EXPORT:

We will attend to and assist with all necessary health testing, vet examinations, paper work and obtaining state permits associated to export animals. A \$300 (CAD) charge per animal will be paid by the purchaser at the time of settlement for their purchase. Delivery assistance provided to get your bull(s) to your ranch.

DELIVERY OPTIONS:

Purchaser's unable to take their bull home on sale day may leave the bulls at the respective consignors farms until required. Bulls will be looked after free of charge until April 15th, after which there will be a \$2/day charge. Delivery will begin shortly following the sale at the buyer's and seller's convenience. FREE Delivery within 100 miles; please make delivery arrangements with your bull's consignor(s). All bulls returning home must be insured. Insurance will be available on sale day. \$100/bull rebate on bulls taken home sale day.

FERTILITY:

All bulls will be scrotal measured and semen tested prior to sale day. All animals will carry the standard breeding guarantees, as specified by the Canadian Simmental Association. At no time shall the seller's liability exceed the purchase price of the animal.

From The Desk At T Bar...

Welcome to the 15th Annual Proudly Western Simmental Bull Sale, Saturday, March 20, 2021 at the Whitewood Auction Mart, Whitewood, Saskatchewan. For nearly a decade and a half this group of breeders have been the source for herd bulls of the highest quality for the livestock industry, purebred and commercial. The 2021 edition of Proudly Western presents a powerful opportunity to move your breeding program forward... this cattle business is good, and it will get better moving forward.

Sun Rise Simmentals offer three powerful black improvers. High in performance, they were chosen as the top three in the pen of their small elite herd... breeding quality sires has become a habit for the Sun Rise folks.

Swan Lake offers an exciting group of yearlings all homo polled. A maternal brother to Agribition Champion Swan Lake Red Circuit headlines the yearling division for Greg, but the genetic diversity offers many opportunities. No doubt the progeny of Wheatland Bull 7159E and Red Circuit will catch your attention. The Swan Lake program also offers the top cut out of the fall breeding program... born on grass and run on grass until fall, these bulls with a little more age will cover more ground and more cows. Many of these bulls are homo polled with big weaning weights and optimal birth data.

Scissors Creek Cattle Company is a family farm where everyone has a job. Mark will tell you this is by far the best group of sire prospects they have ever produced. The sons of black Wheatland Bull 8146F, the black and blaze Androids and Time Stamps are uniform, homo polled and are powerful as a group or individually. But let us not overlook the Mountains... reds who are like peas in a pod in thickness, hair, fertility, and type. You will want to keep all the daughters.

Terry and Loretta from Flying TL offer a rugged group of two-year-olds. They are late born and have been held over especially with this sale in mind. They are all homo polled with five red sons of Sun Rise Eclipse and two by the famous Captain Scream. They all have great birth weights and are ready for lots of cows.

For those who are serious about profit and herd improvement, Proudly Western is a must attend sale if you are looking for thick, rugged Simmentals with optimal birth weights, lots of hair and testicle. Feel free to visit any operation and preview the bulls in their natural environment where you can see the mothers... or call any of the breeders to discuss their bulls and your options for the spring... they love to visit Simmental cattle.

If we may be of assistance, prior to or sale day, feel free to contact any of the T Bar team or myself, we will help you in a professional manner.

Debbie Ecklund

January 25, 1959 - September 24, 2020

This year's sale is dedicated to the memory of Debbie Ecklund. Debbie was taken suddenly and much too young on September 24, 2020. She grew up on a farm near Whitewood and cattle were a part of her entire life. In her younger years she travelled North America custom fitting and showing. She won banners at Denver, Brandon, Lloydminster and Regina bull sales as well as many from Agribition. She was honoured to be a part of the panel of judges for the RBC Beef Supreme Show in 2008. Towards the end of her purebred Simmental career Debbie sold bulls in the Proudly Western Bull Sale from 2007 until 2010. Debbie's life was changed in June of 2019 after a stroke left her unable to walk. After two months at Wascana she returned home to the farm but needed a cane or walker to get around and was unable to do so many things she loved. Debbie has three children with Mike Ecklund; Jennalee, Cole and Taylor; they are all married with young families and she was so proud of her children and their accomplishments. She was able to meet her two youngest grandbabies just days before she passed away. She is greatly missed by her partner, Danny Thomas, who continues to ranch on their farm near Whitewood. She will be forever missed and loved.

 www.sunrisesimmentals.com

Welcome to the 15th Proudly Western Bull Sale.

