

Canadian Western Agribition

CHAROLAIS SALE

DECEMBER 1, 2022- SALE TIME 3:30 PM
REGINA, SK

FROM THE DESK AT T BAR C

Welcome to the 2022 Canadian National Charolais Sale at 3:30 P.M., December 1st hosted by Canadian Western Agribition, Regina, Saskatchewan. To compliment this feature event, we present an outstanding offering of Charolais seedstock opportunities from the breed leaders in the industry.

The sale lineup is dynamic, futuristic, and exciting in all categories... seedstock that will make their mark in years forward in this sought-after breed by breeders and commercial cattleman alike. As you scan through this catalogue the opportunities are endless whether you are looking for a donor or embryos from a proven donor. The 2022 models are of a highly competitive nature and with the show on Friday, December 2nd you will have the opportunity to purchase your selection and be a part of the competition. Whether you are looking at the picks, the frozen genetics, or the live lots, you can be assured that the selections in this event come from leading breeders with very successful programs.

Plan to be with us on Thursday, December 1st for the "CWA Charolais Sale" where quality, excitement and opportunity come together. Feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

 STEPPLER MISS 124E
 STEPPLER MISS 251B

Here is one special lot from us here at Stepler Farms, Stepler Gabby 546H. When we look at a female, the fundamentals have to be in place. Gabby hits all the marks for us. She has that perfect foot, a cattleman's udder, correct structure and a huge rib cage. Take a look at her pedigree, its backed by maternal powerhouses; Seminole, Braxton, and our Fort Minor cow 140U. She had a very successful show career as a bred heifer and now she's about to hit the fall show road with her WC Whiplash 8298 P bull calf, Timber. This female has donor written all over her and the opportunities are endless. She is bred to our new exciting red factor bull, Pro Char Diamondback 113H. This cross will add that added performance that the Charolais breed is known for. Exposed to Pro Char Diamondback 113H from May 14 to July 7, 2022. Observed bred May 18, 2022.

HTA VEGAS 134Y
PRAIRIE COVE MISS 309A
 PRAIRIE COVE MISS 911W

This heifer has been a standout from the start! She has lots of depth, is super stout and has a beautiful head. She gets out and goes along freely and has a super disposition. We think Faith speaks for herself, but the pedigree can do some talking too, with the power house donors 309 and 409 - this heifer calf reads production from top to bottom. The 309A female has been outstanding for us, she won shows as a young cow and has raised many high selling calves. To top it off she averages 25 embryos per flush. The first report cards on the Trust bull give his calves an A+. In the herds that got a chance to use Trust he has produced top calves all across the country. We think with this stacked pedigree and plenty of fertility Faith is a future donor. We would like to retain a flush at the owners convenience.

 PZC DINA 08 ET

Bred in the purple SVY Dina 221K will absolutely stop you in your tracks with her amazing good looks, being elegant and refined about her head and neck that comes out of her shoulder in a high and graceful manner. From her pleasing and attractive look Dina 221K explodes into a massive center body with great dimension and sweep to her ribcage, all balanced up with the desired stoutness and strength the truly great ones possess. Her abundance of soft, straight hair and perfect teat size and placement further adds to her credibility as a breeding piece. SVY Dina 221K pedigree reads as a who's who of champions with her dam being an M&M Outsider daughter out of the Denver Champion female PZC Dina 08 ET. Her sire SVY Mayfield owned with Cay's Cattle is one of the most exciting bulls to come from our program and has hit it out of the park with his first calf crop with his progeny displaying his impeccable build, soundness of structure, stoutness and great look. We feel SVY Dina 221K has an incredible future in both the showring and donor production, she's one of the real highlights we've ever offered.

Coming from the heart of our embryo program, Katie is a female we admire for her capacity and softness. Her dam is attractive from every angle, is chisel fronted and has superior udder quality. She was the lead of heifer calf in our Volume II Female sale. We are excited about the first Honky Tonk prodigy. Our Agribition show string is full of his sons and for good reason. This female is donor quality and could work so well with different pedigrees. We wish to retain a flush at our expense in the future. If you are wanting to make a mark on this breed, here is one that we feel will leave an impression for years to come.

DF MS Monte Carlo 043H

TMJF Beryle 447B

What an exciting time in the Charolais business, and after such a stellar fall in 2021, we are back at it, bigger and better than ever!! We were fortunate enough to implant 121 embryos last spring with an approximate conception rate of 66.3%. These matings represent the who's who in Canadian Charolais, and you can buy in confidence knowing which ever heifer calf you choose will be a home run. A sample of these matings include feature sires such as Duty Free, Hulio, Ruger, Trust, and Bourbon. Featuring our most prolific donor dams, photographed here. Half payment down sale day, the rest on selection by August 15, 2023.

