

# CANADIAN CENTRAL *Bull Sale* SIMMENTAL & BLACK ANGUS

**Monday, March 7, 2022 – 1:00 pm**  
**Ag Pavilion – Neepawa, Manitoba**

Wilcox Simmentals – Twin Meadow Livestock – Dequier Cattle Co. – Skyridge Farms – Twin Oak Livestock  
Madsen Angus – BASKM Land & Cattle – Nolan Cattle Co.

## WELCOME TO THE 5TH ANNUAL CANADIAN CENTRAL BULL & FEMALE SALE

Welcome to the Canadian Central Bull Sale which has evolved into a great diverse offering of Simmental and Angus cattle held downtown Neepawa, MB.

Annually we have witnessed the Simmental portion of this sale been widely accepted amongst progressive and purebred cattlemen, this year will be no different.

The Wilcox, Dequier & Robinson families are known for performance cattle with calving ease in the red/ black factor Simmental cattle. The Skyridge consignments of fullblood genetics has never been so deep in quality with an exceptional extra age bull that ranks high wherever he resides in the fullblood world.

Tom Madsen and his crew have put together a great selection of Angus bulls for this year. This is a very strong cowherd in which these bulls stem from and we are proud to endorse his fine program. Baskin Land & Cattle Inc. again are bringing their top set of extra age Angus bulls that went through a strict culling process to ensure you of a quality product. New this year is a couple of feature bulls from Nolan Cattle Co. that certainly have the eye-catching kind with one already being declared a Champion at Ag Ex.

All in all we have a great group of consignors that are only bringing their top cut to town for you to evaluate. The T bar C crew is quite familiar with all the outfits involved and would be happy to assist you in any way possible to obtain your next herd sire.

See you in Neepawa!

### SALE MANAGEMENT

Box 2330  
Warman, SK  
S0K 4S0  
Ph: 306-933-4200  
Fax: 306-934-0744  
info@tbarc.com  
www.buyagro.com

#### TERMS:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance, unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes, the auctioneer's decision will be final. Current exchange rates will be announced sale day. All monies are in Canadian funds.

#### BIDDING:

Each animal will sell to the highest bidder... no by-bidding will be permitted. Disputes - Bidding will be reopened between the parties involved in dispute. If no further bidding is made, the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision on all disputes will be final.

#### ANNOUNCEMENTS:

All announcements made from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay close attention to such disclosures.

#### BREEDER'S GUARANTEE:

Should any bull fourteen (14) months of age or over fail to prove a breeder after being used on females known to be breeders, the matter shall be reported in writing to the seller within six (6) months following the date of purchase or six (6) months after the bull has reached fourteen (14) months of age. The seller will have the right and privilege of six (6) months to prove the bull a breeder. No guarantee is given that semen collected from the bull will freeze.

#### EXCEPTION GUARANTEE:

In cases where the animal is subjected to any hormonal or surgical reproduction techniques after the sale, this guarantee shall be null and void.

#### CERTIFICATE OF REGISTRATION:

Each animal will carry papers issued by their breed association unless otherwise stated. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

#### PEDIGREE ESTIMATES:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

#### LIABILITIES:

All persons attend the sale at their own risk. The seller, facility owner and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either party to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

#### RIGHTS AND OBLIGATIONS:

The above terms and conditions of the sale shall constitute a contract between the buyer and seller and be equally binding to both. Resale of animals following purchase in this sale shall constitute a separate transaction and the rights and obligations of the two parties connected thereto are not covered by the terms and conditions of this sale.

#### PHONE, MAIL, WIRE BIDS:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale managers, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

#### DELIVERY:

We will assist in arranging transportation wherever possible. Each animal becomes the risk of the purchaser as soon as sold.

#### INSURANCE:

Will be available sale day. We strongly recommend that insurance is purchased for full value.

#### ERRORS:

All announcements at sale time, written or oral, supercede any written material in the catalogue.

## WILCOX SIMMENTALS – PUREBRED SIMMENTAL BULLS

Welcome to the Canadian Central Bull Sale. We are very excited to be working with this great group of people again this year!

We have completed polled and colour tests on the bulls again this year but results aren't ready to be published in the catalog. We have a strong group of bulls this year. If you have any questions, please call or come for a farm tour. We will have videos that can be found on the buyagro.com website.

Thank you,

*The Wilcox Family*

Jake is a feature calving ease bull that would work on cows as well. Out of a first calf heifer that did a wonderful job at her first kick at the can. She has a perfect udder. I would expect him to be homo polled but test results are pending.

Jordan is a well-balanced bull that is hard to fault. He's correct in his make-up. He's a younger bull that fits right in with the rest of the pack. His dam is a great producing female that has done a fabulous job for us. Her daughter was the high selling bred in the Shades of the Prairie sale this past fall.

