JOIN US FOR A BBQ STEAK LUNCH AT 12PM

VIDEO SALE Come early to view females as all lots will be sold by video presentation.

USA DELIVERY Cattle are moving across the border with no issues. We will help organize shipping of cattle to where ever you are located in the USA. To cover testing and border crossing costs, \$200 CAN will be added to the price of each animal purchase destined for the USA. The process of moving cattle to the USA is expected to be seamless as usual.

US EXCHANGE US funds will be accepted at the current rate of exchange on sale day and will be posted prior to the sale. The US dollar is currently at a big premium in Canada, giving our US customers added buying power and value.

SIGHT UNSEEN PURCHASES If you are interested in any of the lots, but are unable to make the sale, please contact any of the PCC team or T Bar C team prior to sale day. This allows us time to discuss your needs and suggest lots that fit your criteria. Your order will be handled with integrity and professionalism, your satisfaction is 100% guaranteed, if you have talked to one of the PCC or T Bar C teams, prior to the sale.

TERMS AND CONDITIONS

Terms: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds. **Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final. **Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. **Exception**

Guarantee: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void. **Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights and Obligations: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. **Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale. **Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. **Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value. **Errors:** All announcements at sale time, written or oral, supersede any written material in the catalogue.

WELCOME TO THE MISS PRAIRIE COVE FEMALE SALE

I would like to welcome everyone to the 2nd addition of the MISS Prairie Cove Female Sale. It is with an abundance of excitement that I sit down to write the “welcome”, the Charolais breed of cattle is on a roll in many ways with feeder cattle prices high and demand for Charolais cross cattle at an all time high. It is extremely rewarding to be a Charolais seedstock breeder, we get to visit so many people that tell their own story of the advantages that Charolais cattle offer to so many different people in the cattle industry.

Charolais cattle have been a vital part of my family for 3 generations, as my grand parents, Bill and Bubbles Bullick will be honoured this fall at Red Deer for being 50 year Charolais members, a huge accomplishment and testament to the dedication Prairie Cove Charolais has to this wonderful breed of cattle. I'd like to share a quick story about my grand parents Bill and Bubbles. They drove up to see us this year show in the Immortals show in Stettler, which at 97 years of age I hope I am still cruising around looking at Charolais! We had a heifer calf in the finals of all the breeds, hoping to win a side by side, we think very highly of this heifer and think we have very possibly built the very best Charolais Female to ever live at Prairie Cove Charolais. My grandma said to me “yes, your heifers look very nice, but that one seems to be very... gutty, she might not do very well in the show.” I just thought to myself, I have been trying to breed Charolais cattle with that much belly and substance to them for the past 30 years ha! Needless to say its always good to have people in your life to keep you humble and your feet on the ground. But I still think she is the very best female to ever live at Prairie Cove Charolais!

I think this years addition of the MISS sale is the best we have ever offered and the line up is loaded with cattle that will go on to produce huge R.O.I. for their new owners. Prairie Cove females have gone on to work for so many different breeders from all over the world. In closing we are pumped to share this catalogue with all our fellow Charolais breeders young and old!

If we can help in anyway don't hesitate to reach out to Justine or myself, or anyone associated with the MISS sale!

Tyler

FROM THE DESK AT T BAR

Welcome to the Miss Prairie Cove Charolais Female Sale, Thursday December 15, 2022, at the ranch, Bashaw, Alberta. This breed leading operation presents an outstanding group of Charolais seedstock for your appraisal.

The offering is dedicated to the females that make up the great herd... especially the donors and their progeny. No doubt Berkly Ann 8507 PLD ET has achieved the limelight being a two-time Supreme Champion and World Champion.... her maternal sister headlines the bred heifer section.

Tyler has a powerful set of donors representing the embryo program, many outcrosses to our genetics in Canada. Consider the progeny of Thomas MS Impressive 0641, the highest earning female in the breed; M&M MS Carbine 1567, the mother of Outsider; Miss Prairie Cove 407B, an outstanding Whitehot female and her daughter Miss Prairie Cove 802F; Miss Prairie Cove 309A owned with Cay's. As you scan through this catalogue, you will see the influence and predictability of these great donors.

What an unbelievable set of heifer calves! This offering includes the largest group of daughters sired by Trust, the top selling bull at Superstar, adding the powerful genes of Starstruck to the program. The Reserve Champion Divine Divas, the Reserve Champion bull and female helped Prairie Cove capture the coveted Premier Breeder and Premier Exhibitor award at Farm Fair International. At the 100th anniversary for the Royal Winter Fair, in Toronto, PCC Cobain 231K was selected Players Club Champion. Congratulations to PCC and the Trask family. Plan to be with us on December 15th for a new day in Charolais history. An outstanding set of Charolais breeding stock with built in earning power. Feel free to stop by the ranch any time prior to the sale and preview the offering and even have a look at the brothers that sell in the spring.

