Welcome to the 2022 Canadian National Hereford Sale, December 1st, 6:00 P.M. at Canadian Western Agribition, Regina, Saskatchewan. Agribition has always been the landmark for superior Hereford seedstock... over the past half century, visitors from Hereford countries of the world have viewed and selected Canadian genetics for the betterment of the breed on a global scale.

The 2022 sale lineup is exciting with unlimited opportunities to enhance your breeding program and move forward as we enjoy a strong, healthy cattle market. "Buy them where you can find them" a phrase used by an old timer. The statement applies to the outstanding lineup of bulls for this great event. Selected from leading operations, this offering is diverse genetically and powerful phenotypically. What an opportunity to acquire your next herd bull and watch him compete on Friday. The female division is deep in quality, genetics and many of these females will be donors on down the road. The 2022 calves make up a star-studded cast, competitive for juniors of all ages and after their show career make front pasture foundation females. The flushes and picks are geared for the future while the frozen section offers unlimited ways of moving your program forward. For those who hate sending their profits to our nation's capital, the CWA sale can help you improve your breeding program and bottom line.

Plan to be with us for the 51st Canadian Western Agribition for a few days of fellowship and a great group of Hereford seedstock. Feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

His sire Evolution is a two time Ontario Show Bull of the year. The dam of Evolution is none other than Nita 226B who has become an efficient producer of high quality offspring. A maternal sister was a past high seller at the Fallsview sale, going to Anita Dokter. Another maternal sister was selected by Abby Hill Farm at last years Fallsview sale. Nitta 226B is a daughter of National Champion Nita 1112R making her a maternal sister to National Champion Umpire who's daughters are still in high demand across Canada. The dam of Hobbs is none other than the 2013 World Champion, Danity 205Y. She was also the 2013 National Champion Female. Simply put, this cow raises noteworthy herd sires, namely Action, Chizel, Chase, Captain, Gunfire and Kodiak. All these maternal brothers to Hobbs have seen service in purebred herds from coast to coast. This is a unique blend of 2 dynamic families known for superior, predictable genetics. Hobbs himself is agile, clean jointed with a big foot, elephant sized capacity with a titanic hip. Mass, muscle and presence are descriptions that have been used to analyze Hobbs.

Selling 1/3 Intrest, Full Possession. Medonte and Dorbay have a bank of semen on him.

Refresh 118K is a powerful individual packed full of muscle and performance with an eye appealing profile. Marked right with full pigmentation, a great hooded eye set and a herd sire shaped head. The cows behind him are some of the most dynamic currently in the breed. His dam Belle 45F is a two time Agribition Grand Champion Female and 2020 Agribition Virtual Show Supreme Champion Female over all breeds. Her first son, Remitall-W MPPH Justice 2H has become a super calving ease sire. His grand dam Belle 36B was the 2016 Agribition Reserve Champion Female and is the dam of six major herd sires Haymaker 35H, We The North 83G, Vortex 84G, Forbes 153G, Aftershock 59F, Braveheart 101H and two up and coming young stars Full Force 130K and Big River 192K. We invite you to join with us in this great future herd sire prospect Refresh 118K. **Selling Half Interest.**

Robyn 44H is a female we are very excited about and certainly look forward to adding to our donor program. Her sire, Royal 24E, is proving to be an exceptional breeding tool in siring high quality bulls and leaving some exceptional daughters. Robyn is a big bodied easy doing female with exceptional milk flow and udder quality. The fundamentals are all here with this one! Her first show out was the recent Brandon Ag Ex where she was crowned Champion Female.

Terms of Flush: Selling the right to one flush. Guarantee of six #1 transferrable embryos with no limit. If less the amount will be prorated back.

Champion Hereford Female - Manitoba Ag-Ex 2022

LOT 306

FLUSH

Sassy 145J is the most exciting female we've worked with at Blair Athol up to this point. She's been extremely competitive in the show ring so far this summer, winning her division at 8 shows and going on to be Grand or Reserve Overall at 4. She's a full sister to Crush 156H who walked at Blair Athol last summer. This heifer looks to be everything we need. She's deep and stout but still very refined through her front end, and cosmetically perfect. The first flush opportunity on this great female will be available in the Agribition sale, we hope you will like her as much as we do!!

