Welcome

FROM THE DESK AT T BAR...

Welcome to the 2022 edition of the "Good as Gold" Polled Hereford sale on November 19th at the Keystone Centre, Brandon, Manitoba. This year's event comes to you a couple of weeks early...but the blame can be put on The Saskatchewan Roughriders who are hosting the "Grey Cup" and the Winnipeg Blue Bombers who will likely win the coveted award.

"Good As Gold" is presented to you by the new generation of Hereford Breeders from the province of Manitoba. For the most part these young cattlemen are dedicated to the livestock industry and the Polled Hereford breed. For many, this is their production sale as they put forth individuals and genetics that they feel will enhance production in the livestock industry.

This is an exciting lineup in the various categories, "Good as Gold", is an event not to be overlooked. The herd bull prospect division is diverse in phenotype and genetics and designed for 2023. The 2022 models of heifer calves will fit any age program and the bred females with their early A.I. services will be just months away from giving you a coupon.

Congratulations and thanks are in order. Congratulations to the Manitoba Hereford Association on their most successful field day... it ranks among the best this year. Thanks to Ernie, Marge and the gang at Twin View for their donation fundraiser in aid of the association...this heifer is pretty darn good.

Never more than now, has there been a need for "white faced influence in the livestock industry. For those who have been to a sale barn lately.... check out and see what the baldies and buckskins are fetching!

Plan to be with us for "Good as Gold." Whoever wins the "Grey Cup" will only matter for that one day...your selections at "Good as Gold" will affect the years ahead. Feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

The MHA along with the CHA is committed to increase the demand for Hereford, Hereford genetics and Hereford influenced cattle with genetic evaluation programs and marketing strategies that enhance the acceptance of the breed. The MHA promotes on a provincial level the Hereford breed through events such as the MHA Field Day, MHA Shows and Sales and Commercial promotion at stock yards through Hereford influence sales.

Dezi is fancy, feminine fronted, long bodied, and dark cherry red. She is sired by our popular home raised "Jason" Moomooaa Bull 95G and has some good numbers to back her.

One of the stoutest and thickest calves we have ever raised. Dark red and short marked. Sired by our performance sire Gunfire whose calves continue to crush the scales at weaning. With an 86 lb birth weight this meat wagon will land 'em light and wean them solid. His Rib Eye sired dam is a great milker and also raised our Good as Gold bull last year.

We purchased Authority semen from River Valley and wished we had purchased more. The calves hit the ground running and continue to impress all summer long. There is a lot of thickness to these calves, adding pounds in the fall. 223K comes from a family that has longevity, docility and efficiency. 223K comes from a dam with a near flawless udder at 10 years and is easy doing. This calf will be interesting in the spring.

Dark red and goggled eyed out of a top notch 2 year old. This heifer has really started to show her potential power and elegance. With the extreme spring weather we had this year, we culled hard on our heifer calves, but we still wanted to offer up one of the top replacements that made the cut to stay. We bought her mother as a calf from Keith Troop through GAG and she has turned out excellent with a beautiful udder. The future is bright for this young cow here on the farm. RSF 18K will be a fun one to take on the show road next summer. Cupcake is Kira's pick of the heifer calves and she will gladly tell you why.

If you like them dark, moderately framed and loaded with eye pigment, look no further than this powerful young female who has lots of potential ahead of her. She comes from one of our top producing cow families, known for broody cows with plenty of milk, great udder suspension & udder longevity. RSF 1J has also started a promising show career. At the MHA Field day in August, she stood 2nd in class to the Reserve Senior Yearling Champion. RSF 1J will be at Ag Ex in Brandon, MB this fall.

Another fantastic Bullseye 531E daughter that comes from our Rita cow family. She will be a powerful cow when she is in production, and will compliment any bull you breed her to. She is taller framed and will have a nice square udder with ideal teats placement when she calves. The Rita family always milk great and their calves really pack on the weight throughout the summer. RSF 10J will leave you replacements you will want to keep year after year. The only reason this one is leaving the farm is because she bred later than we would like for our calving consistency. RSF 10J will be a great investment whether you are a purebred or commercial breeder.

Terms & Conditions

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate Of Registration:

Each animal will carry papers issued by the Canadian Hereford Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Hereford Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness. The Good as Gold consignors stand behind any animal sold in this sale

Pregnancy Information:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Will be provided at cost and at the buyer's option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale. Each animal becomes the risk of the purchaser as soon as sold; therefore, buyers are urged to insure animals for full value. An insurance salesman will be in attendance.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

Return Undeliverable Canadian Addresses To:
T Bar C Cattle Co. Ltd.
Box 2330, Warman, Saskatchewan S0K 4S0
