

# CANADIAN CENTRAL *Bull Sale*

SIMMENTAL & BLACK ANGUS

**Monday, March 8, 2021 – 1:00 pm**  
**Ag Pavilion – Neepawa, Manitoba**

Dequier Cattle Co. – Skyridge Farms – Twin Meadow Livestock – Twin Oak Livestock – Wilcox Simmentals  
BASKM Land & Cattle - Madsen Angus

## WELCOME TO THE 5TH ANNUAL CANADIAN CENTRAL BULL & FEMALE SALE

Welcome to the Canadian Central Bull Sale. A few new things have changed for this sale in 2021. First, we have moved the sale for a more central location into Neepawa that is more economical for both the sellers and buyers. As well we welcome two great local Angus breeders into the sale for a flavour with top quality Angus bulls. All in all, the Canadian Central Sale has never been this strong for quality and backed by an excellent crew of consignors!

As always, the Wilcox/Twin Meadow crew have a pound crushing set of bulls that will surely impress. Their lead off black bull will be a definite feature of the spring run. Dequier cattle may be small in numbers but high in quality. Twin Oak have four bulls that represent their program very well that are extremely quiet. Skyridge are bringing their largest consignment ever and they are very impressive. Unique pedigreed with great colour, Giles has all the homework done for you here.

The Angus section offers two great programs. Madsen Angus is very active in the breed and they have 10 excellent bulls for your appraisal. Baskin Land & Cattle also have a great selection of all two-year-old bulls. Super people that again are very active in the breed. Also note, these two-year-olds are very docile.

The T bar crew has been through each of these consignor's pens so please feel free to contact us about any info you may need or to handle any bidding requirements you may have. As always, we

*Ben Wright*

Fax: 306-934-0744  
info@tbarc.com  
www.buyagro.com

#### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

#### BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

#### ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

#### BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

#### EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

#### CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by their breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

#### PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

#### LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

#### RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

#### PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

#### DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

#### INSURANCE:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

#### ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.

## WILCOX SIMMENTALS – PUREBRED SIMMENTAL BULLS

Welcome to the Canadian Central Bull Sale. We are very excited to be working with this great group of consignors as well as the T bar C crew again this year!

We would like to thank the bidders and buyers in the past sales. This year we are extremely proud of our WILC Harry 17H bull, he has been a standout all year. We have a great group of performance bulls from our senior herd sire, RF Liner 758E, this bull has great maternal backing. We have a couple strong calving ease bulls out of the AI sire WLB Bounty Hunter. The three red bulls are all out of the WFL Westcott bull and backed by three of our strongest cows.

With the uncertainty that we are facing we welcome visitors to the farm to see the bulls before hand in a socially safe manner. We will have videos of our bulls on [www.cattlevids.ca](http://www.cattlevids.ca). If you cannot make it to the sale, you can contact us or any of the highly qualified sale management team members of T Bar C for more information. There also will be online bidding and viewing at [www.dlms.ca](http://www.dlms.ca) for those who cannot make it. We look forward to seeing and visiting with you all at the sale!

Thank you,

*The Wilcox Family*

Homo Polled Hetero Black

Harry is without a doubt the best black bull we've raised. From a young age he's been a standout and massive in his design. Bold sprung in his rib shape coming off a thick and wide level top, he's stout and square in his quarter. For a bull with this much power and dimension he is extremely sound, big footed and free moving through his front shoulder. He carries himself with that herd bull presence. His mother is a productive baldie cow that also raised an exceptional bull as her second calf that sold for \$10,000. We have retained a daughter and another daughter is working at Southam Simmentals.

**We will be retaining 100 doses for in herd use.**

Homo Polled

Color Test Pending

Hugo is a soggy made bull with great thickness and a tremendous amount of body depth. He's very docile and has good feet and legs under him. Hugo's dam always produces top end calves. A younger bull that has been noticed by many visitors. RF Liner 758E has left us some very powerful made bulls. Lots of maternal power backing in this bull. We have two sisters working in our herd and they are also top producers.

Two-year-old that has good performance. Long bodied bull with good depth and thickness. Her ET calf is the only bull calf that has been born out of the flush. We have four heifers in our herd and there are heifers working at Perkin Land and Cattle and Silver Lake Farms. We used him to cover our biggest pasture this past summer.

Pat and I at Twin Meadow Livestock would like to welcome you to the 5th Canadian Central Bull Sale. This year we have four bulls on offer. We have two bulls off WLB Encore 443F and two bulls out of FSMB Pol Eddy 3E.

We run mostly a red and black Simmental herd but have been adding a few full blood and full fleck females in the last few years.

If you are interested in any of our animals on offer, please feel free to contact us or stop by to view the bulls before hand at the farm.

*Patrick & Tracey Wilcox*

Homo Polled

Harry is a smooth made bull. He's a long, thick, deep bodied bull in an attractive package. Son of the high selling WLB Encore bull that LaBatte Simmentals bought. The Encore bull surpassed our expectations with his first calf crop. His heifer calves were well accepted this past fall. Harry's maternal brother was a sale feature last year selling to Clint Sigurdson. His dam was an attractive cow that had a good udder.

In our quest for breeding with a little different genetics, we decided to use some older genetics and Hulk is a result of this. Hulk is a hairy, thick bull who grabs your attention in the pen. Whether you want to raise bulls or heifers, this guy will make it work. We all know how the Lotto cows can raise calves and his three-year-old dam knocked it out of the park twice now, with her first daughter selling to Corey Desrocher at the PTSA sale.

