A RARE OPPORTUNITY ONLINE GENETICS SALE

to access the genetic heritage of Young Dale Angus in this rare and exclusive online sale, Young Dale cattle have become household names for having extra performance and great hair, all tied up in a tremendously eye appealing package. The four main cow families that are represented in these pages are industry mainstays. Please take special note to the left page that features progeny of these phenomenal cows. If the photos themselves aren't enough to impress, the evaluations listed below will be sure to make you pay attention. The matings on offer in this sale combine both fresh and current sires, along with those bulls that have proven themselves many times over.

Please note that on each lot selling, we have stated where those embryos or semen is being stores. Once payment has been made, it is the responsibility of the buyer to contact Young Dale for release of their purchase.

Please join us on Farmgate for a captivating offering that all of us at T Bar C urge your interest in. Please do not hesitate to contact Barry or Rob and ask them for any details on the cows listed, and their matings. There is nothing those two love more then talking Angus. As always, any of us at T Bar C are available to answer any questions or representation you may need.

Grace 126Z defines perfection in an Angus female. Her track record in the support photos is a mere suggestion in regards to how well this female has produced. In saying that, there are a multitude of reasons why she has been a factory of astonishing seedstock. Her sire, 66T, is a full brother to Young Dale Pollyanna 60T, who we know as the dam of Young Dale Exclusive 25X. Exclusive 25X can claim the fame of being the sire of U2 Elite 109Z, who commanded a \$140,000 evaluation at the unforgettable U2 dispersal. Of course, in that same lineage you will see these notables in the pedigree of our Lot 2 feature, Pollyanna 22P. The sires available to this breeding female speak for themselves. All are headline sires throughout the industry, and are sure to make an impact on any program steering straight ahead.

Pollyanna 22P's name graces more pedigrees than any other female in the history of YDF. Claiming the title of Farm Fair Supreme Champion Female, we still drive the truck she won us in Edmonton. This female's victories did not just occur in the show ring, 22P is the dam of Panarama 66T, who without a doubt made some of the thickest cattle out there, with hair in abundance. No matter the years that have passed, this female is still extremely current for today's livestock marketplace. Huge topped, big footed cattle that are all wrapped up in an attractive package and bred to produce will never go out of style with the trends. Make special note of the Bravo matings on offer, it is truly an opportunity that is guaranteed to click.

Pollyanna 30U traces back to one of the tried and true, stand by females around the ranch at YDF. If you look at the bottom side, you will find the incomparable 22P anchoring this great female. 30U instills in her progeny the profitable brood cow look, with added dimension and bone that we strive for. In terms of matings, Reckoning and Defiance are going to define the future here at Young Dale, we are certain of their ability to propel any program forward. Defiance of course being able to claim Graze 126Z, Lot 1 in this sale, as his mother. Reckoning currently has calves on the ground, and we can sure see the promise there.

Black Hamco Countress 417T has proven to be a very predictable, fertile and productive earning female and is an Elite/Premier Dam in the breed. Now a successful donor, she is the mother of Young Dale Hi Definition 185B, two-time Canadian Western Agribition Top Ten Finalist in the RBC Supreme Challenge. In addition to Young Dale Hi Definition 185B, Black Hamco Countress 417T has produced Young Dale Countress 28X, an Elite/Premier dam in the Young Dale program, Young Dale Prime 4W, selected by Bob Wilson, Young Dale Xception 7Z selected by Tim McCannell, Young Dale H. Tilda 4P has been a production powerhouse with over 15 registered progeny, which is why it is very unfortunate that we have no photo of her. This female has all the ingredients, but was somewhat overshadowed in the cowherd by the Grace's and Pollyanna's. But fear not, the track record and ability of 4P can take you where you need to be. Please make heavy consideration of the mating to Net Worth, we feel that it will be a homerun.

FIVE PACKAGES OF FIVE UNITS

The buzz of the barn in the United States throughout his show career. Reckoning went undefeated in his division throughout his time in the ring, highlighted by getting the slap for Reserve Angus Bull at the NAILE. Reckoning is sired by the great Youngdale Believe 46B. Calves are just starting to hit the ground, proising a bright future. This bull is up headed, clean fronted, with a very cool neck extension. Ultra flexible in his joints with desirable body depth, dimension and muscle shape. He is not only a bull that will throw show cattle, he is a great choice to improve herds of all types with his tremendous breed character, testicle shape, joint and foot quality. Don't miss out!
