OFFERING 60 BULLS

**49 Red & Black Simmental
11 Red Angus**

Thursday, 2:00 p.m.

February 11, 2021

on the ranch, Rosemary, AB

Welcome

Another year, another great set of bulls we feel are in the sale pen. The year started out little dry then in June it broke loose to make lots of bales and have lots of grass to start out next year. Not much changes around here from day to day, just tackle whatever the day brings.

The red Simmental group has a little different twist. In the goals of making the bull pen and cow herd better every year we flushed a couple cows to what we feel are very usable bulls and meet the needs of our commercial buyers. If it works with the new buyer there are a couple bulls we would like to try on a couple cows ourselves. The pen is completed with our own walking sires with many sisters in the herd.

The black group is all but one from the same sire. It is a very uniform, impressive package. Calved very nice, with lots of growth. Note they are all purebred, but haven't been registered yet as the cow wasn't transfer into Canadian papers in time.

The Angus pen is a group that has lots of calving ease that should present little trouble in your replacement pen. This is the last of Kargos. He did a great job of bring calving ease and performance into the herd.

We do encourage visitors before sale time and allow with whatever you're comfortable with. The bulls will be in sale pens starting Sunday afternoon to make for easier pre-sale viewing. Please don't be afraid to call us or one of the sale reps if needed.

Thanks and hope to see you on the Feb 11.

Thanks

Matt

Like last year we will have a video sale with online bidding on DLMS.

No bulls will enter the barn but will be in the same pens as before.

Payment Terms:

Full payment on sale day, OR ½ purchase sale day with the balance due May 1st with post dated cheque.

Delivery

Free delivery of bulls at the purchaser's risk to points within a 350 mile radius of Rosemary. Delivery beyond the 350 mile radius will be at cost. Delivery will start April 15. Bulls may be kept at Janzen's free of charge until delivery. Should the purchaser wish to extend the bull's stay beyond this date, the cost of feed and care will be \$3.00/day/bull. Each bull becomes the buyer's risk when sold. Insurance will be available at the sale and should be purchased for bulls left at Janzen Ranches for feed and care. For U.S. purchasers, we will do the tests and make delivery arrangements to suit both parties.

Semen Testing

All bulls will be measured and palpated by our vet. With the bulls not being over a year of age, we will test the bulls in the warm weather, around the end of March.

Terms & Conditions

The sale will be conducted under the standard Transcon Livestock Corp. terms & conditions. Copies will be available at the settlement desk.

All bulls have been double vaccinated against foot rot.

Sale headquarters:

Heritage Inn Hotel & Convention Centre 403 362-6666.

Join us for pre-sale lunch at 12:00.

Sales Management Comments

We are all very aware that the Janzen Ranches annual bull sale offering will consist of bulls made in a Southern Alberta environmental designed for Southern Alberta Ranchers. You won't see a bunch of show banners hanging in the Janzen Ranches sale barn. Not that we all don't understand, respect and appreciate those efforts and achievements by others, but a specialized program has evolved here to accommodate the clientele of this vast country.

A bit of a change up to advance the herd and the bullpen has been introduced of late, which is the decision to select some of their top cows and place them in an embryo transplant program. The results are very good and some of the top bulls in the pen are from this venture. This only enhances Janzen Ranches breeding philosophies from taking foundation cows, and creating brothers similar to the long traditional sire groups that have always been a mainstay.

So, leading us into the familiar sire group concept, it exists as strong as ever! The largest group coming out of the Red Simmental section are the "Matrix" sons. There are many multiple choices here to tie some brothers together. Top end bulls in this category also exist from "Liner". This Manitoba import has done a good job in Southern Alberta.

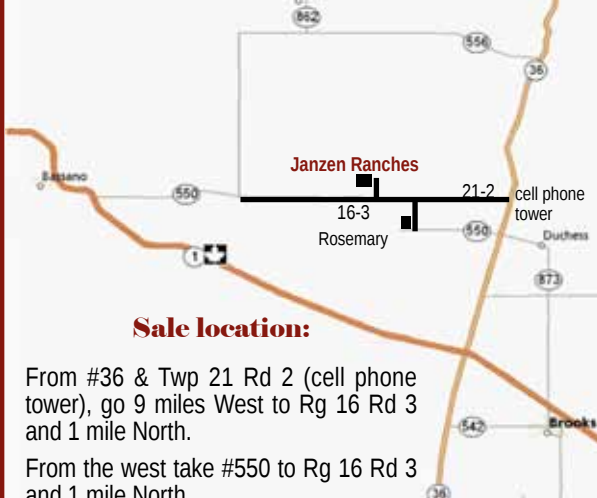

The Black Simmental group are basically all brothers and it really shows through their consistency. This is the most solid group, in my opinion, of Black Simmis to be ever offered by Janzen Ranches.

Similar to the Black Simmental group, from a common denominator of genetics, all but one of the Angus bulls are sired by the same bull. "Red OBCC Kargo 113D" has done a fantastic job with his sons being very attractive to customers in the past sales. With moderate birth weights and lots of grow, you'll like these too.

We are always available to assist with your bidding and buying needs in your absence. We make a point of going through the bulls very well prior to the sale and can certainly handle any sight unseen purchasing needs you may have. Let us know if we can be of any assistance.

For the Janzens,

Jay Good
