### **From the desk at T Bar....**

Welcome to the Prairie Cove Charolais Bull Sale, February 18, 2021 at the PCC Headquarters, Bashaw, Alberta. Now a third-generation family, the Bullick roots were founded by Bill and Bubbles in the rolling sand hills of the Consort/Coronation ranching country over half a century ago. Since ranch customers are the best teachers, many lessons have been learned of ranching needs and the product required ... important lessons which are still used to this very day.

With each generation the cow herd and product produced improved and that is the reason the folks at Prairie Cove offer a powerful set of bulls for your selection today. No doubt, there are breeder bulls in the offering, but the pen of bulls were bred and designed to add value to the multitude of commercial producers wanting to add value and pounds at weaning. Without giving up performance, soundness, hair, and no fuss at calving, is bred into the lineup. There are bulls for all budgets and all types of breeding operations and most importantly carry the Prairie Cove Satisfaction guarantee.

We are not short of Covid but the beef industry will be short of quality Charolais bulls for the breeding pastures of the nation. It is not a secret that using a quality Charolais bull will add dollars into your calf crop in both weight and price... enjoy the Charolais advantage.

Congratulations to the gang for a great female sale and their purchase of an exciting new sire. We all know the Prairie Cove program has been extremely successful in competition, but if one had told Bill Bullick in the founding years that PCC would have a National Champion Overall Breed at a major show, his reply likely would have been... "you've been drinking!"

Stop by the ranch anytime prior the sale and preview the offering and see the mothers... feel free to give Tyler or Tim a call and discuss the bulls and which bulls will fit your breeding requirements. Circle February 18th on your calendar as a must remember date... plan to be with us or online... it will be worth your time.

During these times, feel free to call anyone on our T Bar C Team to discuss or purchase any of the cattle offered. We have graded each individual and will be pleased to assist in a professional and confidential manner.

*Chris Poley*

# welcome

As I write this welcome to our 2021 Prairie Cove Bull Sale, we have some new calves on the ground that already have us excited for the new year.

With so much uncertainty in the world these days agriculture has been such a steady and sturdy way to make a living and grow a family. Our beautiful girls finally got to go back to school which is awesome as they love interacting and socializing with their friends and teachers at school. That being said we feel the same way at the farm, we sure like visiting and chatting with all of our friends and neighbour's, past customers as well as new customers. So we sure hope you will join us at the farm February 18, 2021 as we will provide a safe environment to look at the bulls.

Year in and year out we try to improve our cattle by adding new genetics and keeping on with the lines that have proven successful for our past customers.

This is a strong and consistent set of cattle, from the best calf crop we have ever had, which would include the incredible set of females we sold this past fall so successfully. I believe we have cattle to suit everyone's needs from power and performance bulls to more calving ease type bulls and everything in between.

It's been a unique year for many but we choose to focus on the positive of this Agriculture business we are in. The tremendous people it surrounds us with, Charolais cattle have been a way of life for my family for many years and we plan to continue that for many years to come. We 100% stand behind our cattle and our genetics and we always will.

We invite you to join us February 18, 2021 for a great set of cattle and some hospitality if you can't make it be sure to log on to [www.DLMS.ca](http://www.DLMS.ca)

Or better yet give me a call as I enjoy talking Charolais cattle and helping you find genetics that will compliment your herd.

*Tyler*

# 2017 WORLD CHAMPION 2017 FARMFAIR SUPREME 2017 RBC BEEF SUPREME 2017 SHOW FEMALE OF THE YEAR

## *PZC LILY 5013 ET*

PZC Lily 5013 ET - 2017 RBC Beef Supreme Champion female, 2017 Farmfair International Supreme Champion female. The Most Dominant Charolais show female in recent memory, unprecedentedly winning the two biggest and most prestigious shows in our business, back to back. With one of the deepest groups of females ever assembled, Lily prevailed on top not once but twice. We are offering a very unique combination of new sires out of the Great World Champion Female.

Take the opportunity to come to the farm and see our Lily x Carbon Copy heifer calf we have on the ground, she sure is one to catch your eye!

