

13TH ANNUAL IMPACT

ANGUS & CHAROLAIS BULL SALE

Saturday, March 27, 2021
1:30 PM || Saskatoon Livestock Sales

TRIPLE LANGUS

Randy & Kim Tetzlaff
Box 157, Viscount, SK S0K 4M0
H: 306-944-2734 • C: 306-231-6969
tetz@sasktel.net • www.triplelangus.com

I can't believe it's sale time again. A heartfelt thanks for all the support last year in such a screwed up time. The repeat customers, new buyers and new inquiries are very much appreciated and not taken for granted.

This is probably the deepest highest quality group we have brought to town. Emphasis on calving ease without giving up performance is still our goal, as is evident in the herd sires we choose to use.

Picture day was as cold as we could bear, thus a few lots are missing pictures. All will be videoed in early March .

Feel free to stop for a tour pre-sale at any time, or come to Saskatoon before the sale for a look.

Welcome to the 13th Annual Impact Bull Sale! It is truly no secret that 2020 will be a year to remember! The year started off with this COVID thing, followed with spring combining, then what looked to be one of our best crops ever coming till the start of July when mother nature turned the rain off! No corn on the cobs and dugouts ran dry, sure makes for a long fall when having to haul water for the cattle while trying to combine and then start feeding cows a month earlier. On the bright side, the crops turned out average in our area and the calf crop turned out great!

This year we have a couple new herd sires to go along with Peak Dot Tour Of Duty 20C; Eastondale Element 25'18 and Peak Dot Herdbook 301F. The bull calves we weaned at the start of October had some nice weaning weights. No matter the type of bull you are looking for there will be one here to suit your needs. There are a number of good calving ease bulls, power bulls and many all-round damn good bulls that will do it all for you!

Thank you to our customers from the past years that have put their faith in our breeding program to help improve their program. It truly is humbling to hear all the feedback on the bulls. Please feel free to stop by the farm for a look or give me a call about any of the sale offerings or your bull needs. Weights, scrotal size and the bulls themselves will be available at SLS a few days before the sale. Can't wait to hear from you or see you. Thanks again for showing interest in our program!
Thanks for all your intrest in our family!

Jason

McAvoy Charolais would like to welcome you to our 13th Annual Impact Bull Sale.

It's been a trying and unusual year since we last put our catalogue together because of the pandemic, but we've all managed to stay healthy and I hope you have too. Thanks to all our customers and friends for your help and support. We've had to change the way we do a lot of daily deeds and business, but things are improving and hopefully with warmer temperatures and vaccines on the way we can get back near what we used to call normal.

We feel this 13th edition of our sale contains our strongest all around line up of bulls we have ever offered. Bulls that are deep bodied and stout with good performance and calving ability. There are bulls for every budget that can help you get to where you need to be when you market your calves.

The bulls are available anytime time for viewing at the farm and we would love to have you stop in to go though them. They will also be at SLS a few days prior to the sale to view, or come early sale day if you wish.

If you can't make it to the sale, give us or any of the sale staff a call and we can give you our recommendations on the bulls that will fit your program and needs. The DLMS crew will be there sale day to handle your bids online if you choose.

We hope to hear from you and stay healthy.

Mike

From The Desk At T Bar..

Welcome to the 13th Annual Impact Angus and Charolais Bull Sale, Saturday, March 27, 2021 at Saskatoon Livestock Sales, on Highway 14, Saskatoon, Saskatchewan. We all know the value that these two breeds mated together produce, the ideal cross demanded by the cow/calf producer, the feedlot operator, and the packer... no matter if they are tans or silvers. "Impact" is designed to supply your sire needs all in one day from proven, reputable programs who are constantly searching for new genetics for their customers.

Randy and the gang at Triple L supply the Red Angus component to the sale. They offer a uniform, stout set of bulls sired by the Reserve Agribition Champion New Era, a calving ease specialist... but do not overlook the sons and grandsons of the legendary Mulberry. Their black division features sons of Thunder who add an extra dimension of different black genetics.

