WELCOME TO IN IT TO WIN IT

The autumn is upon us once again and we eagerly work to bring you the 11th Annual In It To Win It Production Sale. The sale this year has an abundance of high quality Angus and Hereford cattle from really great breeders we consider good friends. Not only are these cattle enriched with quality but backed by a reputable group of breeders who represent them.

This year we are looking forward to an even more “normal” year than the past couple and welcome everyone to bring their families to enjoy the day together. We are setting up for a fun filled day that will be very kid friendly with activities just for them.

As we look to continue to grow and improve our program with the incorporation of The Beefway we look forward to bringing a complete program to all of our customers and help connect breeders to consumers.

On October 8, 2022 we welcome you to join us at Gilchrist farms for another great livestock event.

BRAD, KRISTIE AND PEYTON GILCHRIST

Gilchrist Farms

FROM THE DESK AT T BAR C

After 11 consecutive years, In It To Win It has made it a ritual to spend Thanksgiving Saturday in the beautiful area of Lucknow, Ontario. Not only is this event a household name throughout the industry for highly distinguished and reputable cattle that it offers, but also boasts an enjoyable and fun atmosphere to all who attend.

The Gilchrist's are the busiest young family that I know, and approach everything they are involved in with enthusiasm and knowledge. I urge everyone to visit their newest venture that they jumped into last spring, the Beefway, located on highway 21 North of the scenic Kincardine. The Beefway is proud to help local farmers get their product to the local consumer. With this new business, the Gilchrist family truly knows and is involved with all facets of the beef industry.

In terms of their offering, it is everything you can expect from the GF crew. Leading off their offering with a highly enticing and promising young pair from a staple family around the farm, the Barbara's. For the 2022 edition, you will also find more bred heifers lotted in the Gilchrist section than ever before. These females come to you with stacked pedigrees, math to back it up, and the look to become front pasture cows.

The effort that is boasted in the consignor section displays what is sure to be many future lead donor females. I urge you to take the time to study the exciting pedigrees that are on offer, and how they could elevate any progressive operation higher.

Back for a second year, the crew at Iris Creek are putting the ICF label on In It To Win It with a very opportunistic presentation of picture perfect Hereford genetics. With the look of future herd foundations, the females on offer are gorgeous in their makeup. Take special note of the bull calf on offer, having already hung a banner as the Champion Bull Calf at Bonanza. Combining to 2020 Hereford Miss World with the 2021 Oklahoma Supreme Champion, this future herd sire is sure to impress!

Whether you are an Angus or a Hereford enthusiast, we at T Bar C encourage you to be involved with In It To Win It, as this group is full of great atmosphere, great fun, and exceptional cattle. As always, all of us on sales staff are very knowledgeable regarding the offering and can handle any orders or questions you may have. Lucknow is a sight to behold in the Fall months as harvest is in full swing, providing a beautiful background for some of the finest seed stock to sell in Ontario.

Join us in the beautiful sale barn at GF,

BEN WRIGHT

GF BARBARA 6E FEMALE ▼ 1988430 ▼ GFA 6E ▼ APR. 01/17

DAMERON FIRST CLASS | CONNEALY FINAL PRODUCT
C&C MC INTOSH 2038 | **GF BARBARA 6A**
RAC WINNIE 7456 | BAILEY ACRES BARBARA 6S

CE: 0.0 ▼ BW: 2.5 ▼ WW: 55 ▼ YW: 86 ▼ MILK: 13

The Barbara cow family has long been a staple in our herd. The ease of fleshing, ability to reproduce and phenomenal udder structures have all been traits that we have come to expect from the Barbara's. This McIntosh daughter is no different. She is moderate in stature, has a phenomenal udder structure and has produced two daughters that we are retaining in the herd. We would like to retain the right to one successful flush. **AI bred to Cardinal Cash Advance 60F on May 13, 2022. Retaining the right to one successful flush. Consigned by Gilchrist Farms**