Feel free to give any of the T Bar Team a call and we will assist with your purchases in a professional and confidential manner.

Chris Poley

**DREAM BIG
WORK HARD
MAKE IT HAPPEN**

Congrats to our girls
On their hard work this summer and thanks to all
their cousins and friends for helping them get there!

Also an extra thanks to Darren McNeely for helping
out and teaching the girls so much!

One of the very best to ever call PCC home, when building the catalogue we knew we had to include our very best animals, and Miss Prairie Cove 110J is exactly that! Indy worked her butt off all spring getting hair to grow on Polly as we decided to slick shear her. All Indys hard work paid off as she was Champion Female at many spring shows as well as the coveted Bashaw All Breeds show! We are so proud of the work and time Indy put into her heifer, great job Indy! We are offering 50% interest, with no possession, but the option to double the purchase price and own 100% interest and 100% possession, with PCC keeping a flush of 6 eggs if the second option is chosen. Miss Prairie Cove 110J is calving early to Rhinestone Cowboy and we expect big things and have plans to show them as a pair next year if everything falls into place.

Bred March 28 to TR MR Rhinestone 4658B. Due January 7 2023

At Prairie Cove we are very proud to offer our best heifer calves year in and year out. Miss Prairie Cove 202K is without a doubt one of our very best, a direct daughter of the impressive M&M MS Carbine 1567 PLD, Outsiders mother. This HVA Fireball 662F daughter is the best one ever born at PCC. The uniqueness of Miss Prairie Cove 202K pedigree is second to none and also boosts a very impressive set of EPD's, for a female with the phenotype and structure this young Donor in the making has. An outcross to many Miss Prairie Cove 202K is a masterpiece of Charolais seedstock and will go on to write her own story in Charolais history. If you want to make your own mark in Charolais lore then get your hand up December 15 in Bashaw and own Miss Prairie Cove 202K.

The Lily x Outsider mating just continues to produce females at the highest level. The presence, the look, the bone, the hair.. Miss Prairie Cove 225K has all that. You study this female its near impossible to put a hole in her. Incredible hip and hind leg that two time Supreme Champion Lily puts into all her offspring. You want one to show and have fun with in the future Miss Prairie Cove 225K is defiantly one to do that with. Blessed with sensational hair and being super calm and easy going, this female will work for any show person of any age. If you want to be competitive at the highest level don't miss out on this female.

This girl has been one of my favourites since she was born. I am obviously a huge fan of Thomas Ms Impressive 0641. Thomas MS Impressive 0641 made herself famous being the mother of so many great white animals, Turton, Ivory Angel, Rapid Fire, Kimmy Cakes, Bottoms UP, Lily, the list goes on and on. With well over 330 progeny registered to her in the American Charolais herd book. PCC 219K being another direct daughter makes me an even bigger fan of hers. When she was born I told Justine this little girl is going to win a big show someday! I still believe that is true. We want to help anyone that purchases any of our females at any time of the year, but this group of heifer calves are special and anything Justine and I can do to help the new owners we are game to get on board! These females show they can be successful in production, they can just plain work, we are proud of the group and want to help you be successful.

BCI MISS VERYLIMIT 6033P

You get up close and personal with this female, you will realize how much pure muscle and power and dimension this girl has. If I had to pick one female to carry on Thomas MS Impressive 0641 legacy, it would be this young female. Rhinestone Cowboy is an outcross pedigree to many of the popular AI sires on the market these days. That opens up so many options and possibilities to breed this female going forward. I will go out on a limb and say this female may offer the most Return on Investment as any is in offering, I know those are large shoes to fill but I really do believe that much in Miss Prairie Cove 223K. Mostly because of her ALL time LEGEND mother is, a great one in the making!

MISS PRAIRIE COVE 407B

The female we specifically chose to lead the Trust offering of females, and what a group it is. Miss Prairie Cove 234K is the biggest ribbed female in the offspring, she may well be the heaviest weight heifer calf in the offering. Her Donor mother is a major player at PCC as you will see in the catalogue, as well as in the bull sale catalogue this year. Miss Prairie Cove 802F is a female of many, including Glen Mills a man that knows good cattle and loves performance and power, which Miss Prairie Cove 234K is loaded with on both sides of her pedigree. We talked about R.O.I on the previous female in the catalogue, this female will be as close as any to the previous lots. Big up side in this female, pedigrees that make a difference, Miss Prairie Cove 234K will make a difference!

