WADEMEAKIN@MSN.COM

As I sit down to write this welcoming letter, I reflect over the past 50 years of being in the Charolais industry. I remember working the show road with the Breed Leaders in the 80's like the Cruikshank's, Wiese's and Pochylko's. I am thankful to have learned something from all of them. Firstly, halter break your cattle at home not at the show or sale. Select a docile animal for show, and to tell everyone that it is the best dam animal out there! These are some of the things I considered as I built our herd, but mostly I started at the feet of the animal and worked up. If an animal had poor feet, I did not look any further. Calving ease, fertility and over all confirmation of the animal were the traits that I looked for.

I started a new life with my wife, Sherry in 1985. We started out with a handful of purebred cows and built it up to 250 breeding females over the years. Two daughters were born. Erin in 1989 and Leah in 1991. They helped out on the farm, although it was just not what they were interested in. They now both work in the Health Care System. Sherry has worked her hairdressing trade for over 40 years and is my right hand help on the farm for chores before she goes to work.

At the beginning we started selling our bulls on the farm. Over the years we have progressed to selling in The North Central Charolais Club. Then started our own bull sale the last 10 years. On the female side we sold at The Working Girls Sale and teamed up with Turnbull and Coyote Flats to have a female production sale, in which they were received well. What you are going to find out is that our herd has low maintenance and no-nonsense females.

To me the Charolais business is more than just the animals, it is also the people you meet and associate with. In closing you are welcome to scrutinize the animals on the farm or at North Central Livestock Exchange prior to the sale.

Wade and Sherry

FROM THE DESK *at T Bar C...*

Only once in a decade, does such an opportunity arise. On November 13, 2022, we will disperse the Charolais Herd of Wrangler Charolais at NBI, Clyde, Alberta. Only due to health issues would this large herd of quality Charolais breeding stock go under the hammer. For the past 50 years, Wade and Sherry have dedicated their livelihood to the production and development of Charolais sires for the livestock industry. A tribute to their success would be breeding the high selling bull in Canada.

The size and scope of the Wrangler program is large. The program is based on walking bulls... bulls selected for their specific traits whether it be, calving ease, high performance, or predictable maternal traits. **At Wrangler, they don't produce show cattle, but they produce cattle that can show!** Even with the huge workload of running a very large breeding operation, Wade has always found time to assist and support his fellow breeders throughout the country.

This is a once in a lifetime opportunity to sit in and select from a true cowboy's cowherd and find seedstock that can fill your needs. With over four hundred head on offer, what an opportunity to select from the heart of a breeding program which has successfully hosted a bull sale for ranchers and purebred breeders alike.

We are all aware that the Charolais bull is "King of the Pasture"; at every presort feeder sale, it usually is lead off by Charolais influence cattle. More pay weight, more hair and muscle and a dream to feed... it's a no brainer! Each year the demand for Charolais bulls outlives the supply and the livestock industry also needs more breeding females with production records and predictability. Only in a dispersal can one select both.

Cowboys.... This is your last chance at Wrangler bulls.... save some tax, stock up your bull pen and take advantage of the 50 years of breeding that these folks have applied to their great seedstock operation.

Feel free to stop by the Wrangler headquarters prior the sale and see the herd in its natural setting.... Do not hesitate to give Wade a call to discuss the cattle and the stock that will fit your operation.

Plan to be with us for "The Wrangler Charolais Dispersal." The largest Charolais event in Canada this year, filled with opportunity in a rising and exciting cattle market. We have graded all the cattle so feel free to give any of the T Bar Team a call and we will assist you with your purchases in a professional and confidential manner.

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Bidding:

Each animal will sell to the highest bidder... no by-bidding will be permitted.

Disputes:

Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

Announcements:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

Breeder's Guarantee:

As this is a dispersal sale, all cattle sell with no further guarantee. Any known defects will be announced before the cattle are sold.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Charolais Association unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Health:

All animals in the sale have met all necessary health requirements, cow herd is on a full herd health program.

Insurance:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. T Bar C Cattle Co. (2013) Ltd. does not assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Rights & Obligations:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

Phone, Wire, Mail Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Delivery:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