We really are proud of the way this bull is built. He is structurally correct, sound on the move and always carries his head proud like a real stud herdbull should. He is stout quartered, wide topped and just has a superior presence about him.

Being one of the first sons out of the two time Supreme Champion and World Champion Female PZC LILY 5013 ET just adds to this young studs intrigue. This is a bull we would like to work with the new owners to possibly campaign and market into the future.

Give us a call to inquire about this exciting young herdsire.

What a power house herdbull; huge hip, big rib, muscle, shape and hair all combined in a unique package.

This Outsider son really reminds us of the bulls the Barritts bought last year as high sellers and half brothers to this big stout rascal. You want to add pounds, shape and hair to your calf crop these are the kind of bulls that get it done.

This big yellow impressive steer was raised by Kent, Caroline, Emily, and Denver Barritt and is a sample of what using PCC bulls can do to help take your calves to the next level.

## PCC LUBBOCK 65H

M / MC795944 / PCC 65H / MARCH 1/20

3

A sale feature that is bred to be a breed leading calving ease sire, negative birth weight EPD combined with a 83lb actual birth weight and consistency in the lineage, with two other flush brothers in the offering that also have low birth weight numbers. This group of PZC Lily 5013 ET herdsire prospects are top notch and uniquely bred, with her being a two time supreme champion

female and world champion you know they will have an attractive look. This young stud has been a stand out his entire life, always striking a pose, a younger born bull with great testicles. His sire LT Landmark 5052 has worked well for us as a daughter was one of the high selling females in the fall sale at \$18,500.00 to our great friends at DanG Charolais and you will see more from that intriguing female. Landmark has taken his place as a leading bull in the AI market in the USA as he is -4.9 birthweight EPD which is top 3%, and 27 milk EPD which is top 1% in the entire breed. He has 917 progeny registered in the USA making him a proven calving ease sire. Adding Lily to this combination makes these bulls elite in terms of consistency and marketability.

Semen will be available on this herdsire this spring to cover your heifer bull needs. Selling 50% possession, 50% revenue sharing semen interest

#### LOT 4

If you are looking to put some eye appeal in your calves take a look at this long bodied Outsider son out of Lily. The Outsider bull has produced many show winners and outstanding commercial bulls that are working for some of our top customers. The Barritts are using 2 top Outsider sons in their top quality herd of cows.

#### LOT 5

We went back to some older genetics when we flushed Lily to get this Whitehot son. As you look thru pedigrees you will find Whitehot is the sire of one of our major donor cows PCC 407B. Eagle Valley Charolais has 2 full sisters out of this flush with one selling to the Thompson's in Nebraska in December. Strong pedigree here.

## LOT 6

An easy calving Landmark son-out of the 2-time Supreme Champion female Lily. We use embryo transplant to get multiple calves per year from some of our superior females. As you can see, we have many sons from different sires from Lily in this year's sale. Watch for this smooth fronted low birth weight individual.

*Dam of Lot 10*

The first Rhinestone Cowboy sired bull to sell in Canada, and he doesn't disappoint. He hits you hard when you first see him with tremendous muscle, and a big top. He comes in a moderate package and a nice comfortable birth weight, this extra age bull will cover more miles out on pasture with lots of cows. This genetic outcross is a great option for seedstock producers as this bull is high quality and offers a unique twist with his pedigree.

Selling 50% revenue semen interest, selling full possession.

## PCC RIDDIK 2588G

M / APPLIED / PCC 2588G / AUG 20/19

11

Outcross pedigree for many red Charolais breeders, PCC Riddik 2588G is a fall born bull that has that extra age to cover extra cows a smooth made bull with an attractive look and really good, sound foot under him.

PCC Riddik 2588G is out of the great Donor cow TR MS Diablo 2588Z, a high selling female at the Thomas Ranch in South Dakota. She is stout made, long necked and has a superior udder placement and size as well as having tremendous hair.

A different twist for what we are used to, but this bull has quality and has a high quality pedigree to go along with him.

