Steelman, Saskatchewan**

ANL

**POLLED HEREFORDS
WITH BROOKS FARMS**

WELCOME TO OUR SALE

Hi everyone. Well, it looks like things are changing in this world we have come to know these past two years. Hats off to those who have endured and are going forth to hopefully help make those changes a reality.

With that said it looks like our bull sale may be normal this year but be sure to give us a call if you would like to view bulls at anytime. DLMS will be offering the online service.

We are very excited with our offering this year. The four bulls from the Jada cow are the cream of the crop and definitely breeder bulls but we are proud of the group we have on offer. Heifer approved and performance bull that will increase the profit of the calf crop. Brooks Farms have another set of exceptional calves on offer. Don't hesitate to give any of the guys a call if you have any questions. We look forward to visiting with you this year.

- Karl, Karen and Cory

THEIR GUESTS

FROM THE DESK AT TBAR...

Welcome to ANL Polled Herefords with Brooks Farm Annual Spring Bull Sale on March 20, 2022, at the ANL heated sale facility, Steelman, Saskatchewan. Karl, Karen, and Cory along with the Brooks Family offer an outstanding lineup of Polled Hereford bulls for your selection. This multi-generational seedstock producing family has supplied the livestock industry throughout North America with superior genetics for decades. With annual female production sales and spring bull sales, they touch and influence many programs... with repeated success.

Headlining the 2022 event are four flush brothers out of Jada 115F... a prolific donor female that does not miss. The most part of the ANL show herd last fall was the progeny of this "super cow" and proved to be competitive championship material. But let us not overlook the Brooks Farm show herd... their Innisfail son along with a younger Action son

attracted a lot of friends... they will both be features. This offering is packed with predictable genetic strength through each sire group... stout, rugged with volume, soundness, testicle, and tons of hair.

As you browse through this catalogue, check out the breed leading numbers... calving ease with performance and the milk and total maternal numbers are outstanding. The birth weights on the bulls are suitable for both heifer and cow pastures... remember that your heifer bull, in most cases, becomes your herd bull.

As we restock the North American cow herd, maternal values will have an impact in selections. This lineup of prospects are ideal for the purebred producer, the farmer or rancher. The industry needs more Hereford in the cow population... whether you are producing baldies, buckskins, or blazes... hair, disposition, do-ability, rustling, soundness and fertility are factors that you don't find on paper, but a Hereford can provide.

Feel free to stop by ANL or Brooks Farm prior, preview the bulls and their mothers... or give Karl, Cory, or any of the Brooks boys a call to discuss the bulls and those that will add value to your program. Both operations are not far apart.

Plan to be with us at ANL on March 20th for your next Hereford bull whether it be with us in person, online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

ANL 71D **JADA** 123C 115F

We are starting our catalogue with a picture of a very powerful female, Jada 115F. Jada has produced a group of calves out of four sires and all are the top of our calf crop. Never have we worked with a cow that breeds that exceptional consistency. A full brother to Lot 3 sold to MJT, the Trefiaks in Alberta. Also a maternal brother to Nels Nixdorff of Alberta. Both were in our Agribition string and fared well in the show. We believe that her offspring have a very bright future and should breed on with the consistency of their dam. We are looking forward to this years crop of flush calves.

LOT 1

HOMOZYGOUS POLLED
133J is long bodied with extra extension through his front one third. He is big hipped, big boned with an abundance of style. When he is put in motion he moves very freely.

Thank you

Thank you to all who attended, purchased and bid on cattle at our annual Female sale. We also want to thank all who stopped by the stall at Agribition. We value your feedback and opinions of our cattle. It was great to see many new and old friends at the 50th celebration

Be sure to mark October 15th in your calendar for our ANL/Glenlees Female sale with guest Brooks farms.

TERMS & CONDITIONS

TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes – Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by the Canadian Hereford Association. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on, the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, mail or wire their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

INSURANCE:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
