# Welcome...

Welcome, to the 40th edition of the Autumn Alliance. Jack and Lois are excited to be hosting this historic event. They've shown unsurpassed dedication to the Hereford breed. Whether touring the pastures or entertaining fellow Hereford breeders, they show a true passion for the breed.

Over the years there have been many diverse consignors that have helped lay a strong foundation for this sale. Today's sale partners continue to offer their best for your appraisal.

To the many friends that help out through out the year it is greatly appreciated. Randi-Lynn Hawke-LeBlanc and Faith Walker deserve a lot of recognition for all they do to keep things running smoothly here.

This years offering is a great cross selection of high quality individuals. Heifer calves are futuristic and dynamic. The bred females have proven themselves; also the MHPH bred females have not been exposed to any herdsires.

The three herdsires are intriguing with time tested maternal genetics backing them up.

Contact any of us for more information. Also join us at the farm Saturday evening to view the offerings and enjoy some refreshments.

Regards,  
*Kevin*

# From the Desk at T Bar...

Welcome to Autumn Alliance "Forty"... a historical event in the livestock industry. I don't think we can call Jack and Lois pioneers...they're not that old, but they're true pioneers of the breed and the livestock industry. As you read through the history of this great event, you can see their evolution in producing and raising great seedstock where outstanding sires have gone on to produce more outstanding sires. The late Agriculture Hall of Famer, Jonathon Fox, once said "that cattle are only as good as the people who own them"...well these folks are among the best.

Although Kevin Brown has only seen half of the Autumn Alliance years, his role as a team member of this Hereford Family has profoundly affected the program. A keen eye for cattle and great management skills, he's assisted in the growth of the MHPH program...breeding, maintaining and being a competitive "pain in the butt" for those who choose to compete against him in the show ring.

Each year the depth of the offering and the progressiveness of the breeders involved ensures that when you walk the pastures on sale morning, you'll be treated to and experience the aura of a great group of breed changing seedstock in the Polled Hereford Industry. During my visits this past summer...I can tell you I was impressed with the depth and quality that will be available on September 18th at Orillia, Ontario, right after breakfast. Whether you're "bull" hunting, looking for a competitive show girl or a front pasture brood cow... Autumn Alliance "Forty" will be well worth the trip for both the fellowship, memories and most importantly the cattle.

We, at T Bar C Cattle Co., are proud to have been a part of all forty years with Autumn Alliance. Thank you, Jack, Lois and all sale consignors for your friendship and success.

Plan to be with us as we celebrate the Fortieth Autumn Alliance Sale whether it be in person, on the telephone or online. Do not hesitate to give any of the T Bar team a call to discuss the cattle and the opportunities...we will assist you in a confidential and professional manner.

September 18, 2022, will be a milestone day in the livestock industry at Orillia, Ontario as the Autumn Alliance Polled

# History of AUTUMN ALLIANCE

Hereford Sale celebrates its 40th Anniversary. Autumn Alliance is the longest running female production sale in the Hereford breed and could well be the longest running female sale of all beef breeds in Canada. The success of this event is the result of breeder dedication and the quality of their product... countless repeated achievements in their breeding pastures and in show rings around the nation for over four decades.

were black and white (with some having color covers), internet and cell phones were nonexistent ... you needed a quarter to make a call from a phone booth, although Motorola introduced mobile phones

to the public in 1983... and Facebook was launched in 2004. During that era, it was fashionable to be entertaining and somewhat extravagant ... a sale would take two days with the first afternoon viewing the sale offering followed by quite a formal, usually catered dinner party and the sale the following day.

Take a minute and consider what you were doing four decades ago...the auctioneer and sale manager for Autumn Alliance XXXX, Chris Poley, was a budding pee wee 4H member just beginning to pursue his love of livestock. In 1980, Ted Turner debuted the first 24-hour television network, CNN. Pierre Elliot Trudeau was elected as Prime Minister with a majority replacing Joe Clark...Wayne Gretzky played his first NHL game and the USA defeated the Soviet Union in what was labeled as the "Miracle on Ice"...interest rates were 11%...USA inflation was 13.58%...the average income was \$19,500.00 ...you could buy a Ram truck for \$5,665.00...ground beef was \$1.39 per lb. ... a gallon of milk was \$1.35...gas was 96 cents a gallon...Herefords had the highest membership and registrations of the beef breeds in Canada and the Canadian Hereford Digest published monthly publications.

