SUNVILLE SIMMENTALS
1:00 PM | McCREARY, MB

FROM THE DESK AT T BAR...

Welcome to the Cattle Capital Bull and Female Sale, Monday April 12, 2021 at it's new location, Sunville Simmentals' ranch headquarters, McCreary, Manitoba. These four progressive breeders come together each year to offer high quality sires in four breeds... Simmental, Gelbvieh, Angus and Charolais. This event is designed for a one-stop bull shopping venue in which you can acquire your new breeding needs for the breeding season all in one day.

Your hosts, the Caumartin family of Sunville Simmentals present a powerful lineup of yearling and two-year-old bulls to select from... fullbloods and red purebreds, both horned and polled... rugged, deep bodied, full of muscle and hair... bred to add performance and extra pounds at weaning. Several are homo polled and the diversity of their genetic pool offers value-added opportunities.

In addition to their offering of Simmentals, they are dispersing their Charolais herd both male and female. The program is based on two cows, Amber 4W and Roxanne 19B... they both sell along with their progeny. Amber 4W is a performance female while Roxanne offers calving ease tendencies.

Neil and Deanne of Overby Stock Farm are the Gelbvieh bull suppliers in addition to Charolais. Their program is based on April and May calving... several are homo polled and all come with low to optimal birth weights. Brett Favre progeny headline their offering... these twos are thick, stout, and full of performance and as a bonus, offer high maternal traits that are much needed in the replacement pastures. The Charolais twos are also April/May born and are the first sons by the Reserve National Champion "Cowboy." You will appreciate the ruggedness of this sire group.

Tyler from Cattle Lac brings a very uniform lineup for 2021. Included in the group are three red influence sons of Denalli. You will appreciate the hair and muscle of the Iron Mountain sons and those by Sparrows Element. Soundness has always been a selected trait for in-herd bulls and replacements at Cattle Lac so that their bulls are suitable for all types of terrain and environment. We all know the value and advantage of Char-cross calves at the sale barn as they outsell and outweigh their counterparts.

Nicholas and Keah of NB Cattle represent the British breed component. Their Black Angus yearling are stout in type and body mass, offer lots of hair, shape, and muscle. Genetically, they are powerful with strong S A V influence through sons of Resource, Renown and Harvester. Whether you are looking for a power bull, heifer bull or one for both pastures, check out this top selection. Remember that with every Angus bull comes high maternal values for your replacement pastures down the road.

Feel free to stop by any of the herds and preview their offering and have a peek at the cow herd. The bulls will be at Sunville the day prior the sale. Do not hesitate to give any of the consignors a call to discuss the offering and which bulls will fill your breeding needs.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

See you at Sunville Simmentals,
Chris Poley

SUNVILLE SIMMENTALS

Welcome to the Cattle Capital Bull & Female Sale. We are excited to be hosting this year's event at the Sunville Simmentals Farm. We have an impressive selection of bulls on offer, whether you're looking for a Full Blood, Full Fleck, Red or Charolais, we have something to suit your needs.

McCreary, MB
Home: (204) 835-2748
Duane's cell (204) 572-6828
dncaumartin@gmail.com

Duane & Nadine, Tara-Lynn, Trystann & Addyson Caumartin

We are dispersing our small Charolais herd. We have four cows, two heifers, three two-year-old bulls and one yearling bull on offer.

We have made the decision to not sell any heifers this spring. Instead, we will be having a bred and open heifer sale in the fall. Watch for details!

We would like to thank all past bidders and buyers and always look forward to meeting new customers!

As always, we are happy to share this sale with three other great breeders and would like to thank them as well as T Bar C for putting on a great sale!

Sunville Simmentals is located nine miles east of McCreary on Hwy 50. You can also find us on Google Maps.

Stop in any time to view the animals or have a visit. If you can't make it, feel free to call anytime.

See you sale day!

Homo Polled
Here is a unique Red Heat son out of a Red Bomb daughter. If you are looking for a real calving ease bull, Hosea is a real heifer bull candidate. Here's as good of a red heifer bull prospect as you'll find anywhere, plus he's Homo Polled.

HOSEA 15H

HUMMER 17H

Homo Polled
Where to start on this calf? He's been a standout since day one Starting out at a moderate 98 lbs and weaning off Sept. 5 at 900 lbs. These Driller sons are like peas in a pod. Hummer is a very impressive calf that rings all the bells and whistles and also rings HERD BULL TIME! Looking for a hairy, long bodied, heavy muscled, good temperament bull, Hummer is the bull for you.

