

MOMENTUM

Speckle Park & Angus Bull & Female Sale

FRIDAY, APRIL 9, 2021 AT 1:00 PM
CHAMPÊTRE COUNTY • ST. DENIS, SK

Catch the MOMENTUM!

Welcome to the inaugural Momentum Speckle Park and Angus Bull and Female Sale. We are excited to bring together this offering from Colgan's Cattle Company, Ravenworth Cattle and Pick-it Livestock. Together we are bringing forward industry leading genetics from each herd with exciting pedigrees and cattle deep in quality. Throughout the sale offering are cattle that will be an exciting addition to your existing program and will work in your herd, as well as frozen genetics from the top of our breeding programs.

We are pleased as breeders to be working together at the Momentum Sale which is going to be held at the Howling Coyote Saloon, Champêtre County, St. Denis, SK, an old west experience. We would like to thank all of the supporters, bidders and buyers of our cattle at all other events and look forward to working with you at the Momentum Sale. Please contact any of the sale partners for more information on any of the consignments to the sale. All of us would be pleased to answer any questions you may have or offer assistance with selecting genetics to complement your breeding programs. Check out our Facebook pages for more information and sale updates.

From the Desk at T Bar

Welcome to the 2021 Momentum Speckle Park and Angus Bull and Female Sale, Friday, April 9, 2021. This premiere event hosted by Colgan's Cattle Company, Ravenworth Cattle and Pick-it Livestock will be held in the Howling Coyote Saloon at Champêtre County, St. Denis, Saskatchewan. This event offers you an opportunity to select your breeding stock within a truly western flavor and experience.

Colgan's Cattle offer you an exciting lineup of Speckle Park to select from. From the start they have bred and assembled a powerful female base. Colgan's are no strangers to the competitive show ring, having garnered many championships. The progeny of Baxter and Wall Street headline their consignment, both bulls and females. You will be impressed by the uniformity, muscle and shape of the bulls and the sharpness and volume of the females. The cow/calf pairs will be a feature... the open heifers are fancy, and the commercial heifers are of replacement quality.

Ravenworth Cattle have earned a track record for producing high quality seedstock for both the Speckle Park and Angus breeds. Over the past decade they have been both bull and female suppliers and like their co-consignors, have been leaders in the show ring. Whether you are looking at the proven progeny of Invictus, or progeny from their understudies Rubicon and Free Trade, you will be surprised at how uniform the progeny is from all three sires... they have muscle shape, thickness, tons of hair and performance. Their feature is the pick of their 2021 heifer calves... what an opportunity to select a female for competition at the 50th Anniversary of Agribition. Their Angus division offers AI sons by the leading sires in the industry... they offer optimal frame, ease of calving and extra performance.

Layne and Nicki are just getting started in the breed but have a wonderful eye for quality in cattle. Their two year old herd sire contribution will be a feature sale day and their commercial heifers are high quality replacements.

For those looking to get Speckle Park or Angus, Momentum 2021 is an event you must attend in person or online. The lineup of bulls with low birth weights will fulfil your heifer breeding requirements, the heifers are fancy and exciting whether you are just starting in the breed or want to add to your existing herd numbers. The embryos and flushes offered are the "who's who" in the industry. Plan to put some "momentum into your herd" April 9, 2021... it will be worth the trip!

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

We take great pride in the herd that we have developed and the genetics that we are able to offer throughout the world.

Colgan's Cattle Company

Colgan's Cattle Company Corp. is owned and operated by Tony and Tammy Freimark, along with their sons Colton and Logan. Colgan's was established in 2013 when we made the decision to expand our cattle operation into the purebred Speckle Park industry. What began as a hobby and a love for cattle, has now become our way of life.

Heathecoate's dam, Colgan's Chiffon 11C, was purchased by Fleetwood Speckle Park in the 2016 Summit 3 Sale and we purchased her back in 2019, as she has always been one of our favorites and we were confident in the offspring she would produce... and she did not disappoint!

Sire: Colgan's Baxter 1B

Baxter was the first purebred born at Colgan's and we have built our program around him. Baxter is a powerful, smooth walking, easy calving bull. In addition to passing on power and scrotal size to his progeny, his offspring also exhibit performance (high rates of gain) and a calm disposition. Baxter has offspring in Canada, Australia, New Zealand and the EU.
Sire to Lots: 1-9, 22, 24, 27, 29, 31A and 33

SPECKLE PARK - TWO YEAR OLD BULL

LAYNE PICKETT AND NICKI ROSS
 BOX 242, CHIPMAN, AB T0B 0W0
 LAYNE: 587-989-7995
 NICKI: 587-377-1580

It is our pleasure to welcome you to the First Annual Momentum Speckle Park & Angus Bull & Female Sale.

