CHAROLAIS EPDS JANUARY 2021 BREED AVERAGES

BW	WW	YW	MM	TM
0.8	44.5	85.7	21.3	43.5

Welcome to our 2021 bull sale.

What a year we have behind us. You all know the COVID "drill", but combine that with worst drought in 60 years and we find ourselves still working through challenges at our place. A year that reminds us to be grateful for family, relationships and friendship.

It is a times like these that we must respect the value of a cow herd in producing a solid set of working sale bulls. Adversity and challenges certainly creates the ultimate of culling and selection tools in a breeding program resulting in the most solid and productive set of cows ever.

We want to thank all those who have shown interest and have supported our bull sales. Some of these people were buying our bulls before the internet was invented!

Thank you to all those who help us throughout the year; dropping straw, finding hay, doing custom work or just keeping an eye out on things for us. Thanks to Erin, Rory and Stephen for helping with this year's sale and its preparation.

We encourage you to view our videos and come early to view the bulls. They will sell by video at 1:00 pm CST.

Thanks to Chris and the T Bar C crew for their support and guidance. See you soon.

Remember to help a young rancher.

— Mike and Joanne Neilson

From the desk at T Bar...

Welcome to the Neilson Cattle Company Annual Charolais Bull Sale, Monday, March 22, 2021 at the ranch, Willowbrook, Saskatchewan. For over three decades, Mike and Joanne have been supplying the livestock industry with high quality Charolais bulls. Their success must be credited to the fertility and longevity of the bulls and much of their customer base is repeat. Many of the bulls over the years have been selected by large breeding pastures who have been dedicated customers simply because Neilson bulls are high quality and good value.

What a great group of bulls on offer for 2021... these April and May born, polled, two-year-olds are complete in all dimensions... nice birth weights, tons of muscle shape, long-sided, thick from end to end and plenty of hair and testicle. The bulls are grassed throughout the summer in large pastures for growth and soundness, then brought in, in the fall, to slowly prepare them for sale condition. You can rest assured that these bulls are not stuffed and are full of natural muscle. Neilson bulls are great value for dollars invested and backed by their personal guarantee.

Feel free to stop by the ranch anytime prior the sale and preview the bulls as they are conveniently located one mile south of Willowbrook on Highway 47 or give the Neilsons a call to discuss the bulls and those that will suit your breeding intentions. Plan to be with us in person or online for a great group of Charolais bulls.

For those who are not using a Charolais bull... it's never too late!

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.
