# FROM THE DESK AT T BAR..

Welcome to the 3rd Annual Meridian Agriculture Co. Ltd. Bull Sale, March 12, 2021 at the ranch headquarters, Acadia Valley, Alberta. For those looking for the "cowman's kind", this sale provides you the opportunity of selecting two-year-old bulls from three breeds in one day. Born, grown, and raised on grass, these bulls offer muscle with soundness due to environment. The native grass pastures are rolling and hilly, like the pastures of their customers. These bulls will not melt down and will cover lots of ground throughout the breeding season.

The genetics offered in these two-year-old packages represent some of the finest and most predictable breeding in the industry with birth weight, growth, and muscle, yet never forgetting the maternal factor. Whether you need white, black or red or some of each, the lineup has diversity for your selection.

Stop by the ranch anytime prior the sale and view the bulls or give Jerry a call to discuss the bulls and your many options. Plan to be with us... for your next bull selection.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.
