DLMS mid October. If we at Justamere can help or any of our sales staff can answer your questions do not hesitate to call us anytime.

BW: 82 lbs. WW: 910 lbs.

We are excited about this son of one of the hottest sires in the breed. Deer Valley Growth Fund. This powerful herdsire prospect has been a favourite all year here at Justamere. He is moderate and thick on a great set of feet and legs. Docile and exhibits enough class to get noticed at the shows. His mother is a no nonsense proven Connealy Consensus daughter that has produced some great sons and daughters both at Express and Justamere. One being the very good EXAR Monumental daughter that sold in the Falls View sale to K Lazy T in 2019.

His EPD profile is well above average and he is an out cross to a lot of programs in Canada. We are planning to campaign him this fall, grab the opportunity when it's available to you.
Terms to be announced.

This bull is definitely one of a kind sired by the 2020 Supreme Champion bull HLC GQ Owned with Hollinger Land and Cattle and Nielsen Land & Cattle. His mother was at the side of her show stopping dam, Running Steady Gypsy at many shows in 2017 capped off with a Reserve Division Champion at Canadian Western Agribition that fall.

He is very clean fronted with thick top and deep rib, tons of bone and dimension and has the ability to capture your attention. He is going to be fun to develop and show.

Selling ½ interest, full possession after his show career.

It's always a tough task selecting our show heifer prospects, and this year was no exception. This daughter of maternal powerhouse Basin Rainmaker 4404 is about as fault free as we can ask one to be. We feel very strongly about her future as a new line in our EXAR Ruth 0091 cow family that has produced numerous champions and high sellers for Justamere, including the three time champion Justamere Ruth 924H, A beautiful daughter of Silveras Style owned with Gower Family Angus.

Definitely a great start to our show heifer section of SOTY 2021.

We pictured every animal in the sale this year. We feel the quality is very deep throughout this heifer calf by the Supreme Champion Bull in 2020 HLC GQ. She needs a show halter hung on her.

We are offering something unique, pure and exciting in our frozen/future genetic section this year. We have only offered for public sale flush on 2 other Angus females in the history of our Justamere Angus program.

This female has done it all throughout her very productive life. She is a proven donor female, having been flushed two times previously for 28 viable embryos.

Her natural born calves have been champions and high sellers for us and our partners.

Sired by the elite pathfinder, SAV Final Answer, a bull everyone knows is the one to go to for all important traits. Her dam, a past Pollard Farm/ Express Ranch donor female. At 11 years of age and 30 natural and ET calves registered, she is raising a beautiful May born heifer calf this year that we will hear more from in the future. The old saying goes you can't have enough of the good ones could not be more true when we think of this female.

Grab a life changing opportunity here!
Terms to be announced.

A Huge Thank You

to our partners and our hard working crew.

TEAMWORK CREATES SUCCESS!

In Loving Memory of Chris Carr

Saturday Sept 4, 2021, a day we wish we could forget, but unfortunately, we never will. Our close friend Chris Carr, passed suddenly at 53 years of age. Tragedies like this are always around all of us, we simply wanted to express our sincere condolences to Chris's family. His Mother Penny (Phil), our great and oldest friend Charlene and their children, Jessica (Jordan), Larissa and Colby, and all his other family and friends.

These damn things are hard to understand any time, however we must move on, Chris's love for life and his passion for whatever he was involved with gave us many memories to live with. He loved the purebred cattle business, the past 10 year our involvement with his wonderful family definitely grew around this. 4H was important to him as well and he was a huge help especially when the kids were all so young and we will forever be thankful for this. Our family loved anytime we could be around Chris, the many nights at the sale barn, his unforgettable laugh, his stories about growing up, his hunting and skidooring trips. Our trips together will be remembered fondly both cattle business and vacations to houseboating to Vegas to spending time at Chris & Char's cabin. Many great times full of love, laughter and passion for life.

Our love for Charlene and her wonderful family will always be here. We wanted to leave this poem shared by Charlene and ask God to comfort and support them all:

"I cried when you passed away, I still cry today, although I loved you dearly, I couldn't make you stay. A golden heart stopped beating, hard working hands at rest. God broke my heart to prove to me, he only takes the best."

Terms and Conditions

Cattle Inspections: All carry permanent identity tags, corresponding to Sale Lot numbers. All cattle shall be available for inspection prior to sale.

All Cattle Are Sold: Subject to such tests as required for export under regulations of the Health of Animals Branch, Department of Agriculture for Canada - those corresponding to Bureau of Animal Industry requirements.

Breeding Guarantee: All cattle are sound and right, and all with a responsible breeder guarantee of satisfaction. In the event of any unlikely dispute, the regular terms and conditions, standard with the Canadian Aberdeen Angus Association shall apply.