We were fortunate to have another great year at Sun Rise. The grain and hay crops were particularly good. In 2020, our calf crop had a high percentage of bull calves, which has made for a strong, uniform bull pen in 2021. We have consigned three of our top bulls to the sale.

The grandkids are growing up fast. Duncan is nine and has his first 4-H steer this year. Braiden is six, and likes to help with the halter breaking and grooming.

Due to COVID restrictions, we would like to show you our sale bulls and dams safely at the farm prior to the sale.

**Evan & Linda Cuss

Swan Lake Farms

Welcome to the 15th Annual Proudly Western Sale.

We would like to thank all the people that have trusted our genetics over the years. We strive to raise bulls that will go out and work for you. Our success is because of you, your belief in a great product, your trust in our program and your ingenuity to see what can be produced by top quality and hard work. We thank you.

The bulls are fed barley silage, mixed with hay and bull developer pellets made from the co-op feeds. Bulls are in large spacious pens for lots of exercise. We strive for the bulls to gain between 3 and 3.5 lbs. a day, while some gain more. The bulls were slowly grown this year compared to other years. You will also notice the udder quality of many of the females and we are quite proud of that. The other area we really work hard on is buying and using herd bulls with a good foot and body structure.

The bulls have been on a full health program since birth and we work closely with our local vet. Bulls will be given both shots of Fusogard for your convenience.

We were quite proud of our sale bulls this year; we feel they are as good as you will find anywhere. Swan Lake will stand behind your purchases and if you have any issues, we will strive to rectify any issues.

If you have any questions give me a call at 306-457-7730 or Brandon at 306-631-8818. Please check the T Bar C website for videos of the bulls prior to the sale.

We also reserve the right to collect semen on any bull being sold, for in herd use only.

SWAN LAKE *Tidal Wave* 58H

APPLIED FOR JVB 58H FEB. 3, 2020 POLLED PUREBRED MALE

HOMO POLLED

- ET calf
- Herd bull prospect.
- Tidal Wave has stood out since the day he was born, he is the real deal. He has a moderate birth weight, is moderate in stature and stands on a good foot.
- I feel that he will add a ton of value to his calf crop. His donor dam, Mar Mac Missy 63Y has already accomplished great things in producing the 2018 Agribition Champion Bull and Top 10 Supreme Bull, Swan Lake Red Circuit.
- Gestation 280 days

SWAN LAKE *Red Rock* **21H**

APPLIED FOR JVB 21H JAN. 14, 2020 POLLED PUREBRED MALE

HOMO POLLED

- ET calf
- Herd bull prospect.
- Red Rock is quite the bull. In my opinion he has it all; length, depth and style to burn.
- His dam, Mar Mac Missy 63Y sure hit it out of the park with Red Rock.
- Take a serious look at Red Rock as I feel he has a lot to offer.
- Gestation 288 days
- Bull is better than his picture

6

SWAN LAKE *Red Allegiance*

PG1317845 JVB 26H JAN. 15, 2020 POLLED PUREBRED MALE

HOMO POLLED

- Missy's natural calf.
- Red Allegiance has abundance of length, the dark red hair and lots of it.
- Missy doesn't milk like she did when she was younger, so Red Allegiance weaned off lighter than his half brothers.
- Females should be awesome off Red Allegiance when you have Wheatland Lady 311A and Mar Mac Missy 63Y in your pedigree.
- Gestation 289 days

14

SWAN LAKE *Major League* **112G**

PG1316265 JVB 112G SEPT. 7, 2019 POLLED PUREBRED MALE

HOMO POLLED

- Herd bull prospect.
- Major League is an impressive, dark red bull that is high performing, has a long spine and is sound on the move. Major league stands on a big foot, has enough depth and large scrotal development.
- Major League was the heavy weight at weaning, weighing off at 1150 lbs. and continues to shine.
- His dam is a hard-working Red Mountain female out of the No Secret cow family. The No Secret cow family has produced many great ones over the years, with Circle G Cash being one such bull.
- This is a Major League bull that will add a ton of performance to his calf crop.