During this era much of livestock selection was done by frame size, so you could pick anyone out of the crowd to judge a show. Tape measures were carried to measure the height and length of the cannon bone to assist in selection and marketing. EPD's were far from development, sale catalogues

Autumn Alliance I was held on October 18, 1980, at, Uxbridge, Ontario. It was comprised of the host, L. R. "Doodie" Dale-Harris of Wotton House Farms along with guest consignors Medonte Highlands Polled Herefords, Jack and Lois McAughey and Doug and Jane Langman, Orillia; Greenbrae Farm, Robert Hillborn and Donald K Blakley, Oshawa; Greenbrook Farms, E.G. (Ted) Burton, King City; Pine Ridge Polled Herefords, Harold and Norma Forder, Port Perry, and Gerald Fortier and Real Fortin, Ferme Saguenay ENR., from Quebec. They hosted a standing room crowd for this international premiere event.

88 lots grossed \$399,625.00 and averaged \$4,541.00. Topping the sale was Wotton U81 890C Minerva 15M, a heifer calf sired by Denver Champion Victorious K47 U81 fetching \$25,000.00 for a one-half interest and selected by Harry Coates Ltd., Costhorpe Polled Herefords, Cosby, Leicester, England. The top selling yearling was consigned by Greenbrae Farms and guest Donald Blakley, DKB Enforcer Viva 28L sired by Hawley Enforcer 107H. She was purchased for \$13,000.00 by a new starting breeder, George Hervey, Kilmorlie Farms, Bradford,

Ontario. The female became a foundation donor female for Kilmorlie Farms producing 1087 progeny including Kilmorlie 12P Steel 359S who was Canadian National Champion bull at Canadian Western Agribition in Regina. The second high selling heifer calf was consigned by Medonte Highlands Polled Herefords with MHPH Miss Justa V 309M sired by Will Via Justa V (Jogger) and selected by Greenbrook Farms for \$7,400.00.

Wotton House Farms hosted the sale through 1983. That year another great donor female was discovered at Autumn Alliance. Wotton Enforcer Nocturne 29N, sired by the Gold Trophy sire Hawley Enforcer 107H was selected by Don Jarrett, Ponderosa Ranch, Maidstone, Saskatchewan for \$26,500.00. She went on to be a foundation female and a highly successful donor for PRL. Medonte Highlands consigned the high selling cow/calf pair fetching \$11,600.00 with a daughter of PRL 394E Justus 387J selected by Grosvenor Park Securities and her Gold-Bar Godfather heifer calf at side going to DR. R. Sawyer, Russellville, Kentucky.

In 1984, the Autumn Alliance host venue moved to Medonte Highlands Polled Herefords, Orillia, Ontario and at that time Ross Hiles was the herdsman for Jack and Lois. The sale date was moved to the third week of September, coordinating the "Ontario" weekend with Onondaga Farms, St. George and featuring the high sellers of the day. Some of the highlights through those early years included MHPH Madonna selling for \$18,750.00 to Australia; MHPH MS Raceway for \$18,000.00 to Missouri and MHPH Fifth Avenue to the Fifth Avenue Group for \$17,500.00.

had viewing of the cattle, along with refreshments and music and was followed by Sunday breakfast in the barn, which has become an Autumn Alliance tradition to this very day. In more recent sales the "picture on the lawn" became a tradition

From 1994, and through 1998, Autumn Alliance was hosted by May Meadows Polled Herefords, Elizabeth May, Edgar, Ontario. Autumn Alliance returned to Medonte Highlands Polled Herefords at Orillia in 2000, becoming the permanent home for the sale venue. Over the four decades, there have been many guest consignors...high quality, enthusiastic breeders with small progressive herds. These breeders did not have the numbers to host their own event so Autumn Alliance has been a marketing venue for their breeding stock... no different than those in 1980.

On July 1, 2001, Jack and Lois took a monumental step by hiring Kevin Brown and along with his added skill and acumen of the livestock industry, Medonte Highlands and Autumn Alliance became a source for some of the finest Polled Herefords around the globe. Many records have been set only to be broken the following year.

Autumn Alliance in the last two decades has been a highly regarded source for herd bulls in the industry. It is quite ironic that for those who know Jack, in founding and building the Medonte program, he would want all his calves to be females "We have a limited bull market... not like the guys in the west." Well, his ideas started to change at Autumn Alliance XXII and really changed by Autumn Alliance XXIV.