Pregnancy: Examinations shall have been conducted prior to sale on all serviced females.

Announcements: Errors discovered in the catalogue will be corrected by announcements from the auction stand at sale time and such corrections will take precedence over the printed matter in the catalogue.

All Persons who attend the sale do so at their own risk and the Owners, Consignors, Sale Management and Sale Staff assume no liability, legal or otherwise, for property loss or for any accidents that may occur.

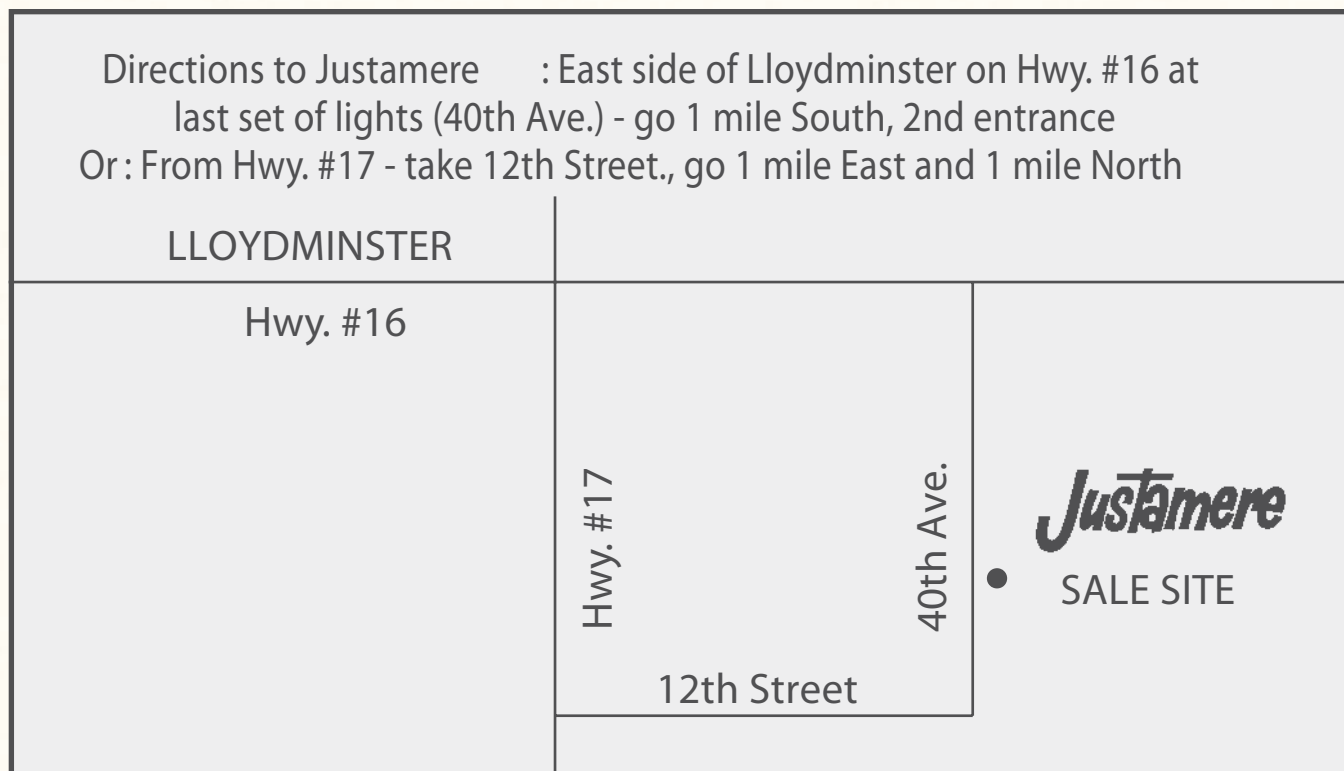

Holding and Shipments: Approximately one week is required for export transfers and other documents to be processed. Export animals will be held at no charge and under excellent care. Joint export shipping arrangements to attain minimum shipping cost will gladly be made by the sale management if instructions to that effect are provided to clerk of the sale when settlement is made.

Mail Bids: May be entrusted in complete confidence to any of the Sale Staff listed or to Justamere Farms Ltd.

Insurance: Ownership risk to purchaser commences when the Auctioneer's hammer falls. Livestock coverage will be available at the clerk's desk from the appointed representatives on sale day, also from the sale management at any time.

Terms of Sale: Are cash or cheque at par, payable to Clerks of the sale on Sale Day. U.S. Funds will be accepted at the current rate of exchange. No release will be given until satisfactory settlement has been made. We reserve the right to withhold animals from export shipment for whom payments have not been received prior to departure times.

Every Animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final.