## ***HVA FIREBALL 662F***

A \$20,000 Homo polled, high selling bull in the Palmer Charolais Bull Sale, that we purchased with our good friends and partners DanG Charolais. In our opinion one of the most impressive Duty-Free sons to ever sell, he was tremendously stout built, with a big hip and top. He combines that with a very soft belly and explosive rib dimension. He also was one of the best haired Duty-Free sons to sell, which we just love. Our first calf crop has blown us away with consistency, softness, sound structure and a good back leg set.

Semen available at 20 straws- \$2000

*PCC 46H, daughter*  
Purchased by Tyler Young for \$6250

*PCC 71H, daughter*  
Purchased by Caprock Cattle Co for  
\$12,000

*PCC 60H, daughter*

This bull is built so darn nice, smooth as they come, this homo polled fireball son is out of Miss Prairie Cove 407B. These Fireball cattle just continue to impress as they have so much substance, hair, and that easy fleshing ability. The females were a big hit in the fall sale and I truly believe that the bulls will be even more popular with our customers. These bulls are sound moving, good footed and very quiet bulls that are just the right kind.

This bull has a stacked pedigree, consistency will be strong with PCC Fabio 75H. Fireball is becoming a go to sire for us as we go forward we just love the type of cattle he sires.

**LOT 18**

A younger Fireball son with a low birth weight EPD and huge performance numbers. The Vegas daughters have been tremendous producers. 313A has progeny working from northern Alberta to Ontario at Bogart Charolais and an outstanding son working for Gusse operation where you will find some of the top feedlot cattle in the country.

Miss Prairie Cove 309A, dam of Lots 20-24

Power in the blood, Herdbull from every angle; great character in his head, so square up over his hip and top.

PCC TUSCANY 43H is one of the best of the year. Full brother to CAYS FULL HOUSE 22E that is working at Stepler Farms, another Herdbull working at Legacy Charolais and yet another power house working at Tri-N Charolais. Like I said before these Turtons just work, gentle natured bull, with loads of hair and muscle expression. Proven predictability on these genetics. You want the easy fleshing, hairy popular bulls in the bull pen year in and year out, PCC TUSCANY 43H can do that.

## CAYS COOPER 20H

Cays Cooper 20H broke the mold when he hit the ground, performance stud, big, stout, hairy, power herdbull. He has been impressive right from the get go, huge rib and the amount of shaggy hair this bull has really is something to behold. Get Cooper on the move and he glides around effortlessly. He has the real deal herdbull head and look to him, big testicles and early maturing. These are the kind we all wish we had pens full of, the easy selling kind of bulls that stay in good flesh all year and go out and get all the costs covered.

We sold a fabulous Turton daughter in our female sale to very well respected cattleman and he asked me why wouldn't people be going crazy for this female she is just so awesome. We chatted about Turton being used heavily in the Charolais breed and his comment back to me was so interesting and really so truthful. Good cattle are good cattle no matter how many people have those genetics. That comment was so great and refreshing. These Turton cattle are just really GOOD cattle no matter what.

Owned by Cays Cattle

Miss Prairie Cove 309A x Turton what a mating, really that is all that needs to be said with 22 offspring being registered to this mating, to say it's been a success would be an extreme understatement.

The latest in that mating selling in the Miss Prairie Cove female sale going to our good friends the Cholacks at Lamont AB. Deb just loves this female as she is so friendly and attractive and loves her rubs. Miss Prairie Cove 309A cattle are always so docile. Cays Keystone 17H has that attractive look that Turton always gives, and the herdbull presence, always catching your eye in the big boy bull pen over on the hill.

Full Brothers are working so well for Cattle Lac Charolais, Stepler Farms, Legacy Charolais and Tri N Charolais.

Owned by Cays Cattle

## LOT 23

A full brother to the popular Cays Outlaw that was the high seller to the progressive breeders Legacy Charolais and Horeshoe E. Miss Prairie Cove 309A being mated to Outsider has been a huge hit with high sellers going to purebred breeders and commercial producers a like. Miss Prairie Cove 309A is in the top 4% milk epd in the entire Charolais breed, she has ideal teat size and udder attachment.

Owned by Cays Cattle

## LOT 24

Many of our commercial customers that have used Pastor sons in the last few years absolutely love them. The length, hair and superior performance have made our customers ask us to produce some more. There is no better dam than 309 to cross with Pastor to bring you an outstanding younger herd bull. Just ask Mark and the boys at the Cluny Colony about how well the Pastor sons have worked for them.