Tambri Pride 44E is a moderate framed, thick, deep sided cow with a ideal udder. She has a sound foot and quiet disposition. Her dam, Pride 8T, is off TC Grid Topper. She raised 10 calves for us, and the males had a weaning index of 102. The Pride family has been with us from the start, and it is hard to let these two go but we have other Prides still in the herd. Her sire, 17C is off Exar Upshot. Upshot is in the top 1% for Yearling Weight, Milk and Carcass Weight and Upshot sired the Champion Carload and Pen of 3 bulls in Denver the same year. Pride 44E is bred to DB Iconic, a son of Musgrave Stunner, with a same great look and excellent numbers. **AI bred to DB Iconic on April 28, 2022. ▼ **BW: 68 lbs.** We believe this is one of the first Square B Atlantis heifers to sell in Canada! Our Atlantis calves really have impressed us. 203K is no exception, she has abundant muscle shape, base width and foot size. Her maternal sister sold to MacKinnon Homestead Angus, PEI in last year's sale. 203K is entered in the Future Stars show as well as the National Angus show at the 100th Royal Winter Fair. We would be happy to work with the new owners to continue getting her ready for these shows. **Consigned by SCOMAC Livestock**

CE: 0.0 ▼ BW: 4.0 ▼ WW: 77 ▼ YW: 129 ▼ MILK: 26

▼ **BW: 80 lbs.** Well if you missed out on buying semen on one of the most complete and well numbered epd bulls to come north of the border (OHL Gunner 7263G) then perhaps you better give Ellsmere Queen Mother 1926J a look. 1926J is moderate, great footed, and is starting to lay down a great udder. She also sports a huge epd spread of +125 from BW to YW. Her dam Premier Queen Mother 926G was purchased from our good friend Peter Frijters of Premier Livestock. 926J is sired by the influential SAV Renown and her dam stemmed from the legendary JL herd. 926G herself is extremely fleshy and has a near perfect level udder. 1926J will be carrying service to our new Junior herdsire (Springcreek No Doubt 43J) who was one of the high sellers at Brian McCarthys "In Pursuit of Perfection" bull sale. This should have a interesting pedigree combo for her future baby. **AI bred to RRAR No Doubt 43J on May 15, 2022. Exposed to Ellsmere Bombazo 133J from June 3 to August 1. Consigned by Ellsmere Farms Ltd.**

▼ **BW: 71 lbs.** Pay close attention to this female folks. Ellsmere Katie 2076K is a female we are quite high on. She is pretty fronted, smooth made and is as royally bred as any female you will find all fall. She is sired by Conley South Point a bull who needs no introduction with his record of accomplishments. Katie 2076K dam is PM Katie 76E and is sired by the ever famous Bar E-L Natural Law and goes back to Musgrave Aviator on the bottom side. Katie 76E is big bodied, super deep sided and is beautifully uddered. With all these great female makers such as Network, Natural Law, Aviator, and Final Answer in Katie 2076K pedigree we feel she will have a bright future for her new owners as a great front pasture foundation female. So don't miss out. **Consigned by Ellsmere Farms Ltd.**

 5T MISS WIX 8002 | WHISKEY LANE ANNE 6C

CE: 11.0 ▼ BW: 0.6 ▼ WW: 60 ▼ YW: 99 ▼ MILK: 25

Fancy, feminine, and fertile! WF Anne 600H is a favourite for many reasons and a hard one to part with. It's not often you find a low birth eye-appealing female that can keep up to the best of them at weaning. She is extremely easy-fleshing and quiet enough to take to the show tomorrow. Structurally, this 5T Power Chip daughter is stout, long bodied, and deep with excellent udder development, and as maternal as they come. We love this cow family so much we flushed her dam last year. She provided 19 viable embryos first shot and proceeded to catch to AI in her next heat. This is the type of foundational female you want in a herd. **AI bred to Musgrave 316 Colossal 137 on April 2, 2022. Pasture exposed to WF Pound Sign 228J from April 23 to July 10, 2022. Preg checked safe in calf, vet favours AI date. Consigned by Windcroft Farms**

TERMS

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

PEDIGREE ESTIMATES: Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

GUARANTEE: Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
