SIGHT UNSEEN PURCHASE

If you are unable to make the sale, we will help you with your selection and guarantee your satisfaction. Contact any of our sales staff for more information.

SALE DAY VIDEO SALE

We have elected to go with a video display only sale again for 2021 and forgo running big, two year old bulls through the handling system and into the sale ring. We do this primarily for the safety of the bulls to reduce the risk of injury and bruising. As always, the bulls will be displayed and sorted for viewing in pens right outside of the sale center. We feel that with your pre-sale evaluation and the excellent videos broadcast on the screens, that you can make a selection with confidence just as previously.

DELIVERY

Delivery will be arranged to central locations in Western Canada. For US customers, delivery will be arranged to central locations in the Northern and Central USA.

FINANCING OPTIONS

Cash or cheque are accepted sale day.

THE PURSUIT of EXCELLENCE

Bull Sale 2022

WELCOME TO THE BLAIRS.AG 2022

PURSUIT OF EXCELLENCE

BULL SALE - FEBRUARY 1, 2022 - 1:00 PM

Jackson Cattle Co. Sale Facility | Sedley, Saskatchewan

Calving Ease Legend

Calving Ease is often related to birth weight of a bull. This is partly true but there are other factors that influence calving ease. The dam and her management are at least 50% of calving ease. Also, the consistency of the birth weights of the sire and dam should be considered. Nutrition, gestation and environment all influence birth weight. We have rated each bull in the sale based on the information we have.

ET bulls

We have identified each bull that is an embryo calf with the letters(ET) at the end of their name. It is important to note that the birthweight(BW) is heavily influenced by the recipient dam. The calving ease scores have taken into account the influence of the recipient dam when determining our scoring.

- Should produce minimal problems when bred to medium to large frame heifers.
- Recommend for larger frame heifers, second calvers or small framed cows.
- Recommend for mature cows 1400 pounds plus.

WELCOME TO THE SALE...

I can't even begin to explain the craziness of 2021 but you all lived it so I think we just label it "WTF" and move on. 2022 brings a ton of hope and the livestock industry seems to be well poised for a run in prices with the demand for beef stronger than ever.

Pursuit of Excellence 2022 brings a couple changes in that Baxter at Double B Angus has joined the group with an excellent set of Red Angus two year olds and Jordie & Luke at Westbrook Ventures have added an exceptional set of Simmental & SimAngus yearlings and two year olds bulls.

This group of bulls is a very consistent group and half of the sale group is a result of strategic embryo matings and many of the rest are the result of ai. The consignors spend countless hours evaluating matings to ensure the bull sale offering has the quality & depth that is required to attract top cattleman from across the world. We are proud that over the years, bulls have sold to Canada, USA & Mexico and have gone on to prove themselves in many different environments. As we move forward with our program, you should expect to see embryo transfer become even more important in our path forward. We are identifying elite donors and sires to make sure we are the number one choice for you on your bull shopping needs.

We are looking forward to seeing you in person on sale day.

Kevin Blair

Blairs.Ag Cattle Company

FROM THE DESK AT T BAR C...

Welcome to the 2022 Edition of "The Pursuit of Excellence Bull Sale" on February 1st at the Jackson Cattle Co. Sale Facility, Sedley, Saskatchewan hosted by Blairs.Ag Cattle Co and their guests Jackson Cattle Co., Double B Angus and Westbrook Ventures. "Pursuit of Excellence" is one of the nation's leading sources of two-year-old virgin bulls both Red and Black Angus and for 2022 they have added their Simmental influence. Outstanding phenotypically and genetically, the lineup provides diversity, strength, and selection for both purebred breeders and commercial producers alike.

The Blair family are great believers of family and teamwork. Blairs.Ag is built based on strong cow families. As many of you are aware, Blairs.Ag maintains a huge donor program and many of the mothers of these outstanding individuals are elite donors. Their past fall female sale was based on these cow families and was a record-breaking success... many of the bulls are brothers to those females. As the livestock industry begins to restock the depleted beef cow inventory, strong maternal bases will be key for extra profit!

The sale lineup is stout, full of depth and quality from the start to the last one in the ring. Birth weights are ideal, the performance is high through weaning and yearling weights, and they come packed with predictable maternal power. Feel free to stop by the sale facility at Sedley and preview the bulls prior the sale. Do not hesitate to give anyone of the Blairs.Ag team a call; discuss the bulls and find those that will take care of your breeding solutions. There are many bull sales throughout the spring season but there is only one "Pursuit of Excellence" ... plan to be there.

Plan to fulfill your breeding needs at "Pursuit of Excellence" whether it be with us in person, online or on the phone. During these times, feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Platinum Warranty Program

Blairs.Ag Cattle Company guarantees to sell a bull that is able to pass a semen test prior to the 2022 breeding season. Should any bull purchased through the Pursuit of Excellence bull sale fail to be a satisfactory breeder or be unable to physically service a cow or heifer, he will be replaced with a bull of equal value. Should this not be possible, we will issue a credit to go towards the purchase of another bull. We will not however provide warranty for mismanagement.

While under our warranty, the bull is covered for injury, sickness or death. We will service your needs with a replacement bull, a sale credit or a cash settlement. Should you have any problems with a bull, please contact Kevin Blair and he will work to make sure your cows get bred and you are a satisfied customer. We do have back up bulls set aside and that will be the first step to cover off any warranty issues. Blair's Platinum Bull Warranty is designed to protect your purchase during the most high risk time of a bull's life.

We offer the following options and are required to be paid on the day of the sale. It is the buyer's responsibility to purchase at the settlement desk.

PLAN	DURATION	RATE
#1	90 days	4%
#2	8 months	7%
#3	14 months	10%

COVERAGE:

Plan #1 – This plan is designed to warranty a bull from sale time until the bull can be delivered and has the opportunity to adjust to its new surroundings. The length of the Plan #1 warranty is 90 days. Plan #1 warranty covers 100% of the purchase price less the salvage value when applicable.

Plan #2– This plan covers the bull through breeding season and is 100% of the purchase price less the salvage value when applicable.

Plan #3 – This plan covers the bull for a full year which will include one (1) breeding season and one wintering period. In Plan #3 the warranty covers 100% of the purchase price less the salvage value when applicable.

EXCLUSION TO WARRANTY:

Any injury or death due to malicious, willful or intentional acts or mistreatment are considered fraudulent claims.

Should an issue arise with your bull please notify Blair's immediately by phone 306-365-7922 or by email kevin@blairs.ag. You will also need to contact a licensed veterinarian to diagnose and treat the animal and fill out a vet form. If the animal dies, a post mortem will be required.

Note: All bulls that are left at Jackson Cattle after the sale for delivery will be automatically charged the 90 day Plan #1 bull warranty on their invoice. This is designed to protect both the buyer and seller.

The only downfall to this bull is that I named him after his mother by mistake. A pen favorite. Deep, stout, sound with an excellent mother, who has one of the top bull calves in the pen this year.

Another good Bravo son out of a very productive International daughter. A performance stacked pedigree. A real complete bull.

These Knight Shade sons all have that added scale and dimension to add pounds to your calf crop. This bulls mother is an Innovation daughter out of one of Chance's original females and a cornerstone in his program. The Innovation's all have excellent foot quality.

This bull puts it all together in a very attractive frame. Dam, 47C is an excellent Gustov daughter who was also the dam of Chance's highselling bull in 2021 to Craig Angus. She has an excellent Rainfall daughter in the replacement pen.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
