1ST ANNUAL ANGUS BULL SALE

MARCH 2, 2022 | 1:00 PM

PEEBLES, SK

WELCOME...

We would like to welcome everyone to our first annual spring bull sale on March 2, at 1:00. The sale is here on the farm, in the same barn as the female sale. This year there will be 10 select yearlings born in January, February and the first week of March, as well as 53 two year old's and coming two year old's. There will be sons by Growth Fund, Coleman Bravo, Sav President, Rainfall, Territory, Resource and Renown. There will be 16 registered 2 year old's and 37 non-registered two year old's.

The registered herd that we are building will be anchored JL Evening Tinge 5110 with Jacobs Ranching and Blairs Mercedes 717C. SAV American Made 0079 is a bull that we feel that will produce bulls and replacements, he has a moderate frame with tremendous power and is easy fleshing. We are partnered with Meadow Bridge, Bandura Ranches, and Clark Hill Farms. This bull is going to see heavy use this year in both herds as well as ET.

Feel free to come for a tour anytime or call, text one of us here at D&N. T Bar C and DLMS will also be able to help with any question about the offering.

Please note we will be retaining a 1/3 semen interest on all sale bulls.

THE RAJOTTE'S

FROM THE DESK AT T BAR...

Welcome to the First Annual D & N Livestock Angus Bull Sale on March 2, 2022, at the farm south of Peebles, Saskatchewan. Although this is a new event, the Rajotte Family is long in experience in breeding high quality breeding stock. Established in 1970, they have quietly built a powerful cow herd totaling over 1300 registered Black Angus and Angus influenced females. Their success of high quality was truly evident last December in their outstanding commercial heifer sale.

The ten yearlings and fifty plus two-year-olds make up a powerful lineup of thick, rugged prospects with tons of hair, shape, and awesome birth weights. This offering of breeding bulls is made up of the strongest, most potent genetics in the Angus industry to sell in one afternoon. Where can you find Resource, President, Rainfall, Raindance, Rainmaster, Preseason, Density, Territory, Growth Fund, Bravo, Governor, Stunner and Prediction sons all together in a sale. Their success in building these programs, reflects the quality of the bulls... you can select with confidence and reap the rewards in your own breeding program!

Feel free to stop by the farm anytime prior the sale and preview the bulls and have a peak at the mothers. Don't hesitate to give the good folks at D & N a call to discuss the lineup and which bulls will fulfill your breeding requirements.

Plan to be with us at D & N Livestock for your Angus sire needs whether it be with us in person, online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Hedge Fund is a son of one of the hottest bulls in the angus industry today, Deer Valley Growth Fund. He has tremendous EPD spread from BW to YW. Having a weaning ratio of 122. The pedigree behind him gives us a ton of confidence that his calves will perform the way he did. He also has 14 traits in the top 25% of the breed. He is as calving ease as it gets with the 1439 and Final Answer in the bottom side. And 1682 on the top side. He is good for the heifer pen.

TERMS AND CONDITIONS

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates:

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Errors:

All announcements at sale time, written or oral, supersede any written material in the catalogue.