We would like to send out a sincere thank you on behalf of Nicki and myself for everyone that has taken the time to look through our offering and for supporting our program. As we are working to build our numbers we only have so little for offer for this first sale but we dug deep to truly offer some of our very best. The Speckle Park breed is something I am truly passionate about and do the best for the breed as I can with trying to make cattle right, functional powerhouses. Feel free to contact either Nicki or myself to come tour the offering. If you can't make it on sale day, which we hope to see you there, give Nicki a call if you need any assistance on getting signed up on LiveAuctions.TV.

We look forward to visiting with you in the coming days.

If you're wanting a bull to get the cows bred and give them some lovin after, this is your bull. We purchased this bull last year from Colgans; from clipping him last January to seeing how he was developing we couldn't pass up on this fella. We are excited to see the calf crop we get off "Lil Tony." He bred 35 cows this summer and nothing came up open.

From the heart of our replacement pen, they may be young but they are fancy and correct. Pick-it Eazy-E 1E has really stamped his offspring well with low birth weight and high performance. These girls range in age from the middle to end of April.

SPECKLE PARK - EMBRYOS

Sire of Embryos:
Wattle Grove Smoke And Mirrors L275

We are offering CHOICE on this lot, take your pick of three embryos from Wattle Grove Smoke And Mirrors L275 or Colgan's General 20G. This is one of the only Speckle Park cows we have flushed here at Pick-It Livestock, so that right there tells you she has to be a good one - she goes back to the good Codiak Cougar 54R. These embryos are hard for us to sell, but planned these mating to be game changers to the breed. A moderate framed cow with lots of depth, middle, PLENTY of milk to bulls we think are going to change the breed as they are freaks of their own. **Embryos are stored at Davis-Rairdan Embryo Transplants. Storage and delivery fees are the responsibility of the purchaser. QUALIFIED FOR NORTH AMERICAN ONLY.**

306H has the "it" factor! When searching out your next young herd sire, the traits and characteristics that come to the top of your list are quickly evident; performance, muscle shape, phenotype, feet and legs and a smooth front end. Checking off this list easily, 306H earned his name. This calving ease bull will add dimension, muscle shape and eye appeal to his progeny. This bull carries a lot of presence. **Terms: Selling full possession and 50% semen interest.**

Dam:
 Ravenworth Acadia 115A

Ravenworth Acadia 115A is a matriarch cow in our herd, that has produced fantastic females and here is an exceptional son. With very stringent selection on flush cows from our herd, this cow easily made the program with her track record and here is a flush son. The mating to Invictus is a bang on match. Many of the females from this cow line have been part of our show string with champions sprinkled throughout.

SPECKLE PARK - YEARLING BULLS

Lot 41

Dam: Ravenworth Acadia 113C

Full Brother:
Ravenworth Obsession 101G

Each time we repeat this we are ecstatic. Ravenworth Acadia 107E, Ravenworth Adrenaline 115F, and Ravenworth Obsession 101G were all in our show strings. Based on this proven performance we selected this breeding combination for our flush program and once again are very pleased with the resulting calves. Here is a bull calf that would easily stand in with his full siblings from past years' breedings. As an embryo calf he comes with a little more birth weight,

but don't let that deter you, the Invictus calves are all consistently easy calvers not only because of the birth weight but most importantly the angular front ends.

Show stopping eye appeal and extremely docile, this bull always stands out in the pen. Sharp fronted and great neck extension while maintaining great muscle shape and balance, this bull garners more than his fair share of attention. His dam is a ten year old cow who just keeps bringing them in every fall.

SPECKLE PARK - YEARLING BULLS

Dam:
Six Star Lightning Lady 22W

From a very young age this bull was super masculine in his style and structure. His dam always raises exceptional bull calves with the absolute best heads. She is also the dam or granddam to the popular Lightning Lady show cattle and high selling females we have had over the years. This 12-year-old cow is still working in our herd with a track record of not only high selling bulls and females, but also champions and many from her cow line are working in our herd. This bull is the kind who will stamp his look on his progeny.

Dam:
Ravenworth Prairie Lily 9Y

Here is a heifer bull thru and thru. This is the first ever bull calf produced by Ravenworth Prairie Lily 9Y, she likes to make heifers. So we are very excited to offer this bull as 9Y produces absolutely lovely females. Her udder is sound and balanced and she is long bodied with lots of volume. Accent 323H will produce quality females and smooth balanced bull calves.

SPECKLE PARK - YEARLING BULLS

Lot 45

Dam:
Ravenworth Prairie Lily 122B

Muscle shape, thickness and overall width is what Influencer 303H is all about. With Ravenworth Prairie Lily 122B as his dam, he is set to be a good one. Ravenworth Iconic 115E, working at Red Maple Speckle Park in Ontario and Ravenworth Prairie Lily 104G, Reserve Champion Female at the 2019 Stockade Round Up as a heifer calf as siblings from this dam, she has proven what she can do. Big, big middled, extremely wide topped and well sprung; this female puts a lot into her progeny. Sired by Ravenworth Rubicon 103F he is sure to pass on his muscle shape and thickness.

