## TRUCKING

H.S. Knills Co. 519-442-6242

An elite offering has been assembled for this National event, made even more special by hosting it in conjunction with the 100 year Anniversary of the Royal. The heritage and history this show carries is truly breathtaking, and we are proud to be involved with this great breed, that has been burning bright within the last few years.

With exclusive picks from some of the most sought after operations included in this event, it is clear this event is a must attend gathering. The choice pair on offer is straight off the top, with a pedigree that is proven as long as the Royal has been operating. Mouth-watering heifer calves that are destined to become a forefront in any program, and bred heifers that will pay for themselves so quickly being right up to calving. The frozen genetic portion is valuable, prosperous, and a way to get in the driver's seat of the breeds elite. All in all, this somewhat smaller but high-caliber offering is where you want to find yourself in this breed. We encourage everyones participation in this event and make it a Charolais day with the show in the morning, and the sale in the front Saloon Room by the famous Right Of Excellence at night. Please feel free to contact any of the staff listed, and be sure to join us in that fresh Royal atmosphere that has always been contagious and fun!

For T Bar C,

**BEN WRIGHT**

## LOT ONE

The OCA is pleased to offer the Player's Club \$50,000 Bull Calf Futurity as the lead off lot in the National Charolais Sale! Top breeders will gather at the Royal Agricultural Winter Fair on Thursday, November 3, 2022 at 9:00 A.M. to select the 2022 \$50,000 Player's Club Champion!

### **Selling $\frac{3}{4}$ Interest and Full Possession.**

No semen can be sold or gifted in Canada until 2024 as the bull will remain exclusive to the Player's Club membership until that time. International semen sales (including every other country other than Canada) are not restricted in any way or form. Semen may be collected for use by the 1/4 interest owner and the 'purchaser' of this lot at their expense. The Player's Club Champion will be sent to stud as soon as he is deemed to be ready and must freeze the required amount of semen for all Player's Club members prior to being able to be released to the new owner. The OCA will cover the costs of collecting semen for the Player's Club membership. Every effort will be made to collect semen in a timely manner but all bulls respond to collection differently and therefore the OCA cannot guarantee when the bull will be available for natural breeding. If you have any questions, any OCA Board member or the sales staff of T Bar C, will be happy to answer them for you.

AI bred to SCR Triumph 2135 on March 24, 2022. Exposed to Rollin' Acres Frontrunner 38F from April 10 to June 1, 2022. Preg checked favourable to AI date.

**LOT TWO**

A few years ago I was wandering through the barn at Agribition and I stumbled upon MVY Starstruck 41D as a calf in the McAvoy show string. After much debate and a couple of drinks, I came home owning a half interest in this great show female. Fast forward a few years to July of this year when Ben Wright came to our farm looking for a sale female for the 100th Anniversary of the Royal Winter Fair. He wasn't long finding MVY Starstruck 41D and her heifer calf Rollin' Acres Starstruck 47K. After a long debate and a few drinks, we agreed to part with the choice of these two amazing females. The opportunity to purchase a direct daughter of SVY 8X surely does not come along every day and when it does, you just don't have any choice but to sit up and make it happen. MVY 41D is a stand out cow in the prime of her life. Whether you want a front end cow that is perfectly footed and has a beautiful utter or a big ribbed, easy keeping cow to flush - this is your cow. We have had her on the show road this fall and everyone has said they wish they had a hundred just like her.

**Retaining the right to one flush on the selection, at our expense and the buyer's convenience.**

**Offered by Rollin' Acres Charolais and McAvoy Charolais**

However, if the cow isn't what catches your eye, her gorgeous heifer calf HDT 47K will. This heifer calf has turned heads and caught the attention of everyone, everywhere we have taken her. Rollin' Acres Starstruck 47K also comes with a unique and outcross pedigree with her sire being half French and polled. From the families of Rollin' Acres Charolais and McAvoy Charolais, we are very proud to offer you the opportunity to choose from these great females. The cow/calf pair will be entered at Canadian Western Agribition

# PICK OF THE STEPLER FARMS 2023 HEIFER CALVES

## LOT THREE

When looking how we could participate in this prestigious sale, we wanted to put forward our very best. Offering the complete pick of our Charolais 2023 born heifer calves does exactly that with over 200 heifer calves projected to be born. We couldn't be more excited about this upcoming calf crop with the addition of 3 new herd sires. They are the maternal building powerhouses PCC Bourbon 118J, SOS Jackpot 158J and of course the Becks Thread 2176J. We also cannot forget the senior herd sires here at have continually supplied our heifer pens and have been the backbone the over 120 bull calves to represent us in our annual bull sales. If your looking for that cow family builder, that can stand out in a crowd, take notice here.

