

FOURTH ANNUAL
BLACK ANGUS LONG YEARLING BULL
& PUREBRED BRED HEIFER
PRODUCTION SALE

FEBRUARY 10, 2022 1:00 PM
AT THE RANCH SHAUNAVON, SK

WELCOME

BENCH FARMING CO. LTD.

Shaunavon, SK S0N 2M0
Ph: 306-297-1331 ext. 301 or 726 bhb Angus@gmail.com

Howdy Folks,

Here we are once again in another new year to welcome you with great pleasure to our 4th Annual 2022 Black Angus Bull and Female Sale. First, a hearty thanks from the Bench Farming Co. to all previous buyers and supporters of our program. Couldn't do it without you.

We are also very grateful to T Bar C for managing our sale and general advice Chris provides

on his visits to the Ranch... Thanks Chris. Thank you also to Levi and Jay Rimke. (Clipping and Photos). A great job. Quite a feat in -30 degree weather. Last but not least we'd like to thank Sierra Farms for the help year-round and finally, to all our friends in the ranching community.

With a great deal of pride, we present our set of bulls this year. In my humble opinion these are some of the best bulls we've raised to date. They are some of the most uniform and best all around bulls we've raised. The bulls are almost two years old and have had ample time to mature, develop and basically just grow their frame. The first winter we have them on low energy grass hay ration and they just cruise along on grass all summer. So, there is ample time to weed out the hard doers and fighters. So basically, you slowly cull all summer long so by sale time there is only the well developed, easy fleshing, docile, good footed bulls with a good top line left. The bulls that survive culling all summer are run in a full section all fall till we bring them in for clipping. I feel these bulls can survive anywhere in North America after two winters here on the Cypress Hills East of Bench.

A few new sires to mention in our herd as you can see in the catalogue, Merit Stoney Creek 8012F and Merit North Camp Silver Star 8175F. Both equally muscular and powerful who we

acquired three years ago. We have used 8012F on our heifers with great success for two seasons. They're both still going strong. Great feet, good heel, and most of all great disposition.

Some of the older sires have gone on there way. Our great sire Rito 61B has bred himself into a corner as his heifers represent a lot of our herd now. Although there are a handful of his offspring in this sale lineup, they will be the last. We do not AI so it's a little more challenging to keep on top of the best sires for our program. A lot of miles and hours involved in spring bull shopping which you folks probably all do. Just a note on the bred heifers. They will either be bred to Wilbar Rewind 754G or Ambush 310H which we acquired at Switzer's 2021 Sale. I apologize for any inconvenience but did not have the pasture to run them separately.

2021 was to say the least a challenging year for the ranchers and farmers all around. High feed prices saved feed piles dwindling away. Low conception due to dry weather. I won't mention Covid. We're all sick of hearing it. We did have our challenges. I know some ranches did some heavy culling because of feed shortages and the cull cow prices were not something to get rich on. So, my hat's off to all of you for hanging in there. This is a new year and I feel we'll see some strong cattle markets in 2022. The world has a lot of mouths to feed, and we ranchers and farmers can do it. We've been there before.

So, with this I will close and once again please consider this your invite for our sale February 10th. Hope to see you, one and all. There will be coffee and snacks in the morning and lunch starting at 10:30. Please feel free to call anytime before the sale or come out to view the pens. Coffee is always on here at the ranch.

Thank You for your interest,

Joseph
Bench Angus

FROM THE DESK AT T BAR

Chris Poley

Cell: 306-220-5006

FROM THE DESK AT T BAR...

Welcome to the 4th Annual Bench Black Angus Bull and Female Production Sale, February 10, 2022, at the ranch headquarters, Shaunavon, Saskatchewan. This annual sale was hosted in November and has been moved to this February date.

Joseph is presenting the best group of bulls they have ever offered. Thick, rugged, with tons of hair, muscle, and testicle. These, shortgrass raised bulls will be two in just a few months and ready to cover big cow herds and big pastures. Born on grass, raised on big grass pastures and ready for the same, these bulls have been double culled... firstly by Joseph and the crew and again by mother nature. These bulls had the driest, hottest summer season to endure and as they went into 2022 the coldest, windiest January we have seen... yes, they are double culled and double good!

The heifers selling are sisters to the bulls on offer. Broody, deep bodied with lots of substance, hair and ready for calving... in just a month or so. They are bred for fertility, longevity, and soundness...

milk and udder shape are taken for granted.

Stop by the ranch anytime prior the sale and preview the stock or feel free to give Joseph a call to discuss the offering and which individuals will work in your breeding operations.

Plan to fulfill your breeding needs at "The Bench" whether it be with us in person, online or on the phone. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

TERMS & CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each registered animal will carry papers issued by the Canadian Angus Association, unless otherwise indicated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Insurance:

We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

ADDITIONAL INFORMATION

Load out:

No load out of cattle will be allowed until the conclusion of the sale.

Return Undeliverable
Canadian Addresses To:
T Bar C Cattle Co. Ltd.

DIRECTIONS TO THE FARM:

From Gull Lake on the Trans Canada Highway:
Take the #37 South to Shaunavon.
Drive to #13 junction and turn right (West) on
gravel road #724 for 12 miles.
Bench is on the right hand side of #724
after you climb the last big hill.

From Tompkins on the Trans Canada Highway:
Go South on #633 blacktop go 30 miles to
#724 and turn left.
Go 3 miles East on #724 to Bench Angus.
There's a sign Bench East at Sierra West at
junction #633 and #724.
