2021 Private Treaty Sale

Keep it simple with our
May born trusty two year
old purebred Charolais &
SimAngus X bulls

Trent & Shantel Wirstuk - 306-398-7979 - Cut Knife, SK

WELCOME

Our family is happy to welcome you to our first ever Private Treaty Bull Sale! We have produced bulls for many years and are excited to try this new easy – straight forward – marketing platform.

First off a little about ourselves. We are located on Highway 40 just East of Cut Knife, Saskatchewan. We are a small family-run mixed grain and cattle operation consisting of 100 purebred Charolais, a handful of purebred Red Angus and 100 Simmental Angus cross cows. We keep expanding every year. Shantel and I have a 12 year old son, Jackson and a 10 year old daughter, Abby, who are very involved in all aspects of our operation. We pride ourselves as a small family operation with all hands on deck and feel this is reflected with our easy handling cows and bulls. We are also fortunate and thankful to farm alongside Shantel's parents, Ron and Cathy Parker, who live across the road from us.

These bulls we are selling were born to be two! All our cows calve May/June on grass. Calves are raised on grass and milk then weaned in October. We have developed a year-round grazing program that works well for us rotating between grass and corn. We keep our program simple and let the cows do the work.

We call our bulls Trusty Two Year Olds for a reason. Our bulls are developed slowly to maturity on grass, hay and 13% pellets rotating with the seasons. Because we want to keep things simple, the bull data we provided are straight forward, common sense numbers. These bulls are semen tested and ready to work and will handle more cows than a yearling. They are strong and ready to produce calves the buyers will love.

We are happy to answer any questions – please feel free to call. Everyone is welcome to come and have a look anytime. We look forward to meeting you!

THANK YOU

Trent, Shantel, Jackson & Abby

Right: Our ranch team. We are very thankful to have Greg Beland and his family's help throughout the year. We wouldn't be able to do it without you, Greg!

CHAROLAIS

These boys are born unassisted on grass and start growing. They are thick and hairy and sure to put pounds on your calves. They are just what you need to make those cross bred tan and silver calves that top the market year after year.
