## Welcome... from South View Ranch

Hello from everyone at South View Ranch. It is a pleasure to welcome you to our 21st Annual Bull Sale. Thank-you for taking the time to browse through our catalogue. Videos of the bulls will be posted to our website [www.southviewranch.com](http://www.southviewranch.com) soon.

How things can change in a short period of time! We hope you have stayed healthy and endured the challenges thrown at us in 2020 and now 2021. We have always appreciated our way of life, but maybe never as much as we have this past year.

We are offering our bulls through an online sale again this year. We would be happy to show you through the bull pens prior to sale day. We feel we have a very strong set of yearling and two year old bulls ready for your appraisal. Sleep easy heifer bulls, performance bulls and some that will work on both. Give us a call, have a look and enter your name for a \$500 sale day credit. Or consider our Sight Unseen Purchase Program. Details of registering to bid are listed in the catalogue. If you have any questions or need assistance feel free to give us a call.

The bulls are raised naturally on their mother's milk and grass. Post weaning they receive a balanced TMR. They are housed in large areas for optimum exercise. All the bulls on offer will be vet inspected, semen tested and scrotal measured.

We sincerely thank our many customers for your interest and support of our program. We appreciate the opportunity to work with you. We make our living from the cattle business so our customer's success is very important to us.

His dam DMM Blackcap Essence 7Y is a cow that has proven herself very well with her progeny being successful in the pasture and the show ring. Impressive calves are moderate at birth with great performance. This is a very strong sire group in this year's sale. Red SVR Continental 112E - Maternal brother to 15H

Yogi THE Bear is a beast. Dark red in colour, good haired with a look. He is as long as you can make one, he is soggy made and deep sided with lots of rib. He is stout made with lots of muscle and a big top when you get in behind him. He is a full brother to the Reserve Champion Red Angus Female at the 2020 Lloydminster Stockade Round Up and a maternal brother to Red SVR Continental 112E who was shown successfully at Agribition and Denver. His maternal brother SVR 151F was one of the high selling Red bulls in our 2019 sale. His dam SVR 140A is a favourite around here - she never misses. She too is dark red in colour and is a deep, easy doing, Elite dam. Big time herd bull here that has been a favourite since day 1! He had an ADG of 3.36 and indexed 113.

Red SVR Coca 48G - Maternal sister to 15H
