

Welcome to what we are calling "Take the Final Step Sale." It is time to make some change! It will be 3 years this October that Tina was diagnosed. It will be 3 years in April, when I got the news. After numerous surgeries, chemotherapy, and radiation treatment we have both been given the good news of no more doctor visits for the foreseeable future.

We found out this spring that we cannot operate the way we want to. We have had tremendous support from family, friends, and neighbors, but that cannot go on forever. To all those people, we cannot thank you enough. Thank you to each one that has been here for us.

Over the past winter and this spring, we marketed 60 breeding females, mostly through the auction mart and a few privately. This due to drought and the feed shortage across the prairies.

It became evident early in the breeding season that Al'ing was not going to be an option. I had surgery in January and had been in and out of hospital for several weeks. Tina had a total knee replacement in April and was out of commission for over 2 months. Neither of us were able to check pastures properly and no feed to get them moved out of the hills and easier to find. Our best choice was to get the pasture split and the bulls out. We have great confidence in the herd sires as they were all seasonal breeders. The herd bulls are being retained at this time as we sort thru what Kurt and Cassandra need for bull power.

At this point we need to acknowledge and thank past and present consignors to our sale. We could not have done this all these years without each and everyone. Bob Bestrop, Beth Walter, Doug & Jayne Troop, Chad & Carrie Nicholas; Dough & Wanda Mann, Randy & Karen Wagner, Ernie & Marg McDonald. A heartfelt thank you.

Twin View, Ernie & Marg, Ken & Janelle are joining us this year with a quality consignment from their functional herd. Chad & Carrie, Rand & Karen have opted out this year. Doug & Wanda are holding their own reduction sale in December.

C&T are retaining show rights through CWA on several calves. That list will be available sale day.

Tina says she needs to go one more time to see what its like to walk on two good knees.

I bought my first purebred 60 years ago. C&T came into being December 1989 with the purchase of a bred heifer from Rafter U at the Southeast Sask. Hereford Show and sale in Arcola. How the years have flown

And our Riders. They are like the weather these days. Hot one day and cold the next. We still find time to take in the games. Like Tina says, it really sucks leaving the stadium dragging our big foam fingers. We are not selling our Grey Cup tickets. It's always one game at a time with how things change in the CFL. You need to believe!

Please join us on the 15th. Look over the cattle. Have supper and refreshments. Be sure to contact sales management and any of us for more information if you have questions.

See you down the road.

From the desk at T Bar...

Welcome to the "Final Step" Polled Hereford Sale, on October 15, 2022, at 5:00 P.M. at Right Cross Ranch Sale Facility, Kisbey, Saskatchewan. This annual event was originally penned the "Next Step", the founders, Chris and Tina are offering the elite members of their cow herd...a decision made only for health reasons. These great folks have been and continue to be cornerstones of the Polled Hereford breed and the livestock industry.

We, at T Bar, have assisted Chris and Tina from the start of this annual event in addition to the spring bull sale which was started the month BSE hit Canada.

This dedicated couple are the epitome of strength and determination as both have battled illness together...driving to Regina is commonplace...I am sure they could make the trek blindfolded. But throughout the past three years and with the help of family they have battled to maintain presence in the industry and continue to breed top seedstock. In addition to running a ranch under the duress of illness, Chris as President of Canadian Western Agribition worked diligently through the pandemic for Agribition to host the 50th Anniversary show and celebration...quite an achievement.

Events of this caliber are windows of opportunity for members of the livestock fraternity. Only in these types of dispersals can one select from the strongest most prolific cow families...families with a track record and proven through production. Although the show and the annual sale cattle get some attention, this cow herd is run on the slopes of the Moose Mountains...ranch raised whether pastures are lush, or drought ridden. No doubt the young cattle will be a feature as several bull calves are tremendous herd sire prospects and the heifer calves will be headliners... the diversity of genetics will fit budgets big and small...there will be something for everyone.

Ernie and Marge from Twin View come to this event with a powerful consignment...they had an outstanding show at the Manitoba Field Day in August.

Plan to make the "Final Step"...in the middle of the Sweep "Steaks" weekend and an opportunity to acquire seedstock built with six decades of experience. Stop by C&T any time prior the sale and preview the offering or give Chris, Tina, Ernie, Ken or Janelle a call to discuss the cattle and the opportunities that will work for you.

Feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

Our lucky day when we stole her out of the ANL sale...little bit of a lineback and twin to a bull. She has never missed dropping a good one no matter the mating. She really should go into a flush program. Big, deep, soggy and perfect udder. Always holds her condition even through some tough years.

AKA Red Bull here at C&T !!

We went looking for a herd bull with muscle mass and pigmentation. We found him in the RSK show string at CWA 2018 and bought him in Andrews bull sale in the Spring of 2019. He has lived up to his nick name in spades! We have added the dark color and pigmentation we were seeking. His progeny are impressive and are just starting to really make their mark. Both in pasture and the show ring. Impressive EPD's add to his strengths.

Notes:

Terms & Conditions

Terms

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health

All animals in the sale have met all necessary health requirements.

Guarantee

As this is a dispersal sale, all cattle sell with no further guarantee. Any known defects will be announced before the cattle are sold.

Pregnancy Information

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

Liabilities

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co.(2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance

We strongly recommend that insurance is purchased for full value.

Export

All costs incurred with exporting cattle to the United States will be the responsibility of the buyer and will be charged at cost.