25

## LOT 25

This Kentucky Rain son has been an eye catcher all summer on his beautiful uddered Rome dam. Kentucky Rain offspring are consistent in there free moving stride and ability to put weight on easily. The longevity of these Kentucky Rain sons is something we look forward to.

Long, long, long, you want to add length of body this is your bull, curly hair and great headed. This bull is a full sib to the high selling female in the sale this past fall that went to Cays Cattle. The ultra popular Lot 14 female was a popular pick by many. PCC OAKLAND 20H is a performance bull that fits the mold of many of the bulls the Cluny Colony has bought over the years. Cluny Colony rings the bell every year with the top calf prices at the Strathmore Market.

*The Silver advantage on display at Cluny colony out of PCC bulls*

**LOT 29**

A full brother to PCC Brewitt 929G the players club champion that now resides at Caprock Cattle Company in Texas. This bull is full of meat and muscle, this herdbull has great hair and a powerful top line and big loin.

This mating has been so successful for us, we sold 2 full sisters to this bull to Serhienko Cattle Company and Legacy Charolais in the fall female sale. This bull will add pounds and attractiveness to any calf crop. Don't miss the opportunity on these extra performance bulls in the offering.

This high quality herdsire was purchased by Caprock Cattle in last years bull sale and was used very heavily on the Caprock and PCC heifer pen.

PCC Resurrection 934G has kept his shape very well, and exhibits his great quality feet and sound movement. The calves are hitting the ground with lots of vigor and hair.

A proven heifer bull with an 82lb birth weight that is backed with a strong pedigree out of a homozygous polled Pastor daughter with a great udder and lots of milk.

Co owner: Caprock Cattle Co

## LOT 36

Two-year-old bull is extremely smooth in his build, he also provides the extra length of body that always helps add pay weight in your calf crop.

A PCC Rome 437B son that moves so well on a great set of feet and legs. These bulls have longevity built in them as the mothers have great maternal strength and we strive to have some of the very best uddered females in the entire Charolais breed.

### TERMS AND CONDITIONS

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds. **Bidding:** Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final. **Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures. **Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze. **Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void. **Certificate of Registration:** Each animal will carry papers issued by the Canadian Charolais Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made. **Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder. **Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale. **Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale. **Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. **Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value. **Errors:** All announcements at sale time, written or oral, supersede any written material in the catalogue.

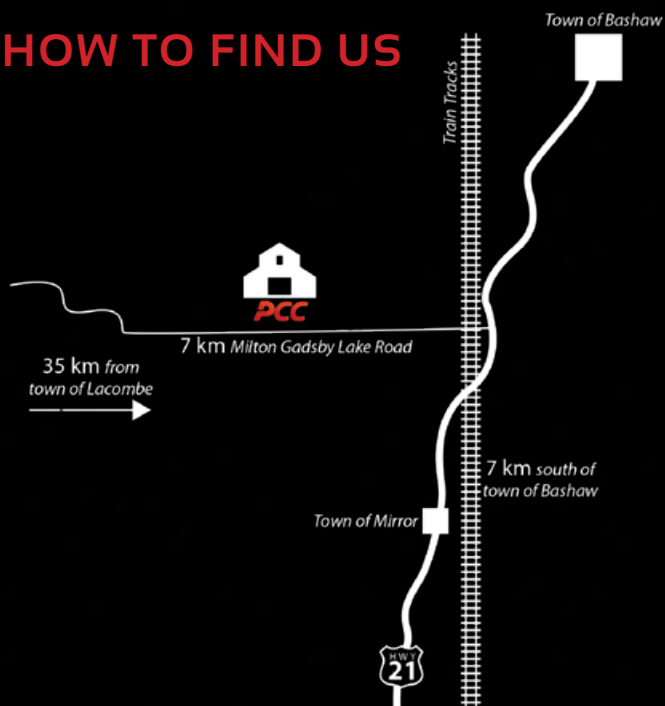

*Thank You*  
To everyone who made our fall female sale an overwhelming success!
