CENTURY FARM

THE FINAL BULL SALE - AT THE FARM - THURSDAY, MARCH 18, 2021 - 1PM

PEEBLES, SASK.

Black Angus

JOHNSON LIVESTOCK

CENTURY FARM

1905

WELCOME

Welcome to the final Johnson Livestock Bull Sale. This will be the 20th sale we have hosted here on the farm, and we are so thankful for all those who have attended and supported us over the years. The last 18 years have been some of the most rewarding times and certainly the biggest growth period in our farms 116 year history. The registered Angus breed has certainly been good to us and we look forward to continuing to use these great Angus bulls into the future.

While raising the best Angus bulls is very rewarding, at our base we are just common cow people. Dad enjoys sitting at the local auction, while I just enjoy sorting, feeding and handling cattle. So while we will always appreciate raising and feeding Angus cattle, we will just do it in a commercial setting from now on. We plan on growing the commercial herd over the next few years as well as backgrounding and finishing a number of Angus feeder cattle. We believe with our base today we can expand to 3000 commercial cows and keep it to a mainly family run operation. So while we will no longer host sales there will be even more Angus cattle here than in the past. We believe strongly that the type of Angus cattle we have bred are the kind that does best in our commercial herd and feedlot.

This last bull pen is the strongest we have produced to date. Once again filled with multiple 1/2 and 3/4 brothers. When we identified a mating that worked we just kept going back. The Resource and Renown brothers are as powerful as ever, and their females are certainly making their mark as the greatest cows in many herds. Once again we have a large group of Final Answer sons, this will be the final big group of sons to ever sell anywhere. If you're breeding cattle and want consistent, reputable, low BW these are your last chance to invest in Final Answer sons. Rainfall is the next generation, a consistent calving ease bull, and his daughters were the talk of the fall sale. The Rainmasters are a personal favourite and this large group is as dominate as they come and available only here at JL in volume.

Throughout the footnotes you will notice that I refer to Elite dams. We had the most Elite dams in the CAA herd book. To become an Elite dam, a cow must raise a calf indexing higher than 105 each year, as well as maintaining a 365 day calving interval for a minimum of 5 years. In our mind, fertility, performance and longevity are the most critical traits to cattle profitability. Many of our Elite dams had Elite daughters and granddaughters proving the strength of our cow families. These

traits will breed though to their sons as well. We had more cows producing herd bulls well into their teens, than any other ranch, again proving the sustainability of these genetics.

As we look back on these years as a breeder, we realize we've received a lot of help getting us to where we are today. From our first 50 head bull sale to December's 900 head dispersal, our friends, neighbours and customers have made each a huge success. I'm also very thankful for the core group of immediate family members who just keep going every day. It's amazing to work with an older and younger generation daily. Mom and Dad will never leave but I look forward to the day that they can feel like they can slow down if they wanted. They continue to be very young and ambitious at heart and I hope that never changes. The support from Laurie and her eye for detail and creativity has greatly affected the feel of the farm. Our girls know all about the hard work of being raised on the farm and have enjoyed the challenge of each sale. Because of these last 18 years of breeding Angus cattle, the girls have been raised with endless skills and abilities to be a success in whatever they chose in life. Of course, if that happens to be the Angus breed, we will be in full support.

Free delivery will begin right after sale. If you are unable to take them when we are going by, the bulls can be picked up until sometime in May.

With this group, we have sold and transferred over 2200 bulls and are extremely grateful for the strong support we have received. Many of these customers have become close friends and we value that trust. We thank you for the confidence you have put in our program over the years.

Give us a call, text or email and we can help you identify a bull or sire group that we think will work for you. Dad and I study these bulls every day and we are very familiar with their mothers and can tell you what we think of each one. Together we planned the breedings, watched them calve and took each weight, so we can help you find the right bulls to help your program.

We strongly encourage you to personally look at the bulls prior to bidding. They are available for viewing anytime. Our sale barn is spacious and can easily fit those who would like to attend the sale. In December we expanded into the shop side and are prepared to do that again. So please plan on attending our final sale, we look forward to seeing everyone there.

Andrew, Laurie, Brielle, Maya, Desta & Indy

FROM THE DESK AT T BAR

15 bull sales and one heck of a dispersal. Dave, Andrew and families need to be commended on breeding such a fine herd of cattle that was extremely well received this past December that will go down as one of the great Angus dispersals within our time. That same popular cow herd is the base of the 150 bulls on offer in this catalogue. This being the final bull sale is sure a proud way to have this herd represented. What a set of bulls here that have all the genetic potential in the world.