The reason we are willing to give up one of these tremendous females, is the fact that we have three fall born full sisters, and three full brothers. Both females are powerful, sound individuals with excellent temperaments. Our 8 year old daughter leads them around and works on them without worry. Their dam, Whitewater Halo 4H, has proven to be a fertile, productive, beautifully uttered female who raised a top end bull calf in our current bull pen. One of the most unique things about this lot is their pedigree. These flush mates are out of the outcross JMAR Benaiah bull. His EPDs, carcass, and performance put him right at the top of the breed. Currently, Benaiah has not been collected for export to Canada. This makes these two females a very exclusive breeding package. **Retaining 2 IVF flushes on the individual chosen. Min of 8 embryos.**

PICK OF THE **BECK FARMS 2022 HEIFER CALVES**

Beck Farms is pleased to offer pick of our heifer calves to the 2022 Agribition sale. With over 80 heifers to choose from there is something for everyone. From show heifers to future brood cows that can thrive in any environment. Sires represented include Braxton, Marksman, and Charm as well as outcross sires Fairplay, Legacy and Honor. With CCYA in Brandon in 2023, this is one offering that should not be overlooked. Selection to be made by January 1, 2023. If the buyer chooses, the Beck kids could get the heifer ready and deliver her to Brandon for your junior to show.

Sweet as Caramel! We are excited to offer one of our very best right from the top of our replacement pen. Caramel is the type of female we strive for, she's long and powerful without giving up any femininity. She's the kind of female that draws your attention as soon as you enter the pen and if her looks don't grab you her sweet personality will. Caramel is sired by the one and only LT Patriot, a bull that needs no introduction. Our Patriot calves have been nothing short of impressive and with limited availability in Canada opportunities like this are hard to come by.

Megan and I are extremely excited, and honoured to make the Agribition Charolais sale our first ever consignment sale. Being it our first sale we have dug right into the heart of our breeding program to bring you a Gangster daughter out of a young and exciting Diesel Cow. In 2022 we had our first crop of Gangster calves and are we are very impressed with the power and performance that came along with the calving ease. 3K is out of a two year old Diesel cow that goes back to JMB Fisher, we love our Fisher daughters for their longevity, as well they bring beautiful udders and correct structure. We have had a lot of successes crossing Diesel with the Fisher females, giving us an outstanding group of young cows in our herd. Since early spring Elsa has been a stand out in our group of heifer calves. Elsa was the heart and sole of our junior show string all summer and fall, and would make a great heifer for 2023 CCYA in Brandon, MB. We look forward to seeing everyone in Regina and showcasing the best we have to offer.

What an intriguing opportunity here with these two lots. LT Brenda 2184 is a member of one of, if not the, most famous cow family in the Lindskov- Thiel herd. 2184 and her mother 8034 have not only commanded top dollars when ever offered for sale, but the proof of their worth is in their offspring. The year LT Nationwide burst onto the scene, he and 12 of his brothers averaged over \$13,000. This spring in the Lindskov- Thiel annual bull sale, another LT Badge son out of 2184 brought \$36,000. Recently, a LT Badge son brought \$20,000 for NextGen Cattle company in their fall bull sale out of 2184. We are offering 3 LT Badge 9184 X LT Brenda 2184 embryos. Badge was a previous \$105,000 high seller from the 2020 Lindskov-Thiel bull sale, purchased by Next Gen Cattle company, Satterfield Charolais, and Link Charolais. Guarantee one pregnancy if implanted by a certified technician. Embryos are stored at Bow Valley Genetics.

When we were given the opportunity to consign in the Agribiton Sale, we wanted to offer a genetic opportunity that would produce great ones, and here it is. The first ET siblings to this package were campaigned at the 2022 Sydney Royal show, coming away with Junior Champion Charolais female and a top 6 Supreme All Breeds Junior heifer qualifier, Reserve Junior champion Charolais bull as well as the dams and sires progeny group classes. From this team a 13 month old heifer calf was sold for \$15000 AUD privately and a 11 month old son sold in our 22' sale for \$22000 AUD. Naughty But Nice is one of our leading donor females in the herd. Her current ET calf crop are again, nothing short of great. As a two year old she was sashed Supreme Charolais Exhibit at the 2019 Adelaide Royal Show. Her first calf, Venturon Clementine 11 was sashed Supreme Charolais exhibit at the 2021 Perth Royal Show and has since joined the donor pen as well. Naughty But Nice is a homozygous polled female who appeals for her overall refinement, structural correctness and udder quality. Duty Free is a sire who needs no introduction, with sons selling to leading herds. Here's your opportunity to tap into a homo polled out cross female and one of Canada's most exciting, proven sires. **1 Guaranteed pregnancy per package if implanted by an accredited technician. Canadian qualified. Embryos will be freighted to ALTA in Canada.**

No regrets adding WGD Ruger 8J to the SOS line up, and when you see him at Agribition I am sure you will agree! Ruger was used heavily in 2022 and will dominate the AI pen again in 2023 and for many years after. This Ransom son was our pick of all that sold, and he definitely checks all the boxes: Homo Polled, cow family, eye appeal, and sound to the ground. We believe these semen packs will pay huge dividends and this will be one of the last opportunities to get in on the ground floor.

TERMS AND CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais Association, unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the appropriate breed association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
