Welcome to the premiere "Sister Sale" on Monday, December 12, 2022, at the Beautiful Plains Ag Complex, Neepawa, Manitoba. After supplying the livestock industry with profit earning Angus bulls over the past years, these leading breeders have come together to offer the sisters, out of their untouched programs.

JAS Red Angus, Camo Cattle Co. and Madsen Angus offer the first opportunity to select from their replacement pastures.... red and blacks, bred heifers and fancy 2022 heifer calves. Many of the bred females carry early services to A.I. next generation sires to ensure a quality coupon in just a few months. These three breeders have invited their customers and friends, Rosling Farms (former Manitoba Angus Commercial Breeders of the Year) and Kulbacki Farms to offer packages of Angus influenced commercial bred heifers for your replacement pastures.

In these exciting cattle markets where young, fresh breeding cattle will be an asset in the years ahead, the "Sister Sale" offers a wonderful opportunity to select and acquire high quality breeding stock from proven breeding programs. Stop by any of these operations prior the sale and view their offering... even get a peek at their cow herds.

Feel free to give any of the T Bar Team a call and we will assist with your purchases in a professional and confidential manner.

Terms & Conditions

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected there are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.

JAS Red Angus

Welcome to the first Annual Sister Sale! We are excited to bring this group of heifers to town this year. We have been wanting to do a sale like this for awhile and there's no time like the present. We have been building our herd for 24 years and we feel we finally have a large, consistent group that we are proud of. We are confident you will like them as much as we do.

We believe we have a group of females that will be very useful in the production of beef in a very marketable and profitable package. Our quality genetics will be a great addition to your herd in this time of plentiful feed supplies and record calf prices.

We welcome CAMO Cattle Co. and Madsen Angus as well as Kulbacki Farms and Rosling Farms to this great sale.

Much like our bull sale, invest in high quality seedstock to put pounds on your calves and dollars in your pockets.

The McLaren Family

The only Power Eye in the sale, as these are excellent females. Early coupon an added bonus.

AI'd to Red BCC Brylor OTM Resolution 4H on May 10, 2022.

Out of our smallest cow, who always outdoes herself. She is a consistent, solid producer.

Pasture exposed to DRAW 39G from April 25, 2022 - August 1, 2022.

Madsen Angus

Tom, Alanna, Holly & Brett Madsen
Arden, Manitoba
Home: 204-368-2335
Tom: 204-841-1757
Holly: 204-463-0525

Alanna and I are very pleased to be involved with our good friends and neighbors, in this inaugural sister sale.

We have been very passionate about the progression of our herd and the angus breed for decades now. I think this thought is echoed by our fellow consignors as I have seen incredible advances in the quality and depths of their herds in the past several years.

Stop in for a look or a coffee anytime.

Tom, Alanna, Holly & Brett Madsen

In keeping with the sale name, we're offering choice on these maternal sisters. We couldn't get 7H to stand for a picture so we subbed in a photo of her 3/4 brother HLC Grit 705H. High selling bull at the 2021 Hollinger Bull Sale.

7H was observed bred May 13, 2022 to DFCC Jacked 30J.

Vet called her safe to that date. Due February 19, 2023.

Whichever you choose, you're not wrong.

DFCC Jacked 30J

We teamed up with JAS Red Angus to buy the dam of this breeding piece from merit a couple years back, and she didn't disappoint. Super feminine, she'll be the front pasture kind for years to come. The Range Boss X Socialite mating never disappoints.

Bred May 30, 2022 to DFCC Jacked 30J, due March 8, 2023.

Here's a bigger framed Turning Point heifer. We selected her dam from Barry mainly because of the Lena 8R cow, a breed improver in every way.
Bred AI to Premier RIP May 15, 2022
Exposed to DFCC Jacked 30J. Favourable to AI, will pay for DNA, should calve February 21, 2023.

36J

Holy smokes, I don't know what Chris did to pry this one out of Holly's hands. Check out the pedigree, High Def, Tiger, but the coolest thing in her background is Youngdale Little Lady 27D. Easily the best cow in Holly's good cow herd, her 2022 bull calf HMM Kelso 4K might be the best one to ever walk the gravel ridges north of Arden. Wait, it gets better, **bred AI to HLC C51 National Anthem May 3, 2022, exposed to DFCC Jacked 30J May 20, 2022. Vet called her favorable to AI. Due February 9, 2023.**

It's too bad Blair and Lois aren't still in the black business. They'd be tripping over each other to try and get some of these great genetics back in their herd. She's been one of my favourites since day one, her dam 194E raised a definite herd sire candidate this year.

Bred AI to Premier RIP 29H May 15, 2022

Stout, moderate heifer calf here. I don't think you would want to change a thing about the confirmation of this female. Her dam, 177A, is a consistent producer with excellent feet and udder, you'd never guess she's coming ten years old.

Camo Cattle Co.

Thank you for showing interest in the CAMO program and welcome to the Inaugural Sister Sale! The herd at CAMO continues to grow and we are extremely pleased with our first offering of these high-quality females. As I sit and write this welcome the first snow is falling at the farm. Our friends to west in Saskatchewan and Alberta have experienced a lot more than us, but by the sounds of it it was a welcomed moisture event.

We have said it time and time again, "if it doesn't meet CAMO standards, we guarantee it won't meet yours!" We strive to provide females that are going to go home and work for your program. Foot structure, quality udder development, longevity, and temperament are extremely high on our list of selection traits. The females in this sale are bred and fed to go out and work for you and designed to add \$\$\$\$ to your bottom line.

Lastly, I would like to thank the McLaren and Madsen families for allowing me to work with them and gain knowledgeable insight on both the red and black breeds. We hope to see you all in Neepawa on Monday, December 12th but if you can't attend give one of us a call for any inquires.

Very well put together cow here that was selected for Red Roundup as a bred but I declined. Now you have chance to purchase her or her beautiful black red carrier calf. CAMO 115H is a maternal sister to 103J found on page 22. Sire is the \$82,000 USD 2019 National Grand Champion Red Angus bull PTO. Daughters off PTO have always risen to the top and no different here. She is bred to Red Brylor Resource 66H, high selling bull from Brylor Ranch's 50th bull sale.

This purple calf has caught the eye of everyone that has walked the pastures this summer. 5D is a female making machine. Moderate framed, very smooth shouldered fancy female here folks!!

Observed bred April 25th, 2022 to Red Brylor Resource 66H Favourable to that date.

Maybe "this ET calf had a tougher start than most losing her dam at two months of age. But don't let that hold anything against her as she rose to the top." She's off the \$120,000 SSS Tactic 651D bull packed with a bottom side that has left a legacy in this breed. The footnotes for Reba are already set in stone, take her home and breed her how you feel fit and she will make nothing but money for you!