Terms of Flush: Selling the right to one flush. Guarantee of six #1 transferrable embryos with no limit. Terms ½ sale day, balance after successful flush.

COPPER CREEK RANCH**

C 4212 Black Hawk 7057 ET
- Paternal Grandsire

We are offering choice of two Roll The Dice-influence females. A granddaughter to Roll the Dice, CCR 115K is one of the most promising females we've bred to-date at Copper Creek Ranch. She is big-league competitive in all that she has to offer in her sound phenotype, with her extra femininity and eye appeal, her rib capacity, body length, massive hip and muscle shape. This heifer also has the influence of our influential herdsire BlackHawk 7057 whose phenotype and carcass number profile has added growth, muscle, length, fertility and eye appeal to the CCR herd. Semen is not available for sale but you could add 7057 influence to your herd through one of his granddaughters. Believe us, his influence is very predictable. We purchased 115K's grandmother – KKL 25A from the Lischkas of ANL Polled Herefords. She was in our donor herd until we lost her after an injury but this cow demonstrated tremendous femininity and soundness with perfect udder conformation. Lady Luck 115K was named Heifer Calf Champion in the 2022 *All-Breeds* Futurity show at IPE (Interior Provincial Exhibition) and was 1st in class in the IPE Hereford show. Each of these heifers offer do-ability and a tremendous hair coat.

LOT 309B

CHOICE LOT

CCR 36K is a direct daughter of Roll The Dice whose maternal granddam is in our donor program and is still a productive cow at 13 years of age. CCR 36K, her dam CCR 30E and her granddam CC 261W, have a flawless phenotype, with a tremendous foot under them and sound udders. This cow line demonstrates growth, balanced with thriftiness. Roll the Dice himself contributes tremendous structural correctness, shape and balance to his daughters. He is a “beast” in the Hereford breed in terms of his soundness, completeness and eye appeal. Our daughter Cayley discovered this bull in her travels in the U.S. and when we first saw him in person, I literally got choked up seeing such a “close to perfect” beast. Libby 36K has an exceptionally sweet disposition and would be great as a junior show prospect! CCR 36K and CCR 115K are two of our 2022 calf crop standouts.

This heifer calf is a popular standout in our 2022 showstring. She is the culmination of one of our favourite cow families and of our favourite herdsire on the ranch to-date, making her a sure bet where predictability is concerned. She's got "pretty" AND "broody" covered. We think she is destined to be a donor female. She is a tank, has great length and a great hair coat to-boot. Both maternal and paternal lines have produced great udders. The Princess females have exhibited do-ability and have had been great producers, even as young females. We are excited for this young female's future.

CCR 53G - Maternal Sister

A favourite from birth, our donor cow, Revolution daughter CCR Donna 23B, has come through for us again with this standout heifer calf, easily one of the top 2022 heifer calves in the herd. We featured this cow family in our Visions 2021 production sale in which one of 49K's maternal sisters sold to Allan Marshall of AXA Polled Herefords, for \$12,000. A two-year-old maternal sister sold for \$8,000 to Bill Redrup of GreenMantle Farm. This calf has exceptional eye-appeal and femininity, with a proud look about her and tremendous shape and volume. She is quite long-sided and is solid, right down to her very predictable cow family, which is one of our favourites on the ranch. Her maternal brother is featured in our 2022 showstring and a second maternal brother, owned by Hirsche and JK Fraser Cattle, is featured in the Hirsche production sale.

HEIFER CALF

RSK FARMS PICK OF THE ENTIRE 2023 HEIFER CALF CROP

Including all natural and ET heifer calves!

