

THE
FINAL
BULL AND FEMALE SALE

FEATURING
34 YEARLING BULLS
28 YEARLING HEIFERS

APRIL
2021

7

1:00 PM
CHOPPER K AUCTION MART
ALAMEDA, SK

Welcome to Mantei Farms

Well this is it, the end has come! Our Purebred Herd Dispersal was in December and the decision to disperse, as you might imagine, wasn't an easy one. We are very passionate about our cattle and the Angus breed. So here is your last chance to own a piece of MFA! Our last group of yearling bulls are on offer and we are also offering you a choice set of yearling heifers, which is something we've never done before.

Our first purebred Angus cow was purchased in 1983. For the past 38 years our family has poured everything we have into building our herd based off of the idea of what we think Angus cattle should look like. With a strong focus on performance, extensive pedigree research and mating choices, we are proud to showcase our progeny and their genetics.

My goal was to build a herd of quality cattle with lots of milk, nice udders and based on predictability. We have been in dry conditions for the last four years and have culled extremely hard. If you didn't meet standard, you were bound for auction. We have a strict 'Zero Tolerance' policy for an animal with an unpredictable or growly temperament.

You will find that the bulls on offer all have a ton of mass and muscle, are deep, good footed and are all capable of producing calves that will bring you top dollar. With this in mind, you can breed with confidence! They are an impressive group that you need to see for yourself. Also, these young females are a classy group with lots of style and full of potential! They are ready to pass on some MFA genetics.

It will be tough watching this last group of yearlings sell through the ring, but we are confident they will be an asset to their new owners, and we are proud to say they are from MFA. Rest assured, we will be running some commercial cattle in our pastures and they will all be Angus influenced!

We appreciate all of the support that we have received over the last 38 years and are truly humbled by the acceptance of our genetics into the Angus breed. In the beginning, we were guest consignors in the Black Harvest Bull Sale and their female sales in Moose Jaw, SK at Johnstone Auction Mart. That was way back in the 90's! We have worked with and partnered with some great people over the years and made some great friends! We sold with that Black Harvest Group for many, many years! There are still a few of the group breeding their great genetics into this breed and some, like us, have chosen to bow out. I hope the next generation of cattlemen and women will put these cattle to good use and love these cattle as we have.

We invite you to evaluate every part of our program. Please come for a tour, give us a call or send us a message. Questions?? Please ask!! We are more than happy to share our experiences and opinions of the cattle on offer with absolute transparency.

Big thanks to the whole T Bar C crew and Chopper K Auction Mart for allowing us to host our sale in their facility. With the uncertainty of COVID-19 we will be working with DLMS to allow for internet bidding to make sure everyone is comfortable. We would love to see you at the sale but at this moment life is unpredictable!

We look forward to connecting with you and assisting you in adding some MFA genetics to your herd!

Cecil & Brenda Mantei

IMPORTANT DETAILS:

- All yearling heifers must be taken home sale day from Chopper K Auction Mart unless prearranged with MFA.
- Bulls may return to MFA free of charge until May 1, 2021. After May 1, 2021, a charge of \$3/day will be invoiced to you.
- Bulls returning to MFA - MUST BE INSURED.
- Bulls taken home from Chopper K on sale day will have \$50 removed from the sale price of each animal.

From The Desk At T Bar

Welcome to Mantei Angus Farms Final Bull and Female Sale, April 7, 2021 at the Chopper K Auction Mart, Alameda, Saskatchewan. After dispersing their cow herd last fall, they offer their annual bull lineup along with the yearling heifers.

This great herd of Angus breeding stock was built and developed through the past 37 years. It was built on the necessities of producing a product that is predictable and profitable for all types of operations. This cow herd was designed to be problem free on hard grass and sometimes very dry pastures. Soundness of foot and udder, an abundance of milk, good temperament without sacrificing performance... it was designed using repeat customer requirements.

The Black Gold calving ease, the Dillinger thickness and easy fleshing, the proven Pioneer, and the Specialist out of the Grace female will give you an opportunity to select diverse genetics that are similar in phenotype. Rugged with lots of hair, muscle, and testicle, you can be assured that every bull comes high in maternal values and the majority will work on heifers.

The heifers are paternal sisters to the bulls selling... very uniform as a package. What a wonderful opportunity to obtain a package of heifers... sisters, if you choose to start a herd or add to your existing replacements. Our nation is short of breeding females... now is the time to add to your numbers.

Feel free to stop by the farm anytime prior the sale and preview this top cut offering of Angus seedstock. The cattle will be available for viewing the day before the sale at Alameda. Do not hesitate to give Cecil a call to discuss the offering and which bulls will fill your breeding needs. Plan to be with us in person or online for the Final Sale!

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

Chris Poley

I've always admired Connealy Black Granite but he wasn't available to us in Canada. After some searching, we came across Black Gold and decided to use him heavily. His sons were easy sellers in our bull sale (Alameda Bull Sale) with their excellent muscling and performance. A huge plus was their potential calving ease and heifer safe qualities. His yearling daughters and service sells. They are a flashy group!

After hearing so much about how thick and muscular SAV Resource cattle are, we found Dillinger at the Belvin bull sale. He stamps his offspring like Resource does! Thick, easy keeping cattle. He is a stand out for sure!

Loonie was purchased as a clean up bull for our heifers with the idea of introducing the influence of Bank Note and we're happy we did. We only had about 10 calves, all born unassisted! Currently one of the best bull calves we have in our bull sale pen is a Loonie!

When you come upon a great bull, you just have to keep on using him!! His daughters are the type of cows I've also wanted to raise! Lots of capacity and natural muscle combined with nice, tight udders. His sons have always been the best sellers in our bull sale (Alameda Bull Sale) and most wee heifer safe. At 7 years old he still exudes power and has amazing muscling! He demands to be respected and we have more work for him to do with our commercial herd!

This guy was purchased to use on our heifers and he sure didn't disappoint us! The combining of a Pioneer daughter with Specialist was a no brainer! Extremely easy calving and most of his sons have sold in our bull sale (Alameda Bull Sale) as heifer safe bulls. The Youngdale Grace cow is just an added bonus! Daughter and service sells. Se

Rooster
Our newest recruit!

Terms & Conditions

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Angus Association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
