Sunday, November 20 - 10:00 AM - 5:00 PM

At The Farm - Douro-Dummer, ON
496 Country Road 8, Douro

Welcome

Welcome to the second edition of the Leahy Select Simmental Sale. Thank you to everyone's support, interest, bids, and purchases in our inaugural sale last year which was truly humbling. We are building on our success from last year, and digging deeper in our offering to present a cross section of what the Simmental breed has to offer.

We run a herd of Fleckvieh and Purebred Simmentals, as well as a Shorthorn herd. The Leahy family has utilized Simmental genetics

since the early 1970s, and have always appreciated them for their growth, performance, docility, milk, and maternal attributes. These are profitable traits which stand the test of time.

Our sale offering this year reflects our herd. We lead off with our Full Flecks, featuring a very top quality polled bred heifer, and several polled and horned herd sire prospects. Our black heifers and bulls feature breed leading AI sires and an emphasis on structural quality, soundness, and maternal ability. We round off with a powerful red blaze bred and fancy red show prospect, both of whom are backed by very strong maternal lines and have a lot to offer.

We will again be featuring consignments from the Pearson family at Academy Hill Livestock. They are great friends and have been very dedicated to the advancement and promotion of Simmental cattle in Ontario. They consistently pursue cutting edge black genetics, and the presentation of their cattle is always second to none. Their consignment last year was well received, and their offering this year, be it in show prospect, bred heifer, or herdsire, is of great quality.

We will again be using an online sale format which will be available at DLMS.ca. Watch for updated photos and video to be updated to the site, or you can contact us directly for further information. We are glad to tour you through the sale offering and our herd at any time, and the sale cattle will be on display at the farm on November 19-20. Please feel free to contact Ben Wright or any of the staff at TBarC Sales Management with any questions. They are familiar with the offering and our herd and would be glad to handle any inquiries.

We hope to see you in November.

Patrick Leahy

Bidding Opens

At The Farm - Douro, ON

From the Desk at T Bar C

We at T Bar C are proud to welcome you to the Second Annual Leahy Livestock Production Sale with Academy Hill. Patrick Leahy is a very keen, astute young cattleman with deep roots to purebred livestock as well as the area they call home in the Douro Township. The Leahy family breed cattle in an ideal form, with heavy emphasis on eye appeal and longevity.

The very successful offering from the inaugural sale in 2022 heavily mirrors this years offering. The Full Blood bred heifer that claims the Lot 1 title is extremely unique in her makeup, with excellent colouring to fit with the demands of today. The selection of open females are the from the top sort at Leahy's, this is a group that will impress. After last year, expectations were guaranteed to be high in terms of the quality of bull calves, and this years offering not only meets but exceeds this demand. Herd bull shopping at this time of year can be the most cost-efficient compared to the Spring, and you can ensure you are getting the best. With more bull calves born at the Leahy operation this year, only the best qualified for a Lot number in this offering. They meet all the credentials for calving ease, colour, thickness, and docility.

Included alongside Leahy's are the entries from Academy Hill. The Pearson family are veterans to the Simmental breed, and have some outstanding baldy prospects within these pages.

As always, please contact us at T Bar C with any questions you may have regarding the offering, as we are quite knowledgeable of this great young family's program.

Timed Auctions Made Easy

How to Bid

1. Visit <https://farmgatetimeductions.ca> , click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to signup for a free user account. It allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots, or someone challenges your proxy bid. This is why you will be asked for both your current email and cell phone number.

If you are a past participant in the Farm Gate Timed auctions, simply enter your username and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions. Select the LEAHY SELECT SIMMENTAL ONLINE PRODUCTION SALE.

2. You can choose your favourite lots in the sale at this time. The program will allow you to open either all sale lots, or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list, you will get a text and/or an email noting this activity.

3. The program allows you to place a proxy bid on any sale lot. This protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you. But if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again, or moving your attention to a second lot of interest.

4. At closing time of the sale, the entire sale will extend bidding for 5 minutes if a bid is placed on any lot in the sale. Any bid received after 6 PM will extend the sale by 5 minutes, from the time of that bid. When no bidding occurs for 5 minutes, the computer will declare the sale finished.

5. Within 24 hours of the sale close, the sale consignor will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/pick up of your lot.

