2023 Private Treaty Sale

Keep it simple with our
May born trusty two year
old purebred Charolais &
SimAngus X bulls

Trent & Shantel Wirstuk - 306-398-7979 - Cut Knife, SK

WELCOME

Our family is happy to welcome you to our annual Private Treaty Bull Sale! First off, we would like to sincerely thank those who supported our program the past years. We were blown away by the response and we appreciate every single one of you who came out to the ranch, inquired, or who trusted us to select a bull sight unseen. It's always a great pleasure to meet and talk with other hard working cattle producers.

Now a little about us. We are located on Highway 40 just East of Cut Knife, Saskatchewan. We are a small family-run mixed grain and cattle operation consisting of a growing purebred Charolais herd and a Simmental Angus cross herd. Shantel and I have a 14 year old son, Jackson, and a 12 year old daughter, Abby, who we are proud to have involved in all aspects of our operation. We pride ourselves as a small family operation with an "all hands on deck" approach when it comes to getting the work done and we feel this is reflected with our easy handling cows and bulls. We are fortunate and thankful to farm alongside Shantel's parents, Ron & Cathy Parker, who live across the road from us. We are also grateful to have a great helping hand, Greg Beland, who has played a vital role in our operation for the past four years.

These bulls we are selling were born to be two! All our cows calve May/June on grass. Calves are raised on grass and mammas milk, and then weaned in October. We have developed a year-round grazing program that works well for us; rotating between grass and corn. Our goal is to keep our program simple and let the cows do the heavy lifting.

We call these bulls "Trusty Two Year Olds" for a reason. Our bulls are developed slowly to maturity on grass, hay and 13% pellets rotating with the seasons. We have kept things simple with our bull data and have provided the straight-forward, common sense numbers. These bulls are semen tested, ready to work, and will travel the extra mile to get more cows bred than a yearling. They are strong and ready to produce calves the buyers will love.

We are happy to answer any questions – please feel free to call or text. Everyone is welcome to come have a look anytime with no buying pressure. We look forward to meeting you!

THANK YOU
Trent, Shantel, Jackson & Abby

CHAROLAIS

These boys are born unassisted on grass and start growing. They are thick and hairy and sure to put pounds on your calves. They are just what you need to make those cross bred tan and silver calves that top the market year after year.

WIRSTUK RANCHING...

and we love it

MEET THE CREW

We are very thankful to have Greg Beland and his family help us throughout the year. Team work really does make dream work. Getting to have our young ones a part of our team is why we do this!

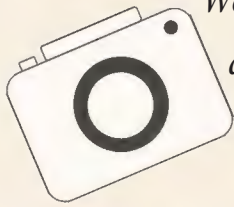

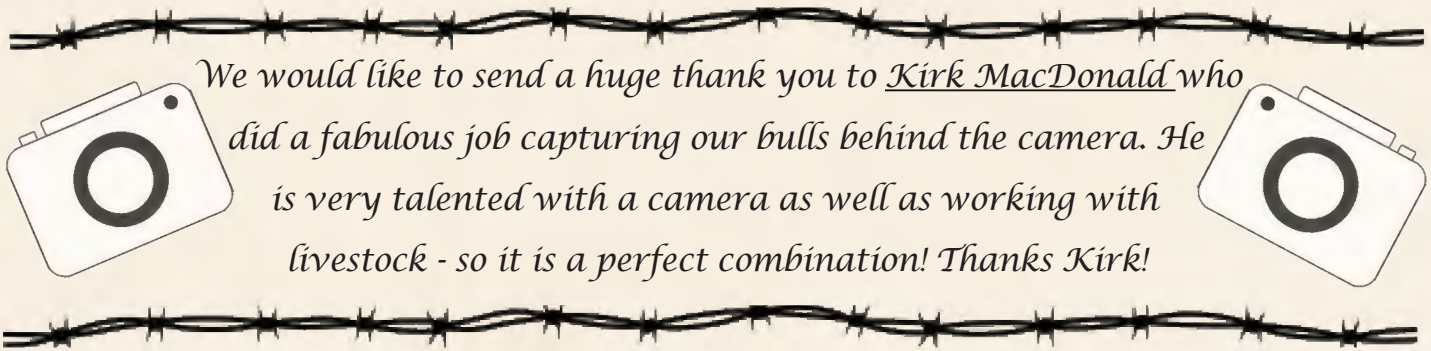

Thanks guys!

Our ranch team: Greg and Seth Beland, Trent, Jackson & Abby Wirstuk. (Missing: Shantel because she's always the picture taker!)

Ranch Kids: Wyatt & Seth Beland and Jackson & Abby Wirstuk

We would like to send a huge thank you to Kirk MacDonald who did a fabulous job capturing our bulls behind the camera. He is very talented with a camera as well as working with livestock - so it is a perfect combination! Thanks Kirk!

You have a vision
We can help you achieve it