We have offered many top heifer calves over the years, but the opportunity to come into the herd and pick your favorite before anyone else is truly a jackpot. The lucky buyer of this special lot will get to select from a possible heifer calf crop of around 50-60 heifer calves. This will include daughters from our ET (even purchased embryos) and AI program. The sire groups represented are truly amazing including: RSK 173D Command ET 91H, RSK SCK 7165 Double Down 30H, BR Belle Air 6011, H WR SUSTAINABLE 5511 ET, RSK 695D, Pit Boss 101H, NJW 139C, Balance 207H, H RW All In 7165 ET, RSK E 2046, Digby ET 20C and many more. These heifer calves are backed by working cattle that will be productive and marketable, as well as contend in the show ring. This incredible opportunity lets you pick from some very functional cow family's as well, including: the "Sage", "Nellie", "Tamara", "Firefly", "Xkeona" and "Princess." Our herd are true beef cows, developed over generations of sound breeding, elite genetics and balanced traits. Many heifer calves that have sold before have gone on to win banners, become donors and raise tremendous calves. Just look at last years CWA National Reserve Champion Female, RSK 695D Miss Sage 26H who was sold as a heifer calf in the 2020 RSK Farms EG Sale. The quality runs very deep in this offering, buy with confidence knowing that you will get a great one!

Terms: Buyer will complete their pick by July 1, 2023. Half down at sale and half at time of pick. RSK Farms will reserve the right to one future flush at our cost and the buys convenience.

Rita 12K is a heifer that grabs your attention with her flashy look! She is big ribbed and real deep. These Authority's look like they are going to be some real functional cattle. We thought enough of her right from the start that we bred her mom back the same way. This heifer is at the top of our list.

Rosetta is one of those heifers that combines everything you look for in a female into one great package. She comes out of the AKJA 58C who has had some powerful offspring such as GHC C5 Attention 155E who is making a mark in the Hereford industry. This heifer is going to do the same as we believe she is going to become a powerful female either in the show ring or in the pasture. We were so impressed on this mating that we flushed the cow, therefore, that is the only reason as to why we are offering Rosetta. She is one to keep a close eye on at Agribition as you don't want to miss out on her. **Reserve the Right to a Flush.**

This last minute offering was a hard one to make. HMS Hi-Cliffe 901 Kore 23K has been our favorite from day one. She has the eye appealing traits of her dam being beautifully marked, smooth shouldered and wide topped. While her sire completes the package with structure and frame. Her dam and sire complement each other giving attractive EPDs. We are proud to offer Kore at the 2022 Agribition sale.

Reserve the Right to a Flush.

Dam of Tlell 504C Gene Seeker 3J who saw use at Tlell this spring. She is sired by our foundation Red Cedar bull from an embryo female we purchased from Cayley Brown. We showed 102E with Gloria 4G at side to Supreme Champion Female over all Breeds at 2019 Lakes District Fair. 102E is a Hometown 10Y from the 2014 Miss Hereford World who was also CWA Grand Champion Female, like her mother before her! Love this cow family, expect breed changing results from these calves!

Exportable embryos are qualified for EU, USA and Australia as well as many other World Hereford member countries. Embryos are stored at Greenbelt Veterinary Services Ltd., Chilliwack, BC. All shipping costs are responsibility of purchaser. Selling three grade one embryos with guarantee of one pregnancy per package if implanted by a certified technician.

Ginger 19G should have been shown as a mature cow this year. Her pedigree is built on nine generations of Tlell breeding and is a who's who of outstanding AI sires used to produce breed leading phenotype and performance. Admire her for her pigment, femininity, herd leading udder and teat confirmation, length of spine, performance and docility. Don't miss this opportunity to take your herd to the next level. Blueprint combines exceptional phenotype with breed-leading genetic predictions all in one impressive package. He is one of the most unique bulls to come to the forefront of the breed

Les and I were at the Denver Stock Show in 2003 when C NOTICE ME ET started it all for this Colyer cow family. It was one of those moments you never forget, so nearly twenty years later we had the opportunity to buy into this family when we purchased Notice Me 85G from Copper Creek. At \$17000 she was second high seller of the day and we are excited to see what she can bring to our program. KCF Acclaim may be the best Encore Z311 son available. Sound structured, big bodied, large testicles and one of fastest growth bulls with huge birth to yearling spread. Knoll Crest Farms considers his dam a neat uddered, feminine young cow.

Exportable embryos are qualified for EU, USA and Australia as well as many other World Hereford member countries. Embryos are stored at Greenbelt Veterinary Services Ltd., Chilliwack, BC. All shipping costs are responsibility of purchaser. Selling three grade one embryos with guarantee of one pregnancy per package if implanted by a certified technician.

TERMS AND CONDITIONS...

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations

to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