Joe is a bull that stands at the top of the pen. He has a lot of depth and length of body. He moves well and stands on good feet and legs. His dam is one of our top end females. She has produced a lot of good ones. Her son, last year, topped the sale for the red bulls. Five of her daughters are working in our herd. Joe's sire has sired outstanding offspring at our place. Last year he sired the high selling bull in sale.

*Patrick & Tracey Wilcox*

Pat and I, at Twin Meadow Livestock would like to welcome you to the 6th Canadian Central Bull and Female Sale.

This year we have 3 bulls on offer. We have 1 fullblood bull sired by Southseven Mr Adonis 96Z and 2 Black bulls sired by CEN Red Fuel 482F and RF Liner 758E that are Hetro black.

We run mostly a red and black Simmental herd but have been adding a few full blood and full fleck females in the last few years.

If you are interested in any of our animals on offer, please feel free to contact us or stop by to view the bulls before hand at the farm.

Here is an interesting bull out of RF Liner 758E and our fullblood cow Rendezvous Kandis 122z. Here is our youngest bull we have on offer but don't let that stop you as he's as big as the other bulls in the pen. Jessie James is a deep bodied bull with lots of quarter with a wide topline coming to you jet black blazed faced bull.

**Heterozygous Polled and Heterozygous Black by Parentage**

Jasper is a big framed black bull off first calf female YR Rosslynn 931G which our granddaughter Emma purchased from the 2020 Checker Sale. YR Rosslynn is a direct female off high seller bull TCW Commander 8D which was raised by us out of our Deeg Ms Hollywood and sold out of this sale to Yellow Rose Cattle/ Hampton Sim / Jr Cattle. Here's a bull that catches your eye when you walk into the bull pen. Jasper is backed by a great sire CEN Red Fuel 482F that walks the pastures at Yellow Rose Cattle. Jasper is a deep sided, deep quartered and wide topped bull that work great to add size and weight into any cow herd specially coming off a first calving female.

**Homoygous Polled Heterozygous Black**

# DEQUIER CATTLE CO. – PUREBRED SIMMENTAL BULLS

Welcome once again to the Canadian Central Bull Sale. This year we are excited to bring you a diverse and powerful set of bulls, backed by tremendous cow families.

Thank you to our past and repeat buyers, your support in our program is truly appreciated. If we can be of any assistance please don't hesitate to contact us. Check out our Facebook Page for some videos of the bulls.

Where to start on this Guy!! This bull has been an absolute pleasure to watch in his maturity. He is one chunk of a calf! A dark red-blazed face calf with excellent depth of body and a deep rear quarter. He moves out very freely and his dam is one of the most talked-about cows on the farm. Once again we are bringing you some older genetics with champs Bravo; Gunner on the dam side. A good mix of Red and Fleck genetics with a little extra age to get the job done.

Welcome to the Annual Canadian Central Bull Sale. This year we are excited to bring you a very powerful set of bulls, backed by a tremendous set of cow families whom we have built our herd around. Functional, easy keeping, sounds cows are what most commercial producers strive for and as a breeder, my goal is to produce bulls who will leave you progeny that will go on and excel and be profitable for you for years to come. Thank you to our past and repeat buyers, as well as a thank you to our past bidders, your confidence and support in our program is truly appreciated.

Check out Cattlevids.ca for videos of the bulls.

Sincerely,

*Gilles*

Tracker is sired by our newest herd bull, JNR Whiplash. Whiplash is a maternal brother to JNR Concept who is producing exceptional progeny for JNR farms in Alberta. Skyridge Tracker 1H is a chunk with a dark red thick hair coat, black hooves and a big square hip. As a calf he stood out among his pen mates with his huge quarter and tremendous depth of body. His dam did an amazing job raising him as a first calf heifer. Born 80lbs and weaned off at 924lbs with no creep feed and on an exceptionally dry summer. She has proven she can raise them well! Due to the extreme cold weather last year Tracker did not pass semen test before sale day. We were advised by T Bar C to hold him back due to his potential to become a Breeder bull. Well it's safe to say he has developed into an outstanding herd bull. We are very excited about this bull's future.

**Retaining 100 straws for in herd use only**

Stardust is another performance bull out of Axis. A dark red, big barreled, soggy bull with tons of eye appeal. His dam is another consistent producer out of a Anchor T legend. She has had bulls sold, one being to Denco Family Farms from Winkler, MB and last year's bull calf sold to long time customers Tony and Inge Kreutner Farms LTD from Roblin, MB. Maternal predictability and performance all in one package!

If you are looking to add performance to your herd look no further. Storm has it all, deep red color, big barrelled, deep fronted and a very massive square hip. His dam goes back to one of our foundation donor cows Smithbilt Mitzi 134M, who has numerous daughters in our herd. With MFI Whistler and JNR Axis in his pedigree I would think it's safe to say he will add pounds to your calves!

