Terms of Sale: Cash or cheque at par, payable to clerks of the sale on sale day, unless other previous arrangements are made with LLB. No release of cattle will be given until satisfactory settlement has been made. All cattle are buyers responsibility after purchase. Announcements from the block on sale day take precedence over all material printed in this catalogue.

All persons who attend this sale do so at their own risk, and the owners, sale management and sale staff assume no liability, legal or otherwise, for property loss or any accidents that may occur.

Breeder's Guarantee: All cattle sell with the responsible Breeder's Guarantee of Satisfaction. All bulls and yearling heifers are guaranteed breeders. The seller will not, under any circumstances, be responsible for more than the original selling price of any bull or female sold in this sale. All animals sell under the Terms & Conditions set forth by the Canadian Angus Association.

Insurance: Insurance representatives will be present sale day.

From the desk at T Bar...

Being able to state that you own and operate Canada's largest Angus cow herd has the side effect of many hours of hard work and a single-minded dedication to the program; the Brown family of LLB Angus is known industry-wide for just this. The numbers that LLB operates at also allows the opportunity to have a strict and uncompromising culling process, which is why they can offer such high quality in such vast volume.

To add more excitement into 2022, LLB is back and better and ever in the show ring! They will be exhibiting a top bull and heifer calf in the Immortals Show in Stettler. The heifer calf is straight from the top of the 2022 calf crop, and combines gorgeous looks with a highly desirable pedigree. The bull calf can be found as Lot 90A, and is as exciting a calf as we have ever seen come out of LLB in some time. He truly checks all the boxes as a true herd sire candidate. I would highly encourage you to make the trip to Stettler to not only see these calves make their show ring debuts, but to also stop by the stall for a visit with the Brown family!

The bred heifers found in this catalogue are salty in type and the right kind for today. These big volumed girls are the kind that have put LLB on the map for all these years. The cow-calf pair section has always been a feature, with this years showcasing cows in the prime of their life with extremely fancy, worthy ladies at their side.

The family behind LLB are some of the finest people you will ever come across. While the sheer numbers of this cow herd are overwhelming to most, the Brown's take this in stride and operate at a level of organization that every family farm should strive towards. I would invite you to be with us sale day in Erskine to truly take in the hospitality that these people are known for, it truly is an event celebrated in a state-of-the-art facility.

As always, the entire crew at T Bar C is highly familiar with the offering here at LLB, and encourage your interest not only in this program, but also to the great operators behind it. Please contact us with any questions!
