

# PRIME PLUS

## BULL SALE & REPLACEMENT HEIFERS

***April 14, 2021 - 1PM***  
***Beautiful Plains AG Complex***  
***- Neepawa, Manitoba -***

# Welcome to the sale...

Welcome everyone to our 4th Annual Prime Plus Bull Sale. What a year it has been in 2020 but it looks like we may be seeing light at the end of the tunnel with COVID-19 vaccinations rolling out, with four vaccines approved for use in Canada. We have to be extremely thankful that during the COVID crisis, that agriculture was deemed an essential service and although there has definitely been an impact, our industry has survived better than most. For our sale, we will be following government protocols and at this time, it looks like we may not be able to host a lunch. I would encourage people that are interested in buying to stop by the farms to view the offerings if at all possible.

We are very excited about what we have to offer this year. We have some older bulls that will be able to cover more cows. In the yearling bulls, we have calving ease and performance. We have lots of bulls with pigment. From the Angus side of things, we are excited to have a new consigner – Chris Moore of Squirrel Creek Angus – bringing us both Red and Black Angus bulls. As well, Ron Bathos and Jay Rimke will be bringing us some strong Angus two-year-old bulls as usual. We felt we needed to increase the Angus bull numbers in order to offer more selection for buyers. Feel free to contact any of the consignors to discuss your bull needs.

Hope to see you at the sale or if you are not able to attend, the sale will be available online through DLMS.

- Doug Troop, *Doug Troop Hereford Ranch*

## From the Desk at T Bar...

Welcome to the 4th Annual Prime Plus Bull Sale with Replacement Heifers, April 14, 2021 at the Beautiful Plains Ag Complex, Neepawa, Manitoba. The Prime Plus Bull sale is a source and supplier of British breed sires... sires that are necessary for building cow herds with heterosis and identity. The baldie female is the most sought after and popular cow in the pastures of North America and they have one common British base.

The Herefords in Prime Plus are supplied by Doug Troop, the Calvert's, Mann's and Stocki's... leading Polled Hereford herds in Manitoba. They offer a powerful group of yearling bulls that are similar in phenotype but diverse in genetics. Thick, deep, and rugged, they have lots of that needed hair, docility, and do-ability... standards that the breed is noted for. In addition, several two's and fall born bulls complete the field... they will cover more ground and bigger cows. Birth weight is an important factor of everyone's breeding intentions and as you go through the lineup you will find a large part of the offering is "heifer friendly."

In the Angus portion of the sale, Batho Farms Ltd. offer a stout lineup of March/April born two-year-olds both red and black. Sound footed, muscled and athletic, these bulls will work in all types of cow herds and all types of terrain covering lots of ground. As a bonus, you will keep all the daughters for replacements.

New for 2021, Chris Moore, Squirrel Creek Angus, also supplies black and red yearling Angus bulls. You will be impressed by their uniformity in body shape and style. They carry unique genetics and awesome low birth weight numbers... ideal for the heifer pastures of Western Canada.

The lineup of Hereford influence commercial replacements is well worth the trip. Females of this quality are hard to find and have years of earning capacity bred in.

Stop by any of these leading breeders and preview their offering in their natural environment... the bulls will be at the sale facility the day prior. Feel free to call any of the consignors to discuss their bulls and which would fit your breeding intentions. Plan to be with us in person or online... and add more British blood into your program.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar Team or myself, we will help you in a professional manner.

We purchased this bull's mother from the Wascana dispersal. She had a heifer calf on her that sold for \$5,000. This 76 lb. birth weight calf would be an excellent choice for use on heifers. His mother is a big powerful cow with a perfect udder.

# Terms and Conditions

**Terms:** The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

**Bidding:** Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

**Announcements:** All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

**Breeder's Guarantee:** Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

**Exception Guarantee:** In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

**Certificate of Registration:** Each animal will carry papers issued by the Canadian Hereford Association or the Canadian Angus Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

**Pedigree Estimates:** Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

**Health:** All animals in the sale have met all necessary health requirements.

**Liabilities:** All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

**Rights and Obligations:** The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

**Phone, Mail, Wire Bids:** Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

**Delivery:** We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

**Insurance:** Will be available sale day. We strongly recommend that insurance is purchased for full value.

**Errors:** All announcements at sale time, written or oral, supercede any written material in the catalogue.

**Return Undeliverable  
Canadian Addresses To:**

**T Bar C Cattle Co. Ltd.  
Box 2330  
Warman, SK S0K 4S0**