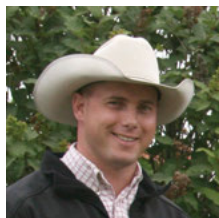

J & S offers the first crop of Peak Dot Herdbook sons... optimal in frame size, friendly birth weights, lots of performance and hair. In addition, they are offering the first sons of Eastondale Element who makes them deep sided and correct. The Peak Dot Tour of Duty sons have proven to work on the big pastures, and you will want to retain all the daughters for your replacement pastures.

McAvoy Charolais Farm supply the Charolais element to this event. No doubt the sons of Reserve Agribition Champion Fortress are a feature. This bull has one of the most famous cows in the Charolais breed as a mother and has been designed to add pounds of calf at weaning. Fortress is backed by the Mr. Blade bull who offers strong growth numbers and yearling weight and Mantracker who adds shape and style into all his progeny. Be sure to take note of Lot 55, an Apex son that is one of the feature bulls of this season. The McAvoy bulls are packed full of performance... suitable for all types of programs and will give you that market advantage at weaning.

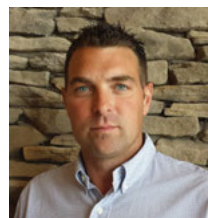

Stop by the farms prior the sale, preview the bulls selling and see the mothers. The bulls will be on display the day prior at SLS. Feel free to call any of these progressive breeders to discuss their bulls and which sires will fit your pasture requirements... they will be pleased to give you a "straight up" assessment. Plan to be with us in person or online the last Saturday in March and "put some impact into your program!"

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

Up to a 200 mile radius.

BOARDING AVAILABLE...

We will keep the bulls until May 1, 2021. All bulls left at the farm must be insured for full purchase price.

INSURANCE...

Stockmens Insurance 306-932-4866

Triple L Angus, J&S Cattle and McAvoy Charolais would like to keep 1/3 semen interest in all bulls, collection at owner's convenience and our expense.

BULLS WILL SELL BY LIVE AUCTION. THE BULLS WILL BE AVAILABLE FOR VIEWING AT SLS ON MARCH 25. VIDEOS OF THE OFFERING WILL BE AVAILABLE TWO WEEKS PRIOR TO THE SALE.

COWMAN FORMULA

Increase in pounds per calf from a top performance bull
 X number of cows bred to him per year
 X number of years to keep the bull
 X expected selling price of calves
 = Additional dollars you can pay for a better bull

Example: A bull who will add 30 lbs. to the weaning weight of each of his calves, mated to 25 cows per year for 4 years, and you sell his calves for \$1.00 per pound. 30 lbs x 25 cows = 750 x 4 years = 3000 x \$1.00/lbs. = \$3,000.00 This bull is worth \$3,000.00 more than the average bull who will keep your weaning weights the same. Take this formula and put your own figures in and see what you can afford to pay. This equation does not take into consideration the increase in value due to calving ease, higher quality replacement heifers, yearling growth, feedlot gain and improved carcass quality.

This bull is a meat machine. We got a heads up about this bull before Forsyth's sale and made him the high seller that day. Big time performance, thick ribbed and great footed. Birth weights are a little higher but they come out easy. We did breed some heifers to him with no issues.

The bull calf came in dam from the high selling Widespread daughter at Forsyth's dispersal. Addiction is a calving ease sire with a different pedigree for my operation.

Herdbook is a very well made up bull. His dam is a donor cow down at Peak Dot. Herdbook is moderate framed with lots of spring in the rib. He has a good foot under him and moves great with a long stride. Herdbook's calves would work great on heifers.

I found this Element son at the Pen of 3 Bulls down at Agribition. Element was one of the best performance bulls I could find last fall and his dam is from the great Forever Lady cow family. The Forever Lady females are some of the most amazing females in the Angus breed. Element stood out with outstanding thickness, muscle shape, stoutness and power.

Tour of Duty 20C was one of the top selling bulls at the Peak Dot Ranch Bull Sale in 2016. Tour of Duty 20C is exceeding our expectations as a herd bull. He adds extra length of body, big scrotal, and lots of muscle expression while still maintaining a moderate birth weight.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association or Canadian Charolais Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither

does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may, in exceptional cases, be taken must be between the buyer and seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal has been sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus and Canadian Charolais Associations with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail & Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