Here is a FullBlood Bull who has all the thickness and muscling you could ever want. Dark Red, stout and a -40 degree hair coat! Marathon is backed by a cow who never seems to disappoint. We bred GJV 21A a few different ways during her years and she always kicks out a keeper. She has bulls working for Kreutner Farms LTD from Roblin, Gene and Chelsea Hacault from St.Alphonse and Tim Steffan from Manning, ND. The amazing fleshing ability on this bull will leave you with very marketable calves come fall.

We lost Inspiration's dam this spring due to a heart attack. This guy was on his own since the middle of May and did extremely well. Skyridge Gunda's first calf sold to Tanner Madge from Madge Simmentals and Inspiration was her second calf. She was a cow that was on the fast track of being very successful and will be missed. Long spined and thick best describes 87H with a very good hair coat. Inspiration will produce those thick heavy weight steers that buyers will pay a premium for.

Aster is a power house bull. Thick hair, tremendous length of spine and extremely thick body. He is a bull who has attracted attention from commercial cattlemen who have toured our pastures this summer. His dam, a Mac heifer out of the JNR herd has produced yet again another outstanding individual. The Mac daughters are heavy milking, easy doing cows who have longevity bred in them.

97	661	1349	6.6		3.5	76.0	111.8	28.1	3.6	66.1	

Jackson is a polled solid jet black bull that catch's your eye as you enter the bull pen. He's stout made, big ribbed, full barreled bull that carries his natural muscling down deep into his hind quarter. He's is gaining 4.3 ADG YWW, now that performance, and he'll put pounds on his offspring. Jackson is sired by our walking herd sire Hills Wild Child and out of Perk's Black Nile, whom is a phenomenal milker.

**32**

## BASKM LAND & CATTLE – PUREBRED BLACK ANGUS BULLS

**Brad & Antonia**  
**Matt, Taylor & Elijah Ginter**  
 Riding Mountain, Manitoba  
 phone: 204-967-2721  
 cell: 204-212-2171

*The Ginters*

Greetings from all of us at BASKM Land & Cattle. We are excited to be co-signing to the Canadian Central Bull Sale this year. We would like to thank all our previous bull buyers. It has been very humbling to be supplying elite genetics for your programs.

We have a great selection of calving-ease and performance bulls again this year. Our program has relied heavily on a strong AI program using industry leading AI Bulls, as well as building a strong maternal cow herd with the focus on longevity, tidy udders, structurally correctness and easy keeping females. This year's sire group highlights our two AI bulls: SAV Ten Speed 3022 and Bruin Torque 5261. As well as our 2 walking herd sires: JL Authority 2098 and BASKM Compulsion 12C.

We think our bulls speak for themselves, we solely run a 2-Year-Old Bull Program. Our bulls are fed an oat silage/hay/oat-based ration after weaning. Then graze on pasture all summer long as yearlings. Then come fall time fed a hay/silage/oat & barley ration as coming 2 Year Old's. Our bulls walk on a quarter section of pasture all winter long, to keep them hard and athletic.

If you have any questions, feel free to contact us anytime. We encourage everyone to come tour the bulls prior to sale day. Videos can be view online at [www.cattlevids.ca](http://www.cattlevids.ca), if you are unable to make it to the sale. You can contact us, or anyone with the T bar C crew to help you through your herd sire selection. There will be online bidding available at [www.dlms.ca](http://www.dlms.ca) for those that cannot make it sale day.

Looking forward to seeing and visiting with you all sale day!

5H is a massively powerful son out of SAV Ten Speed 3022, and out of an larger framed powerful JL Pioneer 0062 daughter with a great udder . 5H is unmatched in capacity, width of top, length and depth of body. Great foot, with lots of heal, and is impressive on the move. 5H is in the Top 15% for WW & YW. Will raise those high performing steers, as well as those sweet made replacement females. Have multiple maternal sisters retained in herd. Recommended for Cows.

62H is the last heifer bull candidate in our sale line up. A JL Authority 2098 son, out of a JL Pioneer 0062 daughter that has been a consistent producer for us. She is straight topped, deep bodied with a great udder. A Full brother to 62H is in the yearling bull pen right now. 62H calves will come easy and grow fast. Hes small headed, smooth shoulder with lots of length of body to him. Recommended for Heifers.

# NOLAN CATTLE CO. – PUREBRED BLACK ANGUS BULLS

Welcome to the Canadian Central Bull Sale! We would like to thank the Canadian Central group for allowing us into their sale.

We run a small group of purebred Black Angus cows focusing on temperament, feet, udders, longevity, and performance. Cody is also the manager of the Manitoba Bull Test Station where the cows and bulls are kept and can be seen there anytime.

Feel free to contact Cody or the T Bar C staff with any questions, or better yet come for a coffee and tour to look at the bulls.