The sires represented this year have somewhat of a new flavour and the mainstays that made this program so intriguing. The Growth Fund sire group is impressive with data to back up their strength with an exciting son being as good as you'll see in Lot 131. The Rainmasters have sure commanded attention along with popular Rainfalls that were so in demand at the dispersal. Personally, I do feel Rainfall has the makings of replacing Final Answer, so please pay attention to the offspring he offers. Of course, big stout sturdy sons of Resource, Renown, Trapper and 1439 that have all the credentials of calving ease and performance. But don't forget the Final Answer sons, approximately 15 on offer you can never go wrong with this calving ease legend that is hard to come by.

Although this maybe the final bull sale here at JL, Dave and Andrew are still heavily involved in the cattle business with plans of having 3000 commercial cows and 2000 already in inventory. The Johnsons are special people, their work ethic is incredible. The girls in the family ran 900 head through their sale facility for the dispersal by themselves. Truly a task many can't do. Their attitude towards any situation is something I feel we could all learn from. We at T Bar C are honoured to be involved in any aspect of their farming operation and encourage you to appraise this wonderful set of bulls. I'll leave you with one last thing... as we witnessed last fall how popular and in demand the JL cow herd was, don't you think obtaining a herd sire from such a program would be a good business move? I sure think it would be! It's been an incredible 15 years boys!

See you all in Peebles!

Ben Wright

We are pretty proud of our bullpen this year and this bull is a big part of it. Likely the most admired bull in the pen last December, he caused a lot of people to look up his good young mom in the dispersal. Largely an outcross for us on his dam's side but these Rainmasters are more of just the great kind of cattle.

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value, or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES...

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

VOLUME DISCOUNTS...

1% discount will be deducted per bull on multiple bull purchases to a maximum of 10%.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY...

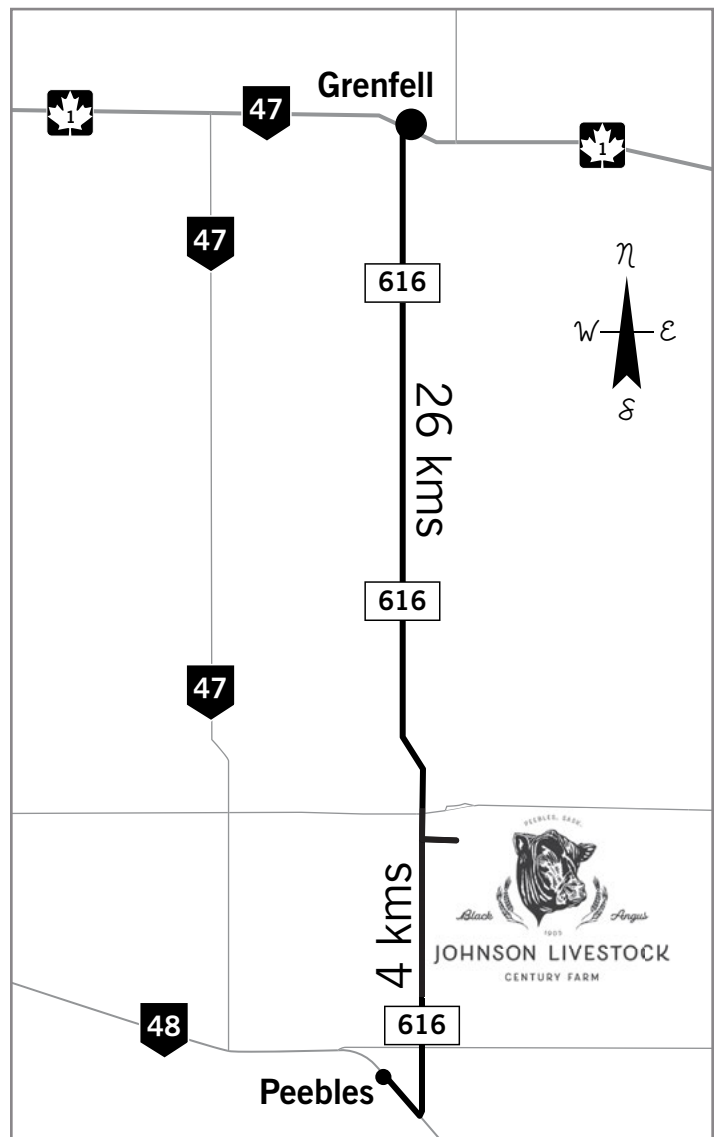

Free delivery will begin in early April. Please work with us to ensure we can deliver the bulls in the most efficient manner.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supercede any written material in the catalogue.

DIRECTIONS...

From Peebles, SK:

Head north on grid 616 for 4 kms.

From Grenfell, SK:

Head south on grid 616 for 26 kms.