MISS PRAIRIE COVE 407B

An ET female that has a unique pedigree that includes Miss Prairie Cove 407B, who is my all time favourite cow. Bottoms Up females are incredibly uddered with loads of milk, extra look and maternal qualities. This female would be a maternal sister to the 2nd high selling heifer calf in the original MISS Prairie Cove Female Sale that sold to Caprock Cattle Co, Texas at \$25,000. Miss Prairie Cove 2728K was an ET calf raised on the short native grass country at Hilda AB, by our good friend Jamie Ehret, proving that PCC genetics can grow and thrive in any environments. We don't just raise show cattle here at PCC, our cattle can show at a high level but can also work all over the world, for the seedstock producer or commercial producer.

This is an easy one for me as she was the pick of the Flat Valley heifer calves in the summer. If you know Jamie Ehret you know he is a beauty, if you don't know him, you need to meet him. Always a positive force in the Charolais barn and a fantastic spot to stop for a cold beer. I love telling stories about the things Justine and I do in the summer, as it's the only time we get away but Jamie and Amys backyard in Hilda is like a Shangri-la of green grass and icy paralyzers. We were lucky to stop by on Luel-la's first day of school and she was so pumped to tell us about her new friends and show us her heifers! Jamie and Amy are some of the best, young Charolais enthusiasts you will find and the Flat Valley name has always sold the very best Charolais genetics. **Owned by Flat Valley Charolais.**

#hairyaWHITEBEAR! And Miss Prairie Cove 275K is just that, soft haired, huge middled, with a cool look. BRCHE White Bear 8505 ET is the 2020 USA Show Bull of the year, his full sister is the 2 time Supreme Champion in 2021 and 2022 World Supreme Champion BRCHE Berkly Ann 8507 ET. So we have those genetics on her top side and her mother is the most famous Queen Thomas MS Impressive 0641. Cool heifer with an even cooler pedigree.

This year at Prairie Cove Charolais we are so proud of the success our customers have had with females purchased from us. As you can see our customers have gone on to do some very cool things from winning Supreme Champions, to winning \$30,000 Polaris side by sides, to winning \$50,000 in the Players Club Jackpot Charolais Bull Calf in Toronto Ontario. Miss Prairie Cove 28J leads an absolutely power packed group of bred heifers, that I believe have the potential to win Supremes, side by sides, and Player Club Championships. Miss Prairie Cove 28J simply put, is built for the times. Big ribbed, elegant fronted, flawless structure. One of Justines favourites usually says it all, as her eye always finds the great ones. This female in my eyes is such a combination of phenotype and pedigree that is staggering, as she also has a shot of French on the mothers top side, this female has everything it takes to make a breed changing herd bull or Donor female. Her service also sets her apart, rare breeding to a proven sire, GHC Reagan 9012. **Bred April 4 to GHC Reagan 9012. Due January 14 2023**

Justines poster girl on Facebook, this younger female is royally bred and has the look to make an impact. Her mother M6 MS Germaine 484 is an absolute unicorn, having such an amazing look and phenotype, put together with her being top 1% weaning weight, top 1% yearling weight, top 2% scrotal, top 1% milk, top 1% mwwt, top 10% cw, top 10% REA. Like I said earlier a “unicorn”. This is a rare air here, these opportunities don’t present themselves very often, so don’t “MISS” this young female. To add to the uniqueness this female is also bred to GHC Reagan 9012.

Bred March 28 to GHC Reagan 9012. Due January 7 2023

One of my favourites in the bred heifer division, this female is supremely qualified to be a top 3 pick in anyones book. Miss Prairie Cove 27J has the length, the look and the parts and pieces to lay down and have a calf and go on and hit the show road. Lights out pedigree being a full sib to the AI sire Rhinestone Cowboy. I think extremely high of this female and being bred to Bourbon makes her even higher on my list. Miss Prairie Cove 27J is so good you will need an extra space in tie outs and in the barn for her to stretch out, just make sure you don't take too much space at Agribition or you might get yourself in trouble!

Bred April 25 to PCC Bourbon 118J. Due February 4 2023

- Different pedigree - Out of the Breed Legend M&M MS Carbine 1567 - The first time Justine and I ever toured CK Cattle in Highmore SD, the legendary Chris Effling had a cold box of beer and an old farm truck and we went driving to find the mother of "Outsider". It was a warm day in South Dakota, the beers were tasting mighty fine, we went to the dugout and found a group of cows. And to no surprise the first cow we see was the glorious M&M MS Carbine 1567. She looked amazing out on grass, wicked udder and a fabulous phenotype exceeding our expectations. Miss Prairie Cove 48J continues to exceed our expectations everyday and she is so massive in so many ways, this absolutely is the type you build a program around. Bred PCC Bourbon 118J March 23, certainly sets up to be a big time service.

