- SIMANGUS • ANGUS

Tuesday
MARCH 3, 2020
GRENFELL, SASKATCHEWAN

Welcome From Double Bar D...

Welcome to our 20th in '20 sale. It is hard to believe that it has been 20 years since our inaugural event when there were many long hours in the shop welding and painting, etc. to get ready. As subsequent sales come and go our commitment to 'YOU', our customer and to raising quality stock for you to appraise remains the same. We at Double Bar D really appreciate your interest and patronage in our bulls year after year. That support gives us confidence in moving forward to improve our herd as we inject new and exciting genetics.

We also want to thank our entire farm and ranch staff as your dedication and work ethic is truly appreciated, whether it be the calving barn crew, sale bull preparation or hauling grain, your effort is invaluable to the success of Double Bar D.

We are pleased with our offering this year of stout made and easy travelling bulls for you to appraise and sort through to meet your herd bull needs. Our bulls are raised with 'you' in mind as they are developed slowly on an oat grain and corn silage based ration. Also, our "age advantaged" bulls are brought on slowly as they graze in the summer months. These bulls come to you with more maturity to go to work for you. **Also new this year, all the age advantaged bulls have been 'tie broke' and worked with in July of '19 (Thanks Rayel!).** Many of the yearling bulls have been tied and worked with as well to offer you easily manageable bulls.

On our complete offering of genetics, we really strive to raise bulls with above average calving ease along with above average performance. We do this with you, our customer, in mind as we realize calving ease is a priority with producers, as herds grow and available labour sometimes diminishes, but also knowing that pounds of calf pay, so that is where the performance comes in.

Thank you to our sales staff that assist us, and you, the buyer.

New this year we wish a warm welcome to Longview Angus, Shar and Rayel Kaczmar of Grenfell as guest consignors with a nice group of Angus bulls to meet your Angus herd bull needs.

If you can't make it on sale day or want to preview the bulls beforehand, don't hesitate to talk to me (Ken), Logan or the sales staff to assist you in your herd bull purchase.

Again, I would like to extend appreciation to all of our long time, repeat customers and as well look forward to meeting some new faces. Join us on Tuesday, March 3, 2020 for lunch, a visit and an afternoon Bull Auction.

See you on Sale Day!

DOUBLE BAR D BEST OF BOTH WORLDS BULL SALE

From The Desk At T Bar...

Welcome to the Annual "Best of Both Worlds" Bull Sale, Tuesday, March 3rd at the ranch; east of Grenfell, Saskatchewan, just off the Trans-Canada Highway.

2020 has a special meaning...it is the start of a new decade but most importantly it is the 20th Bull Sale for the Dimler Family. Quite an accomplishment, in supplying the livestock industry with high quality bulls...consider the foresight they have used in selecting herd sires for their program over the past few decades. This is the reason that the cowherd is so powerful and consistent, a pleasure to view. It takes a great deal of dedication to achieve the lofty goals they set for themselves; but the boys do it right, whether it's running their huge cropping operation or the large cowherd base.

Great cow herds produce superior bulls! The new decade crop of bulls presented are by far the strongest, deepest group in twenty years. The Flecks are powerful and rugged, sound with plenty of hair and performance minded. The purebreds, red and black, offer diversity with style and performance. The Full Fleck bulls are as stout as ever, many are polled and even several homo polled. Genetic packages that will suit any type of breeding operation in North America. The "Age Advantage Bulls" are always a feature with added value benefits...covering more cows, bigger cows and keeping their condition later into the fall.

Breeders and commercial producers, this is your opportunity to select from an outstanding offering of Simmental bulls. Whether you are looking for reds, blacks or fullbloods, a bull or a trailer load, "The Best of Both Worlds," with its large selection, can fulfil your breeding needs. Each bull comes with a bonus... outstanding customer service!

As trade barriers are starting to tumble with Far-East countries, the future looks bright for agriculture, but quality is still the key word for higher profits. Plan to be with us for the 20th Anniversary of the "Best of Both Worlds" to celebrate a great program and a great set of bulls. Stop by the ranch anytime prior the sale for a preview; don't hesitate to call Ken for a discussion on the bulls offered and what will work best for you.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

DELIVERY:

- Free delivery in Western Canada to central points [Alberta, Saskatchewan, Manitoba] when arrangements have been made prior to May 1. Please indicate at settlement when you are needing the cattle. Cattle must be insured by purchaser. Double Bar D will keep bulls free of charge until May 1. After May 1, a daily cost of \$5 per day will be charged.
- All other locations at cost
- For US customers, delivery and export will be done at cost to the purchaser.
- \$100 per bull discount for purchasers taking their bulls on sale day.

SEMEN INTEREST:

Double Bar D Farms, reserves the right to draw semen on any bull in the sale. Semen to be drawn at the seller's expense and buyer's convenience and will be used for in-herd use only.

CATALOGUE PRODUCTION by Today's Publishing Inc.**VIEW & BID ONLINE:**

DLMS.ca

**VIEW THE CATALOGUE AND VIDEOS ONLINE****WWW.BUYAGRO.COM****Double Bar D Warranty**

All bulls born prior to January 1, 2019 will be semen evaluated and have passed the test by a licensed Veterinarian. 2018 born bulls will have a physical breeding soundness exam and deemed likely to pass a semen evaluation. Please indicate when you need your bulls. All bulls will be semen tested prior to shipment. We encourage you to buy insurance on your newly purchased bull to protect your investment. Insurance agents will be available on sale day. If your bull or female should fail to be a satisfactory breeder, he or she will be replaced with a bull or heifer of equal value. If this cannot be agreed upon, an adjustment will be made or a credit will be given towards the purchase of another one of our animals.