SPECKLE PARK - YEARLING HEIFERS

Dam:
Ravenworth Lightning Lady 121D

Take note of this female if you like 'em deep. If you want to talk about a big bodied, visually impressive dam look no further than Ravenworth Lightning Lady 121D. This younger heifer shows a lot of performance and muscle dimension. A sound individual with fluid movement and a sharp front end, this heifer is the full package. With the unmistakable phenotype of an Invictus daughter.

This heifer is forged from the same cow family as Invictus himself. With a dam that captivates an audience, females of this magnitude rarely come up for sale. 120E earns the honour of one of the best udders in our herd. The dam, Ravenworth Northern Star 120E with calf 129G at side was Reserve Senior Champion Female at the 2019 Stockade Round Up. We have added 129G to our herd, so this has opened the door for someone to have access to this amazing cow family.

For the inaugural Momentum Sale we are pulling out all the stops! Due to the demand from commercial and purebred breeders in Canada for the opportunity to add Ravenworth Invictus 103C genetics into their breeding programs we are increasing our offering of semen. Ravenworth Invictus 103C is a proven sire. He offers calving ease and outstanding performance all in one package, as you can see with many of his progeny in our Momentum Sale offering. Proven consistency is his real claim to fame. His calves are stamped with his style and it always shows. His show record was amazing and we have had many of his progeny in our show strings with them garnering everything from class champions to Grand Champions. The carefully selected genetics in this bull shows up clearly in his offspring. **This will be the only semen we will offer in Canada in 2021. Qualified for Canada, USA, Australia, New Zealand. Stored at Bow Valley Genetics Alberta. Shipping will be the responsibility of the buyer.**

Ravenworth Lightning Lady 120C

Son: Ravenworth Stetson 112G

Ravenworth Lightning Lady 120C has been in our show string many times from a bred heifer to multiple times with calf at side. Ultra feminine, huge topped, explosive spring of rib and great feet this female does a fantastic job in our herd. With her son being our high selling bull last year and one of her daughters in this sale (Lot 52), you can see what she can do and it is substantial. We have milking daughters in our herd and they are two of our favourites. Here is a chance to flush this cow the way you like.

Our Angus herd, building since 2005 is backed by functional cattle with strong maternal pedigrees and carefully selected sires. The Momentum Sale offers a great selection of Angus yearling bulls and females from our program with genetic diversity in our selection of AI and walking sires to meet your breeding requirements. Our Angus breeding program is focused on breeding for length of spine, good structure, capacity and good feet, while maintaining an eye appealing phenotype. All of our bulls are developed on a ration with longevity in mind. We are very excited to be offering our Angus bulls for the first time at auction. We welcome any inquiries and contact us if you would like to view any of the animals on farm.

Dam:
Ravenworth 68Z Ruby 33D

This younger bull is a tank, off a moderate dam with a beautiful udder. He is stout made with good feet. Oozing style and extremely balanced. Just how you want 'em. Here is a bull who definitely has the phenotype we appreciate. Heifer bull here.

ANGUS - YEARLING HEIFERS

Sire: TC Aberdeen 759

Dam: Linwood Ruby 5U

With a maternally packed pedigree, 19H is destined to become a highly productive female. Longevity, fertility and udder quality are top traits in this cow line. Her dam is still producing at 13 years of age, and had a previous daughter selected for the Power & Perfection Sale at Agribition. Females from this cow line always stand out in the pen or in the pasture. Maternal siblings working at Paetsch Livestock, Jansen, SK, Ranch Jacques Therriault, Quebec and Seven-Hills Ranch, Neilburg, SK.

This boldly sprung, wide topped heifer has show stopping style and eye appeal. Our walking bull, CCCJ Lotto 21E has sired some very attractive calves and this is definitely one of them. Maternal Grand sire is Royal S Yellowstone 29D, adding a little something extra.

Lot **78**

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

CERTIFICATE OF REGISTRATIONS:

Each purebred animal will carry papers issued by the Canadian Speckle Park Association and Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

HEALTH:

All animals in the sale have met all necessary health requirements.

GUARANTEE:

All sellers and buyers of Speckle Park and Angus cattle in this sale are expected to be knowledgeable of and to abide by the Guidelines for Seller and Buyer Expectations and the By-laws of the Canadian Speckle Park Association and Canadian Angus Association. These documents are available from the Association offices.

PREGNANCY INFORMATION:

All serviceable age females have been pregnancy examined by an accredited veterinarian, giving an estimated length of gestation. This estimated gestation period shall be used only as a guideline to calving and is not a guarantee of actual service.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

DELIVERY:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

INSURANCE:

We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
