Welcome to the 31st Annual Northern Progress Bull Sale!

Welcome

A lot of things have changed over the last 30 years but one thing has always been the same, good bulls raised by good people that are willing to stand behind their animals 110%, are always a good investment. I have always lived by the rule "I treat other people as you would like to be treated under similar circumstances."

The bulls in this year's sale are as good as any we have raised. There are about 75% of the bulls that would work very well on heifers with out giving up performance and muscle. Most of the two year olds are recommended for heifers and have the style, smoothness and balance that would work in any heifer pen, purebred or commercial.

Our bulls have been hand fed brown oats and three pounds of a high protein, high mineral Blairs' Bull pellets. They also get free choice high quality grass hay as well as a hay/triticale silage mixture. This allows them to show their growth and muscling potential without affecting their longevity. As always we are willing to keep the bulls and deliver them when needed as part of our customer service package. **We would like all bulls left at our ranch insured after sale.**

The bulls are all 100% guaranteed and semen checked, so buy with confidence.

We at RSL know everything about our bulls, their mothers and sires so if you have any questions about our bulls or which bulls will meet your needs the best please phone us anytime at 306-441-5010, 306-490-7818 or 306-937-2880

I have always really enjoyed meeting and visiting with our friends and valued customers at our annual Bull Sale. But a lot has change due to Covid 19 and we will work very hard to get through these difficult times as best we can and return to our festive Bull sale as soon as possible

PS Our family is doing very well through these trying times. We have been blessed with two new grandsons in 2020 Derek Michael, proud parents Ashley & Randy Bohun. Hunter Robert Garth, happy parents Courtney & Jarett. With six granddaughters and two grandsons there is never a dull moment! Robyn & Darren did a thing! Married in Wales. Life is good!

We would really, appreciate if people would come and inspect the bulls at the farm ahead of time. We are always available to tour you through our Bull pens.

- Robert Laycock, RSL Red Angus

FK as we call him is a very deep bodied, well muscled bull that has bred very true for us with his calves born very easily and yet grow very well with style.

285B

Red TR Little Deep has become a major part of our breeding program at RSL. The quality, muscling, depth of body, and docility of his sons is second to none. His daughters are also very deep bodied, well muscled yet very feminine. This consistent, extreme high quality of calves with both sons and daughters is very impressive. In 2018 we bred 45 spring cows and 30 fall cows to him and he held his condition very well. Little Deep has very impressive muscling, body depth, and hind quarter yet is very smooth shouldered. Average birth weight of his calves is 83lbs with only a few over 90 lbs.

YEARLING BULLS

Our yearling bulls have been fed brown oats along with 3-4 lbs of a Blair's Ag concentrated protein pellet with a high level of chelated minerals. We feel this will allow the bulls to show their growth and muscling potential in a much safer way than a bull pellet that may contain ingredients that are harmful to the bulls longevity and long term health. Weaned October 7, 2020.

TWO YEAR OLD BULLS

These 2 year old bulls selected as calves for 2's and pastured separately, weaned later and back grounded on silage and chopped feed Then they go to grass early June until October. Then they are fed similar to the yearlings until sale time. They will last a long time. Many of the Two year olds were selected for their potential as heifer bulls. These aged heifer bulls will breed more animals than yearlings and are a very good investment.

BIDDING: Each animal will be sold to the highest bidder whenever there are two or more bids.

BIDDING DISPUTES: The auctioneer will settle any disputes as to bids, and his decision on such matters shall be final.

TERMS: The terms of the sale are cash. The right property shall not pass until after settlement is made. All settlements will be made with the clerks of the sale immediately following the conclusion of the sale and before any cattle will be released from the ranch.

PURCHASER'S RISK: Each animal becomes the risk of the purchaser as soon as sold. Animals will be fed, watered, and cared for at the purchaser's risk for a reasonable time.

DELIVERY AT COST: Or haul your own and save delivery costs (See inside front cover for details).

INSURANCE: An insurance representative of a major livestock insurance company will be present to care for insuring cattle.

CERTIFICATE OF REGISTRY: A certificate of registry and transfer will be furnished for each animal sold as a registered animal, after settlement has been made.

HEALTH: All cattle will be in excellent health.

ANNOUNCEMENTS: Changes of information contained in the catalogue relating to the animals offered for sale will be announced from the auction box and such announcements shall take precedence over the printed matter in this catalogue.

BREEDER'S GUARANTEE: All animals sold are guaranteed breeders by the owner. Any animal that has not proven itself a breeder within six months after the date of sale, if in healthy condition, may be returned to the seller at the buyer's expense. The seller reserves the privilege of trying for a period of six months to prove the animal a breeder. The seller at his option may either return the purchase price to the buyer or replace the animal with another of equal quality in full settlement of ALL claims. Yearling bulls shall be guaranteed breeders for no more than twenty-five females. All complaints regarding breeding difficulties must be reported in writing by the buyer to the seller within the specified time above, and any animal returned must be free from disease and in good health. All bulls will be scrotal measured and semen tested prior to sale and sell as guaranteed breeders. Scrotal measurements will be available sale day.

IDENTIFICATION: Each purebred animal carries a readable tattoo.

LIABILITY: Although every precaution will be taken to protect the safety and comfort of the buyer, neither owners, sale manager, clerks nor anyone connected with the sale assumes any responsibility, legal or otherwise, for damage of any kind.

CONTRACT: The above terms and conditions shall contribute a contract between the buyer and seller of each animal sold.

SEMEN: Consignors reserve the right to collect semen on sale bulls for in-herd use only.