Please check your animal frequently and contact us early if you have any questions or concerns. Double Bar D Farms will not be responsible for any financial loss above the purchase price of the animal. Double Bar D Farms will not cover the loss of an animal that has been mismanaged or physically injured, however, we will assist you in providing another bull to use if needed. We always have back-up bulls available. In cases where a heifer has been subjected to any hormonal or surgical reproduction techniques following the sale, warranty shall be null and void.

20TH ANNUAL BEST OF BOTH *Worlds* BULL SALE

Tuesday
MARCH 3, 2020
GRENFELL, SASKATCHEWAN

Terms & Conditions

TERMS: The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING: Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS: All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE: Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE: In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION: Each animal will carry papers issued by the Canadian Simmental Association or Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

LIABILITIES: All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS: The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS: Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY: We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE: Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS: All announcements at sale time, written or oral, supercede any written material in the catalogue.

- You can put many miles on, up and down the road, to find such an astute and complete Fleckvieh bull as 31G. A real powerhouse of a performing bull at weaning all the way through yearling. A performance bull yes, but he carries it well on a complete and correct structure and is dark hooved as well. 31G is striking at every angle and should add structural integrity, ease of fleshing and dimension to his calf crop. His dam is a real good cow going back to Metro 4E and Double Bar D Adonis 603N on the bottom side.

- If you are looking for a Polled Fleck bull, then look no further. 39G combines many positives that we look for in a good horned bull but is polled. 39G has an excellent shape, width of top, length of top and has a great hair coat. His massive table like topline is striking and he moves out free and easy. The dam is a young dark red Baxter daughter going back to Klyber.

- You can't start talking about 15G without talking about his dam first. 110C is one of, if not the best, Juggernaut daughters we have. She is likely destined to the donor pen. 110C is a very correct cow with a good udder and much above average rib shape and capacity. 15G follows that pattern closely. 15G has that herd bull look and is a power type of bull. So, if you are looking to press down those scales in fall, look no further than 15G.

- 12G had good weaning performance but nothing short of explosive from weaning to yearling. It is easy to see where that performance comes from when you analyze his massive top and length of body. Also, it is not surprising when considering his ease of feeding and performance when you see that his granddam is Adora 224S.

Double Bar D Annuity 635F
High selling bull in 2019.
Sold to Bruce Cuddy, NC

Bankroll Daughter
\$164,000 High Seller for RJ

Now into the second calf crop of W/C Bankroll, his calves continue to exceed extremely high expectations. His sons and daughters are true curve benders with low birth weights and exceptional performance through weaning and yearling.

His females are angular yet possess exceptional mass with a maternal look. His bull calves are powerful and muscular in their design and still possess excellent structure with a touch more extension and look than most.

His sons and daughters are topping sales, winning in the show ring and are already becoming too numerous to mention.

We look forward to seeing the influence of this impressive breeding bull now and in the years to come.

*T*urnpike was the most talked-about bull at the 2018 National Western and if you saw him stomping the dirt in the Pepsi Center, it was easy to understand why. A rare blend of power and mass with undeniable presence. He is big footed and has a well above average EPD spread. We partnered with Werning Cattle Co. to purchase Turnpike, the high selling lot in Ruby's Bull Sale. The reports from those who saw him in South Dakota were exceptionally positive. We believe Turnpike is destined for a bright future. His females are good, his bulls are awesome, rugged and athletic. His sons are $\frac{7}{8}$ percentage in Canada and purebred in USA when bred to a purebred cow. We are proud to offer these outcross, rugged Turnpike sons - they are the real cowboy kind.

HOMO POLLED • HOMO BLACK

- 804F has looked like a herdbull from day one. Very straight in his lines and super clean front with a great deal of extension. Yes, definitely a bull that profiles very nice and has enough power to put on cows or can be used on heifers as well with his modest 70 lb. birth weight. His EPDs are very well balanced, which leaves most of the guess work out. His red baldy full sister was the lead off and high selling heifer in our online female sale this last September going to W2 Simmentals.

- HOMO POLLED
- Very good bull here with good calving ease built in.
- Extremely mellow, deep-sided with easy fleshing ability.

Sim Angus Bulls

THESE SIM ANGUS BULLS REALLY WORK FOR THOSE WHO USE THEM. MANY COMMENTS ON THE EASE OF CALVING ALONG WITH GOOD GROWTH. THESE BULLS ARE TRULY THE "BEST OF BOTH WORLDS". LOOK FOR THIS GROUP OF BULLS TO ADD CALF VIGOR, EASE OF FLESHING TO YOUR COW HERD AND POUNDS TO YOUR CALF CROP.

First of all, we are honoured to be a part of this great sale and would like to thank Double Bar D Farms for this great opportunity!

We feel we have brought a powerful set of bulls which will fit into any program. We strive for good footed, sound, long lasting bulls. Thank you for all your interest and look forward to any inquiries that you may have.

Regards,
Shar and Rayel Kaczmar