If you require assistance with using the new DLMS Farm Gate web site, if you don't understand how to create a favorites list or proxy bid, or you just plain want to bid via phone, please talk to any of the DLMS team.

It gives us pleasure to offer this unique bred female as the lead off lot in this sale. Heidi brings a deep cherry red colour pattern covering ample muscle on a moderate frame. She strides easily on sound feet and has a smooth maternal front end. Her maternal grandam, Nossaterra Pol Honeymoon has been the foundation of our polled Flechvieh program. Heidi can be the same for her new owner. Her extra age and moderate condition will help her ease into productivity. We should keep her, but have a Spartacus 8A sister coming on. **Bred to Sibelle Spartacus 8A on April 17, 2022. Preg checked favourable to that date.**

Here is the ideal calving ease option in a smooth polled, Flechvieh mode!! Although amply muscled, this Guerrero son is smooth from nose to tailhead. He is moderately framed with lots of style and moves like a cat. Jackson is well pigmented and comes from one of our most productive females, Bianca 2B, a maternal sister to last year's high seller. We confidently used him on select heifers with calving ease in mind.

Stylish, well marked, and dark red, PLL King is an attractive, eye catching Full Fleckvieh bull. The power of Spartacus crossed with the maternal greatness of the famed Barbarella cow family offers a unique and interesting breeding piece. PLL 2Ks dam was sourced as a high seller from the Autumn Classic sale, where the Barbarella 845Y daughters have consistently topped the sale ring to great acclaim. She has great spring of rib, udder quality, freedom of movement, and excellent profile traits which should be passed on through her son. This is a unique combination of pedigree and phenotype, take note!

Whether for the show ring or the breeding pen, this is a real favourite here! Her Westcott dam was sourced from the great folks at Mar-Mac last fall and wow has she ever impressed. She calved herself, is great maternally, rebred right away, kept good condition, and weaned off a real impressive heifer. Kasey looks poised to follow in the footsteps of her mother, but with a touch more style to her. This is a real balanced heifer - Kasey has tremendous volume in her centre third and great width of base, yet is clean in her lines, moves freely, and has loads of femininity though her front end. To top it off, she's quiet, kid show broke, and should be a lot of fun next year!

Real neat package here. Long bodied, great front-end expression, big barrelled and lots of muscle to round it off. Kate's dam was sourced from Rendezvous Farms as the high selling female in their 2021 Bull and Female sale, and has impressed many with her power, udder quality, and overall presence. Kate looks to be carrying these traits forward, with a little extra refinement and extension from her sire PLL 4F who has left us with several quality calf crops before going on to work for Jack Larabie of Kemptville. If you're looking for predictable maternal ability, mark this girl down. Quiet and show broke, she could be a real contender next year, and note with her Valentine's birthday she will land in that desirable younger heifer split.

Fancy baldy bull here marked just like his sire, the renowned W/C Bankroll. Moderate in frame with a load of muscle on a smooth made and easy moving structure. Lots of testicle and flexibility in joints and movement. His heavy milking W/C Wide Track dam has been highly prolific, raising several daughters for the Mastine family before we purchased her. Last year's son is working for Mike and Cyndie Leblanc in Manitoba who are very pleased with him, while her 2020 daughter was just named Champion Simmental at Expo Boeuf in Quebec and another daughter is a feature lot in the Quebec Elite Sale. Very quiet and halter broke, here's a bull you could campaign, or turn into your breeding pen for blaze faced calves with muscle, style, and pedigree.

Power bull here! Out of the popular NGDB Structure bull whose sons topped sales across Western Canada this spring, this guy should really be sticking around to breed in our herd. His Red Label dam has truly been a cornerstone of our purebred program and has raised bulls working for breeders from Manitoba to New Brunswick. At 11 years old she shows no sign of slowing down, the kind of profitable longevity we all can use. This bull is powerfully made, good footed, with skull and shoulder structure suited to calving. A true mix of time tested and popular genetics, he should sire powerful, growthy calves, with great maternal ability locked in for his daughters.

Terms & Conditions...

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS: A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH: All animals in the sale have met all necessary health requirements.

PREGNANCY INFORMATION: All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY: Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE: We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supersede any written material in the catalogue.