Autumn Alliance XXII - grossed \$223,475.00 and averaged \$3478.00. The start of the herd bull phase! Autumn Alliance XXXX September 18th, 2022, will be an opportunity to be a part of history.

Autumn Alliance has been and continues to be a source for elite seedstock. The folks at Medonte have been leaders through the thirty-nine years and great supporters and ambassadors of the breed. Over the past two decades, Medonte Highlands Polled Herefords, have bred and supplied many sires that were and are very influential in moving the

breed and the beef industry forward.

Over their history, Medonte Highlands and the guest Autumn Alliance breeders have been very competitive in the show ring.

An amazing track record, been named...

Premier Exhibiter 7 times

Premier Breeder 6 times

Breeders herd 6 times

The Class winners and divisional champions are too frequent to mention.

# Chula Vista Polled Herefords

1131K is out of our foundation cow, SWDG 3A that we purchased from Stonewood Grange. We now have a family of cows directly mothered by 3A. This calf is exciting. She is very well made and showable and will be easy to find on sale day. Her sire is Empower who has done a superb job for us. All of our entries in this sale are 100% guaranteed to be free of all currently known genetic defects. This calf is front pasture material and should be considered the start of a new cow family for her new owner.

113K is out of a daughter of SWDG 3A. This cow family never misses. Our 2022 calf crop makes us very proud. This female has all the parts in the right places. Her mother has a really good udder with loads of milk. This calf will not disappoint you. Our opinion is that this calf could easily be competitive on the show road. She will be a very sound future investment.

This female is out of a highly productive cow we purchased from Blair Athol. DVL 84C has a beautiful square udder with small teats and is high on milk production. We used Empower heavily and are happy with the results. This calf is also very well made. She will be a future noteworthy cow. Don't miss her on sale day. Buy her with confidence, you will be glad you did.

228K is a beautiful calf. Remember that this calf is one day away from being a March calf. She has plenty of size and shape for her age. Her dam is in a cow family that has been around for a long time at Chula Vista. Her mother and grand mother will stay here for the foreseeable future. We believe that this calf will be a great cow and will be profitable for her new owner.

This bred yearling is right out of our pasture with no extra feed. Bred April 26 to Bar JZ Buccaneer 210F. This female is big and strong and desirably constructed. She will make a very good cow. Check out the notable cattle in her pedigree. Also, her EPD's are very well balanced. This female has black ink written all over her. We think she is a no miss female.

The sire needs no explanation other than he is out of the exciting Riesling dam and was bull calf champion at Agribition for Harvie Ranching. Typical of our Cartel heifers, 112K is stout and deep bodied while maintaining a super fancy front end. We thought enough of 112K this spring that we made a last minute decision to flush her dam. Her 4 year old sister 8404F, also pictured, was Jr Calf Champion at Agribition and has quickly become a favourite in the cow herd.

I have loved this girl from the minute she hit the ground. 4K is very long bodied with that deep look to her. She is sound structured and gets out on the move with ease. She is feminine fronted with added pigment. 4K's dam has quickly risen to the top of our donor pen. She has tons of mass yet carries her femininity throughout. 4K is sired by the ever-popular Frontier 174E. Semen on Frontier is hard to come by so don't miss your opportunity to get your hands on a direct daughter.

The Crittenden Tahoe dam of this heifer always raises a good one. The sire of 19K is Remittal Forbes 153 ET, a full brother to both We The North and Vortex. She is powerful yet feminine and will make a productive cow.

## Terms and Conditions...

### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

### CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

### PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

### HEALTH:

All animals in the sale have met all necessary health requirements.

### GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness. The Autumn Alliance consignors stand behind any animal sold in this sale

### PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

Lisa, Cole and I would like to thank Kevin, Lois and Jack for allowing us and our partners to be part of their 40th sale...Wow 40 years! What an accomplishment, Congrats!

We don't have a large number of cattle but we do have power cows that are efficient and know how to convert grass to pounds.

When Karl and I talked about flushing Hannah we wanted to put some horned blood into this massive bodied female. Our search led us to CL1 DOMINO 5110C as his dam is the legendary CL1 Dominette 055X cow, one of the greats of the breed.

Owned with Shady Lane Hereford Farm

**Offering 3 grade A exportable embryos out of two maternal powers.**

### LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. ### DELIVERY:

Will be provided at cost and at the buyer's option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold; therefore, buyers are urged to insure animals for full value. An insurance salesman will be in attendance.

### PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.