**Pick to be done by August 15th 2023.**

**Offered by Stepler Farms**

# PICK OF THE WHISKEY HOLLOW 2023 CALVES

## LOT FOUR

For the first time in the history of Whiskey Hollow we are consigning to the Royal National Charolais sale, for our first time we wanted to come to the big city dressed to impress, so we are offering the pick of our entire 2023 calf crop! There will be no calves off limits male or female with a crop of approx. 25 to choose from, this crop of calves will include genetics from our 2007 National Champion ACC Hercules and our 2011 National Champion Rollin Acres Oh Yeah. Sires of this calf crop will include the Cattlemens Congress class winner DF Mr. Outrageous 64G, the high seller SVY Trust , Cedarlea Galveston and WDZ Warroad. We like to attend Charolais sales across Canada and always add from the top end be it males or females. DF Mr. Outrageous 64G made a huge splash in the Charolais world and gained global interest in Oklahoma earlier this year, his female calves can only be described as " Outrageous" with lots of performance, fancy features, tons of hair and packed with donor dam potential. The apple doesn't fall far from the tree with his bull calves they have been admired by all visitors to the farm this year, if you are at the Player's Club \$50,000 show Whiskey Hollow Power Surge 29K will definitely catch your eye. Don't miss out on your opportunity to get your hands on the best Whiskey Hollow Cattle Co. has to offer.

**DAM AND 2018 RAWF  
 SUPREME & CWA CHAMPION**

**GRANDDAM AND 2013 CWA  
 CHAMPION**

**FULL SISTER AND 2022 CCYA  
 GRAND CHAMPION**

This "Princess" clearly has what it takes as next in line for the throne! An outstanding show heifer and donor prospect here that stems from an illustrious line of females that have done all kinds of winning and generating. This includes her granddam Princess 13Y, the 2013 Agribition Champion Female and high selling female in Canada; her dam Princess Valentine 42D, the 2018 RAWF Supreme and Agribition Champion; and most recently her full sister Princess 42J was named 2022 CCYA Grand Champion Female and is primed and ready for another outing on November 4th, 2022 at what promises to be a historic National Charolais Show! The icing on the cake here is that these CCC WC Redemption 7143 sired cattle have been hotter than a two-dollar pistol as of late and show no signs of cooling down. If you're looking to have some fun in the show ring and own a turn-key donor with household name recognition when it's all said and done, CRG Princess 42K is one you want to be the last person bidding on!

 FULL SIB TO DAM**

**2019 NATIONAL HEIFER CALF  
 CHAMPION AND MATERNAL  
 SIB TO DAM**

If raising and selling herdbulls is the profit center for your operation, you'd be well served to study CRG Shez Legal 49K. Unequivocally the stoutest built, most powerful female we have ever put a halter on, yet has a look and presence that stops you dead in your tracks every time, and blends her unique qualities seamlessly. We used the well-proven, homozygous polled, WC Milestone 5223 as an outcross to inject serious performance without sacrificing maternal excellence, udder quality and an elite look... it certainly worked here to produce a female that also stems from one of our most highly regarded cow lines, the Miss Monties, who have consistently rung the bell in the show ring and at sale time with daughters commanding record prices in recent years as well as hanging big banners. We look forward to seeing the impact that this powerful donor prospect can have on someone's herd down the road!

**LOT EIGHT**

When we saw this calf's mother become available at the Fallsview sale from Derrer Farms with a confirmed Outrageous female pregnancy, we knew we better jump at the opportunity. All we can say is its nice when a plan comes together! This sweetheart of a female continues to impress us with each passing day, but that shouldn't come as a surprise being that she comes from the same family on the bottom as the great Berkley Anne, and having the ever popular DF MR Outrageous on the top end, no doubt makes her a rare genetic treasure here in Canada. If show ring appeal is your game, look no further, this little gem has all the pieces it takes to chase banners and has already put together herself an impressive resume. We have no doubt that the best is yet to come for this heifer!