OVERBY STOCK FARM

Welcome cattle producers to our 5th Annual Sale! Once again we have an offering consisting of April/May born two-year-old bulls built for the conditions of Manitoba's North Parkland. New this year is our entire Gelbvieh/Balancer offering is 100k DNA verified as we chose to DNA the entire Gelbvieh/Balancer herd in 2020. Not only does this guarantee parent verification but it also improves our grass management by using multi sire pastures with a larger, mob grazing system. We intend to have the same DNA standards with our Charolais consignments next year. Our Charolais consignments are our first of the Canadian Reserve National Champion, HBSF Cowboy 84C. We are very impressed with his offspring, particularly in their docility. Feel free to contact us if you have any questions on our consignments!

At OSF we pride ourselves on raising cattle on fringe agriculture conditions. OSF 28G's dam, MGF 59X is no stranger to this, thriving at Maple Grove Gelbvieh's operation in Manitoba's Interlake region. Tough, easy doing lines behind this bull make us look past the scurs, you should as well. Scurred.

Similar to OSF 23G, 32G showcases a smooth shouldered Charolais option. We pasture calve our Charolais herd along with our Gelbvieh/Balancers so we strive for similar traits from all breeds we use. Polled.

**COWBOY 32G**

CATTLE LAC CHAROLAIS

Welcome. On offer are 16 yearling bulls that are primed and ready to go out and cover some cows. Lots of culling was done and I think the consistency of the pen is a testament to that. I've kept a close eye on feet and leg structure as they've been developing and I'm confident that these guys are sound. The goal is to put as much performance into these bulls without gaining any problems. There are some big time power bulls and some more moderate calving ease options as well. The bulk of the bulls have a good thick hair coat which is important to me and I think is something that needs to be selected and bred for. If you have any questions or would like to come have a look, don't hesitate to call.

NB CATTLE CO.

Welcome to the 5th Annual Cattle Capital Bull Sale and a new location for 2021 at Sunville Simmentals! We would once again like to thank all of our customers, friends and family who have continued to support us over the past year.

This year, we have a stout made, moderate and hairy set of bulls sired by EF Titan 545, S A V Abundance 6117 and our walking bull Resource 49E. We feel these sires allow us to raise cattle that will excel in our environment and type of management yet be phenotypically appealing and backed by maternal genetics.

Prior to sale day, feel free to give us a call, text or email if you have any questions or to view the bulls in the yard. We would be glad to discuss the offering and find the right bull for your program!

Smooth made, fine boned, easy calving type of bull. We used Expertise on heifers for his highly maternal pedigree and thought it would complement the services on the cows since his dam is a flush sister to Resource.

Super stout, square quartered, broad topped and deep bodied best describes this rascal. His tidy uddered, consistent dam always brings home a good one. She has had a son through the sale for the past four years. When we toured Genex in Billings, I saw Abundance in person and his incredible length, depth and thickness was impressive.

Another good Abundance son that is long and thick who is mothered by a real good Tiger cow. His 3/4 brother was the high seller last year to Neil Bray. He has a real nice, user friendly set of EPDs. With his design he could possibly be used on some bigger heifers.

Bigger framed Titan bull here with a real herd bull look out of a Rosebud cow. I have said it before that the Rosebud family is the most consistent producing cows in the herd. There are a handful of beautiful Titan x Rosebud heifers in the replacement pen that I look forward to watching develop and get into production.

Another really good, moderate framed Titan bull that is deep and thick with a ton of hair. His dam is making a name for herself as a fertile and consistent producer under our no nonsense conditions.

Perhaps my favourite bull in the pen that keeps getting better every day. Tremendous base width, length of body and soggy design best describes this bull. His dam is a bigger framed, tidy uddered 77X daughter that gets noticed. Mark him good.

Another son of our Resource 49E walking bull. Just a March calf, this deep bodied rascal will sire some growthy steers and easy keeping daughters.

Real proud, attractive type of bull out of my favourite cow, Rosebud 8B. For a young bull, he is growthy, long bodied and good haired. He's been noticed all summer long and I would expect that with his pedigree, he will sire tremendous daughters.

NOTES!!!

TERMS AND CONDITIONS!!!

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING:

Each animal will sell to the highest bidder. In the case of a dispute, bidding will be reopened between the parties involved in the dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Charolais, Angus, Simmental, and Gelbvieh Associations. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co.(2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co.(2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made here under.

RIGHTS & OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY:

We will assist in arranging transportation wherever possible.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