Scissors Creek Cattle Company

Welcome to the 15th Annual Proudly Western Bull Sale. We are proud to have sold bulls through this sale every year since it started and would like to thank all of our past bidders and buyers for their support and trust in our program.

We continue to strive to produce the best quality bulls possible and these bulls represent the top one third of the 2020 calf crop. Our 2021 offering is our largest to date and contains a mixture of calving ease and performance bulls.

The bulls and the cow herd are on a full vaccination program. The bulls were fed an oats based ration until November and then they were switched to a TMR (formulated by Saxum Technologies – John Graff) which includes corn silage, hay, super oats, distillers and a loose supplement with a target gain of 3.5 pounds per day. The TMR is designed to promote longevity and allow them to reach their genetic potential without adding a bunch of extra fat.

Customer satisfaction is very important to us and if any problems arise we will do our best to make things right. If you have time to stop at the farm before the sale we would love to tour you through the bull pen but if not, we look forward to seeing you on sale day. Give us a call at any time so that we can discuss your bull needs and help you pick out a bull that will work for your program.

SCISSORS Hemisphere 2H

BPG1328672 SCCC 2H JAN. 12, 2020 POLLED PUREBRED MALE

HOMO POLLED HOMO BLACK

Hemisphere is a calving ease bull that displays the extra mass and substance that is hard to come by. He is very complete in his makeup and fluid in his movements. He is smooth shouldered and is sired by the WFL Absolute bull that we have been using on heifers for a few years. His dam was one of our top bred heifers last fall and Ryder's 4-H heifer. She has really impressed with this calf her first year and we believe he could be a heifer pen candidate with his 72 lb. birth weight and calving ease EPDs in the top 10%.

HOMO POLLED HOMO BLACK

If you are looking for a performance bull 25H fits the bill with weaning and yearling weight EPDs in the top 10%. He is wide topped and one of the thickest quartered bulls in the pen and still moves out well. Wheatland Bull 8146F is a son of the popular Wheatland Bentley bull and was bought a couple of years ago in partnership with Diamond M Farms for \$20,000. We have been impressed with the stoutness of his first calf crop as well as his calving ease. His dam is one of the top young cows in our herd and hasn't missed having a heifer in the replacement pen the first year and a bull in this sale last year. She had another super stout 8146F bull calf with a birth weight of 98 lbs. this year.

HOMO POLLED HOMO BLACK

Hawkeye is an impressive blaze faced bull out of one of our senior herd sires, NAC Android. He is long bodied, wide topped, moves out freely and has been one of the favourites since summer. We are now getting our fourth Android calf crop and have been very happy with the results. He calves easily with moderate birth weights, but the calves still have good performance and the daughters have great udders. His dam is a consistent producer, this is her fourth bull in the sale, and she has a daughter that is producing as well.

HETERO POLLED HOMO BLACK

Hawk is a performance bull out of the LFE Riddler son, JDF Time Stamp 29F. We bought Time Stamp to add performance to some of our cows with his weaning and yearling weight EPDs in the top 1%. He is stout and long bodied and has lots of quarter. We would recommend using him on some larger framed cows being he has a little bigger birth weight. His half sister was our high selling bred heifer in the Queens of The Heartland Sale this past December selling for \$8,750...we had a hard time parting with her as we thought she was awfully special.

Houston is sired by the Eclipse bull that we sold to Double Bar D Farms a couple years ago that we kept a semen interest in and use on a few of the favourite cows each year. He stamps his calves with extra hair and stoutness which 14H exemplifies. His calves have had moderate birth weights and this bull was the same at 80 lbs.