**LOT TEN**

This heifer Ben picked is a real head turner from none other than BRCHE White Bear and our classy big ribbed Medonte foundation cow. BRCHE White Bear was Grand Champion Charolais Bull in Fort Worth Texas show and 51st Reserve National Champion Bull. He has consistently produced show ring winner's continent wide. He's perfectly matched to our Medonte cow who almost effortlessly pops out her polled calves yearly. I was so impressed with this great heifer calf I've bred her back the same this year. DeGurse Kathy 14K is a showstopper! Perfect feet placement and tracking in her gait is a must that she will bring into your genetics. I can't get over the balanced and powerful front end and flat-topped shoulders that set her above the pack. She's outstandingly sized for her age, has that shape, bone structure, charm and presence you just know is a top female producer and will produce results you want in the ring and in your future calf crop. She's got the shape in the back end, a full depth of leg muscling and rib fulfillment that puts winners up front!

## **LOT ELEVEN**

Naturally we were excited to have some of the first Pandemics to hit the ground, so it is only fitting we should have one in the 2022 Charolais National Sale. Roxanne 2107K has been turning heads since the beginning, being big outlined with real world performance yet being so soft made with that explosive volume of her centre body. 2107K carries excellent feminine characteristics relative to the punch packed everywhere else. This heifer combines true shape, power and accompanied by textbook angles and structural integrity, she is put together with all the essentials to go the distance. She is more than a conversation piece, Roxanne is a program builder.

Offered by Alton Century Farms Ltd.

# LOT TWELVE

We feel honoured to be part of not only the National Sale, but also the 100th Centennial year of the Royal. All of us here around the farm have deep roots and history surrounding the Royal ever since we could barely walk. We are proud of the cow herd we have built, and are equally as proud to host the longest running Charolais bull sale in Ontario. Our fertile cow herd has stood the test of time and we are offering pick of the 2022 heifer calves. This group has profitability built in to them. You'll find this pen of heifers to be carrying current and proven pedigrees, that can be bred the way you want them, to succeed for you. Please call or text with any questions you may have. See you at the National sale! **Selection to be made by March 30, 2023.**

Embryo was implanted on June/22. Preg checked safe in calf. Calving date March, 2022.

**LOT FOURTEEN**

Originally when we implanted embryos we had no intentions on selling any of the pregnancies but we wanted to do something for the national sale that would captivate an audience, and without a doubt, a sexed female Trust x Lily pregnancy being carried by S.S.S Hennessy 1H is the one to do it with. Let's start with the pregnancy mating, PZC LILY 5013ET, a two time Supreme Champion Female who's phenotype and genotype are second to none. She has stamped her mark on the history of the Charolais breed and continues to produce big time selling bulls and competitive show ring females. The sire of this pregnancy, SVY Trust 6H, needs no introduction, selling for \$123,000.00 Trust had big value to live up to. As his first calf crop hits the ground it shows Trust is knocking it out of the park in calf quality and that the buzz is REAL! The cow carrying the pregnancy is a power house registered two year old who calved out unassisted her first time. She is perfect uddered, great footed, sound as a cat, and heavy in her milking ability. She is a WR Wrangler W601 daughter out of an SVY Grizzly PLD 521C cow, after she calves this pregnancy breed her back and capitalize on her own quality and pedigree. What more could you want? Cutting edge genetics out of some of the breeds best, with a high quality momma cow carrying the load, a true 2 in 1 package with endless opportunities and ultra competitive upside.

Offered by Stevenson Show Stock and Irvineside Cattle Company

## LOT TWENTY

**Selling one package of three embryos of the listed matings. Guaranteeing one pregnancy if implanted by a certified technician.**

Donated by Springside Farms

# CCYA DONATION LOTS

**TERMS:**

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**CERTIFICATE OF REGISTRATION:**

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**PEDIGREE ESTIMATES**

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**HEALTH:**

All animals in the sale have met all necessary health requirements.

**GUARANTEE:**

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

**PREGNANCY INFORMATION:**

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

**LIABILITIES:**

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**DELIVERY:**

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

**PHONE, MAIL, WIRE BIDS:**

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**INSURANCE:**

We strongly recommend that insurance is purchased for full value.

**ERRORS:**

All announcements at sale time, written or oral, supersede any written material in the catalogue.
