# MOOSE CREEK RED ANGUS

## *Yearling Bull Sale*

2021

Welcome to our 27th Annual Yearling Red Angus Bull Sale. Thanks again for joining us and taking the time to browse our sale catalogue. As we can relate, the stack of books on your table indicates there are plenty of options for you to purchase suitable bull power of any colour nearly any day of the week each spring. We appreciate your interest in our program.

Before we talk about the bulls, we will discuss the obvious. It appears that we will be operating under Covid restrictions still in April. As this will now be nearly 13 months of it, all of you understand the process. It will also be our 3rd sale in the Covid era, so we're very comfortable operating in it too.

Our recent 2-Year-Old sale was a huge success. The interested parties toured the bulls prior to sale day and we were able to spend quality one-on-one time with them. My belief is that they made better, more suitable selections because of it. We highly recommend this practice. It gives the purchasers plenty of time to evaluate the offering and see cows/calves/sisters etc. The flexibility of then going back home and bidding live on the phone or with DLMS was a huge hit.

Every year breeders insist that this is their "best group ever". I'm not here to make that age old cliché. It is undoubtedly our most consistent group ever, with a few bulls that should garner Breeder attention in the pen. But best group ever... no. It's the same quality as it's always been. We don't chase fads, we don't AI and we don't look at EPD's so the majority of things that lead you into the abyss, we avoid. We however, pony up as much cash as we can and buy the herd bulls that can make a difference. And when we load them up 3 or 4 generations deep, then the consistency happens. That's our "best group ever".

We'll be grilling Ribeye steaks for lunch and we're back to our old sale date after last year's move to avoid Easter. If you feel comfortable joining us please do. We don't give a shit if you're all bulled up, come and enjoy a day away with friends, neighbours and fellow cattlemen.

Thanks again and best of luck calving,

DARREN IPPOLITO *for* MOOSE CREEK RED ANGUS