Heihei is our only red consignment this year. He is a hairy, dark red, complete herd sire prospect off of the calving ease bull, TNT 90 Proof. This bull just seems to get your attention every time you go into the pen and his dam goes back to Crosby. So, expect great bulls and females off this herd sire prospect.

## SKYRIDGE FARMS – FULL FLECK & FULL BLOOD BULLS

**Gilles, Jenny,  
Madi & Nick Vuignier**  
St. Claude, Manitoba  
phone: 204-750-2210

Welcome to the Annual Canadian Central Simmental Bull Sale. This year we are excited to bring you a very powerful set of bulls. These boys are backed by tremendous cows and cow families whom we have built our herd around. Functional, easy keeping, sound cows are what most commercial cattlemen strive for and as a breeder, my goal is to produce bulls who will leave you progeny that will go on and excel and be profitable for you for years to come. We are extremely proud of our cow herd and invite anyone down to the farm for a tour, our door is always open. Thank you to our past and repeat bull buyers, your confidence and support in our program is truly appreciated as we strive to improve and expand our program to new horizons. Check out our Facebook page for some videos of the bulls.

Sincerely,

*Gilles*

Full Fleck. Tracker is sired by our newest herd bull, JNR Whiplash. Whiplash is a maternal brother to JNR Concept who is producing exceptional progeny for JNR Farms in Alberta. SkyRidge Tracker 1H is a chunk; dark red, thick hair coat, black hooves and big square hip. As a calf he stood out all summer with his huge quarter and tremendous depth of body. His dam did an amazing job raising him as a first calf heifer. Born at 80 lbs. and weaned off at 924 lbs., no creep feed and on an exceptionally dry summer. She has proven she can raise them well! We are very excited about this bull's future. Diluter test pending.

92	875	1465			3.0	6.4	79.4	118.6	39.0	0.9	78.7

Full Fleck. Power Play is sired by SkyRidge SlapShot 11F, a high seller who we sold a few years back to Oakview Simmentals. We retained semen on him for in herd use and if this is any indication of what he can produce, there is no doubt we will be using him a lot more in the next few years. The sheer power and mass this calf exhibits makes me confident we are on the right track with our breeding program. Power Play is a bull who has the potential to work for registered breeders or commercial cattlemen who want to add muscle and thickness to their calf crop. Diluter test pending.

Full Fleck. Backroad is our youngest calf in the sale, born end of February but you sure would not notice it in the bull pen! If you need to add hair length and growth to your calf crop, look no further. Backed by a cow that has produced two daughters working in our herd. Backroad will add longevity and consistency to your herd!

## TWIN OAK LIVESTOCK – PUREBRED SIMMENTAL BULLS

**Gary, Josie & Mary Jane  
Robinson**

**Treherne, Manitoba**

phone: **204-723-2275**

cell: **204-526-5010**

We'd like to welcome everyone to our 5th Canadian Central Bull Sale. This year we have put together an influential group of bulls with impeccable genetics for your consideration. Our bull pictures and videos (DLMS) were taken on December 16, 2020. Our bulls are tie broke, quiet and lead. We have confidence in our breeding program that will put performance, disposition and milking ability into their offspring. Coffee is always on, so come on down to view our sale animals prior to the sale.

*Gary, Josie and our grand-daughter, Mary Jane Robinson*

Hustler is a red, scurried bull with a splashed-up face. He'll be the first bull to meet you at the bull pen gate. You need to admire his length of body, strong top line and smooth body pattern from his shoulders to his hips. He's sired by Boundary Red Entice out of TWL Elissa 138E. Hustler comes from a cow family with longevity and an impressive milking ability.

## MADSEN ANGUS – PUREBRED BLACK ANGUS BULLS

**Tom, Alanna & Brett Madsen**  
**Holly & Randy Kirk**  
 Arden, Manitoba  
 Tom: 204-638-2335

## BASKM LAND & CATTLE – PUREBRED BLACK ANGUS BULLS

**Brad & Antonia**  
**Matt, Taylor & Elijah Ginter**  
 Riding Mountain, Manitoba  
 phone: 204-967-2721  
 cell: 204-212-2171

Greetings from all of us at BASKM Land & Cattle. We are very excited to be a part of the Canadian Central Bull Sale this year. We have been selling our two-year-old bulls privately for the past five years and would like to thank all our previous buyers for all their support in our program over the years.

We have a great selection of calving ease, and performance bulls this year. Our program has relied heavily on a strong AI program using industry leading AI bulls, as well as sourcing females from some of the most respected Angus herds across North America like Hamilton Farms. This year's bull's sire group highlights our two AI bulls we used: Musgrave Stunner and S A V Ten Speed, as well as our two walking herd sires: JL Authority 2098 and BASKM Compulsion 12C.

We think our bulls speak for themselves, we only run a two-year-old bull program. Our bulls are fed a hay/silage and oat-based ration, after weaning. Then graze all summer long as yearlings. Then come fall time again fed a hay/silage and oat-based ration as coming two-year-olds. Our bulls walk on a quarter section of pasture every day to keep them hard and athletic.

If you have any questions feel free to contact us anytime. We encourage everyone to come and tour the bulls prior to sale day (in a COVID-19 friendly environment).

Videos can be viewed online at [www.cattlevideos.ca](http://www.cattlevideos.ca). If you cannot make it to the sale, you can contact us, or anyone at the T Bar C crew to help you with your herd sire needs. Also, there will be online bidding and viewing at [www.dlms.ca](http://www.dlms.ca) for those that cannot make it to the sale.

Looking forward to seeing and visiting with all of you on sale day!

*The Ginters*