HOMO POLLED HOMO BLACK

Here is another calving ease bull. We sold his sire to Travis Herter back in 2008 and he proved to be such a great heifer bull that we continue to AI to him to this day. His calving ease and birth weight EPDs are in the top 2% of the breed and maternal calving ease is in the top 1%. Last year our high selling bull was another 8S sired calf that sold to Crossroad Farms for \$11,500.

Here is light birth weight bull with a different pedigree. TWST Lizzie Hearts is a cow owned by Twisted Sisters Livestock that we noticed as a bred heifer a few years back at Agribition. We asked if they planned to sell any embryos and ended up partnering with them on a couple flushes. From these flushes we also have a good heifer calf in the replacement pen and another Alliance bull calf just born a few weeks ago that is already looking promising for next year!

 Hayes is sound structured and smooth made. He is the start of the red bulls we have on offer this year who are all sired by KWA Mountain, a direct son of the Red Mountain 16Z bull, that we bought specifically to add calving ease. We have been impressed with his first set of calves and the second set starting to arrive are also looking impressive. He has been a super easy doing bull even keeping his condition well as a yearling. His dam has been a great producer with her first four calves all being heifers and kept for replacements and all calving in the herd this year. She has also done well on her first bull calf.

Here is a bull with a ton of thickness and quarter but still has a very low birth weight. He is dark red and had a herd bull look to him even at a very young age. When we bought his sire we were looking for a bull that had a high degree of calving ease and was highly maternal so a Red Mountain son was high on our list and we were lucky enough to own him.

Homer is the youngest bull in the sale not being quite a year old on sale day. He is deep bodied and square hipped. The bottom side of his pedigree goes back to a favourite Calico cow.

Flying TL Simmentals

We would like to thank the consignors of the Proudly Western Bull Sale and the T Bar C crew for the opportunity to market some of our two-year-old bulls at their annual sale. We have on offer six red bulls, five of which are sons from Sun Rise Eclipse, who was the lead off bull and high seller at the 2018 Proudly Western Bull Sale originating from the great breeding program of the Cuss' at Sun Rise Simmentals. We have also listed two black bulls, sired by Captain Scream 47D, a full ET brother to Captain Scream 63D, who was the 2017 Grand Champion Simmental Bull at Agribition. Since we calve on pasture, we are very cognizant about the feet and udders of our cows and are very diligent with culling those that don't meet our standards. We are committed to raising two-year old bulls with no yearling bulls ever sold off the farm. These extra age bulls offer the advantage of being developed at a slower rate and the ability to service more cows without losing condition. Our bulls are on an oat-based diet with free choice hay. They are on a full herd health program and are also vaccinated for foot rot. We welcome the opportunity to show you our bulls.

Young Mr Gibbons is another black bull sired by Captain Scream 47D. The dam of this bull has a 2016 son working on Brian Gorrill's farm at Bulyea, SK. Her 2017 black blaze faced heifer calf was retained in our herd and is proving to be a productive cow just like her mother. Take advantage and buy these two half brothers that will cover lots of cows for you.

Terms & Conditions...

TERMS...

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING...

Each animal will sell to the highest bidder...no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS...

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE...

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. Should any bull fail to be an unsatisfactory breeder, he will be replaced with a bull of equal value or a credit will be given toward the purchase of another bull. If you have a problem with your bull please notify us immediately. Under no circumstances will the seller be liable for more than the purchase price of the animal.

EXCEPTION GUARANTEE...

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION...

Each animal will carry papers issued by the Canadian Simmental Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES...

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES...

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS...

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS...

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY ...

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold. \$100 rebate on bulls taken home sale day. Bull must be insured by buyer.

INSURANCE...

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS...

All announcements at sale time, written or oral, supersede any written material in the catalogue. The seller reserves the right to draw semen from any bull in the sale for in-herd use only. The collection will be at the purchaser's convenience and the seller's expense.