I write these footnotes and try to be different and not always repeat myself. So I am going to share a story with you. I followed the Charolais Queen, Thomas MS Impressive 0641 for years, as she made herself famous being the mother of so many great white animals, Turton, Ivory Angel, Rapid Fire, Kimmy Cakes, Bottoms Up, and many, many more. Justine and I went to Jr nationals in Minnesota the summer of 2015, it was a great time and met some incredible people, and seen some very special cattle. We had the opportunity to tour Polzin Cattle and we laid our eyes on our wonderful PZC Lily 5013 ET, and later that fall purchased her and needless to say that worked out extremely well. But we also had the opportunity to see Thomas MS Impressive 0641 that day as well. A very Impressive beast! (pardon the pun). Since that day we have tried adding as much blood from 0641 as possible, here is your chance! **Bred April 14 to WC Benelli 2134 P ET. Due January 24 2023**

This is the first time we will share the Rhinestone Cowboy females and feel they are really something special, with a bit of a different twist on pedigree. This sharp made bred heifer is out of the ever popular Lady Glitter Sparkles, an obvious favourite with Indy and Scarlet. For good reason she won as many shows for them as any female we have had in the show barn. Good udder, high quality seedstock in this genetic combination, and if you are reading my notes then you also have noticed how high I am on PCC Bourbon 118J, we think he is a bad ass and I believe he is going to go on and be a great breeding bull. Take advantage of the opportunity to gather these high quality genetics. **Co owned with Peckman Family Farm.**

A very complete package here! When you analyze the Lily 2H cow from the side, her depth of body will strike you. A beautifully made female, clean through her front third. Maternally backed and it shows with the awesome udder and soundness in her structure. Where we feel it gets really exciting is the breeding. The Supreme Champion Lily crossed with the proven Outsider, homo polled to boot. The breeding options on this one are endless, but the favoured breeding to Trust might just be the one you are looking for. It's always reassuring when you can find a proven cow like Lily 2H. **Owned by Cay's Cattle.**

Bred March 28 to SVY Trust 6H. Due January 7 2023

This one has the opportunity to be every bit as good as her mom. 11K is ultra tidy in her brisket and through her throat. A beautiful head held high with her neck coming out of the top side of her shoulder. Add in that 11K has lots of hair and she will raise some herd bulls one day while putting that extra shot of "look" into them. The Mayfield progeny are going to have some unique pieces to them, this will be one of the first chances to own a Mayfield. **Owned by Cay's Cattle**

Robust ribbed, big bodied, powerfully constructed, these Lily x Outsider cattle are built the way you want them. They out produce themselves, they look good doing it and they leave their mark in your herd with great offspring. Donor potential in these females and they carry service to Trust, as you get looking in this catalogue the Trust cattle are all high quality no matter which way you look at them.

Big powerful female with a big powerful pedigree. Thomas MS Impressive 0641 is the most famous and highest dollar producing charolais female in the world. Miss Prairie Cove 13H is a direct daughter of the great 0641 and full sister to Miss Prairie Cove 16H, the high selling \$30,000 female that lead off the original "MISS" Prairie Cove Female sale selling to Cays Cattle, as well that spring a full brother sold to Seven Quarter Circle for \$14,000. Another full sister was named Ohio State Fair Grand Champion Female in 2020, the list goes on and on of endless high sellers and champions that come from 0641. You need to see Miss Prairie Cove 13H in person to really appreciate how much power and substance she possess. A true front end female with a pedigree to run with any in the world.

Bred April 4 to SVY Trust 6H. Due January 14 2023

Really nice made female with extra depth, a real strong and well built udder. As time goes on many breeders look to add Pastor into pedigrees, as he was such a strong female making bull. Looking back you will find Pastor in her pedigree so to me that adds value to this female. Her service is exciting being mated to the \$30,000 high selling PCC Innovation 123J. A young herd sire that is sure to leave a strong mark on the Charolais breed, being a son of the great Berkly Ann!

You want them big, stout and powerful this is the cow for you. Loaded with performance, Miss Prairie Cove 805F is the first Outsider female born in Canada and has went on to out produce herself, year in and year out. Bred early to Trust, look for this calf to be at the top of any replacement pen or bull sale pen. No miss cow that sells in the prime of her life.

PZC Lily 5013ET proved her dominance in the show ring being a 2 time Supreme Champion Female herself. These daughters are next level good as we get them out in the show ring, they carry Lily's dominance and have her presence that is extra special. When these females get into production the udder quality is impeccably flawless. Get yourself some Lily influence to make your own great show heifers and or Donor females. Just look at these options!

This seems like an incredible opportunity. Pregnant recip carrying extremely high quality genetics. Elders Houlio 4H being the high selling bull in Canada in 2021 at \$110,000 for half interest. Combined with one of the most powerful Donor cows in Canada Elders 80C, she has already proven how incredible she is as a mother. She is the dam of both Elders Emperor 8021F a \$30,000 high seller and Elders Platinum 906G a \$45,000 high seller. This mating to the very popular Houlio will likely be the next high seller in any program, get in on the ground floor, the work is all done take this recip home, calve her out and reap the rewards!
