Welcome From Double Bar D...

A sincere welcome from everyone at Double Bar D to the 22nd edition of "Best of Both Worlds" Bull Sale!

We want to extend a heartfelt invitation to attend our sale, March 1, 2022 or at your convenience, watch on DLMS. Our customer base is invaluable and appreciated whether it be in the past, present or future. Your confidence in our program gives us the drive to continually move forward and be customer driven in our effort to improve our seedstock to meet your genetics needs.

We also want to send out a sincere thank you to everyone involved at Double Bar D whether family or staff for your continued dedication and hard work, especially this year as some of us have had a rough go health wise. Thank you to all who extended prayers and support through our illnesses this year. Thank the Lord we are on the mend and doing well!

We are confident this year that we have a very consistent group of bulls for you to evaluate that are bred right and fed right to ensure they work for you for years to come. We really try to focus on raising bulls with good calving ease bred in with above average performance - cause we all know that pounds pay. We are encouraged as I write this that the feeder markets are very strong and the future looks favourable for that to continue.

Check out our exciting lineup of new herdsires such as the \$317,500 record breaking Wheatland Man O War who has 25 sons on offer in this sale. They are consistent beef bulls with very good EPDs. Rust Primetime rolls in with 7 sons that are thick and easy fleshing - you won't want to miss these half and ¾ brothers.

These purebred bulls are rounded out by other new and proven, tried and true herdsires all backed by functional mother cows.

The Fleckvieh division is backed by Anchor D Motown sons that were very well received last year along with FGAF Electric Avenue and HP Sensation to name a few and as well are backed by those proven power packed Fleckvieh Cow families.

We want to extend a welcome to Longview Cattle Co of Grenfell as they are consigning 4 excellent Black Simmental bulls that deserve your evaluation along with a group of good Angus bulls that meet your power or calving ease needs. Thankyou Shar and Rayel!

Thank you to all of our sale staff: T Bar C, Bohrsen Marketing, First Class Cattle Marketing and DLMS Internet bidding. Your assistance in marketing is very much appreciated. Don't hesitate to contact any of these marketing specialists.

We value your interest, inquiries and attendance at the Double Bar D Best of Both Worlds Bull Sale on Tuesday, March 1, 2022 at the farm. Lunch at 11:30 and Sale at 1:00

From The Desk At T Bar...

Welcome to the 22nd Annual "Best of Both Worlds" Bull Sale on March 1, 2022, hosted by Double Bar D Farms with guest consignor Longview Cattle Co., at the ranch just minutes east of Grenfell, Saskatchewan. As the sale name suggests, the Dimler Family offers a combination of Fleckvieh and purebred Simmental bulls, in addition, Angus and Sim/Angus ideal and suited for both the commercial producer and the purebred breeder.

This operation believes in family with dedication to agriculture ... their cowherd is built on strong, prolific cow families expanded over the years with the help of embryo transplant. The strength of the cowherd is reflected in the outstanding lineup of sires for 2022 ... they have concentrated on breeding calving ease with performance. Richard and Ken continually add fresh new genetics to the program to fulfill their many repeat customer requirements.

Powerful... yes, this is the largest and strongest group of bulls they have ever presented in both phenotype and depth... quality from end to end in each division. Several "big time" bulls can be discovered in the offering ... the type and kind that will be dominant in the years moving forward. The "age advantaged" bulls are the best group they have ever offered in both the Fleck and Purebred section... they are rugged, stout with tons of performance, hair, and testicle. The purebred yearlings are mostly homo polled and exciting... the first calf crop sired by the record selling Man O War... are homo polled, homo black and homo good! The Fleckvieh bulls, many polled, are headlined by Motown with help from Electric Avenue and Jugger. The sire groups are large and diverse with bulls for all programs and all types of budgets each featuring their own special traits. The Longview bulls are calving ease, high maternal trait bulls that will also fill your needs. Enjoy shopping for bulls in this great offering.

You cannot go wrong selecting your sires at "The Best of Both Worlds" ... sincere seedstock producers who believe in the importance of the livestock industry. From their beginning, they have believed in offering a product that will add value to the customers bottom line... with little fuss. Feel free to stop by the ranch headquarters any time prior the sale and preview the bulls and their mothers... there is always some one around to give you a tour of the bulls and even their mothers. Do not hesitate to give Ken a call to discuss the bulls and those which he would recommend for your breeding intentions.

Plan to be with us for "The Best of Both World's" whether it be with us in person, online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

We are very excited to present 25 sons of the record breaking Wheatland Man O War herdsire. He was the most talked about bull to sell in the Spring of 2020. His influence is and will be impactful here at DBD and to the industry going forward. Now is the time to tie into one of these MOW sons to advance your breeding program whether it be the purebred or commercial breeder alike. His sons are a very consistent group that have very good composition and are thick as they come.

This was and is an anticipated genetic combination and we are very pleased with the results. W/C Miss Werning 894F is a beautiful blazed faced Innovator daughter we specifically selected to build around. These full brothers are very similar in type and kind - long bodied, thick and hairy. They have a good skull and neck extension that Man O War possesses. Two with Chrome and one solid black - saddle up and appreciate these awesome Man O War bulls.

7 sons of Rust Primetime 507G. Looking back into February 2020 we noticed this great bull on offer and we had to see him in person so we made the trek down to Rust Mt View Ranch ND - well that was maybe a mistake as once we laid eyes on him we knew we had to own him! We are very pleased on how he has continued to develop into the impressive bull that he is. Thanks to all the progressive breeders that have invested in semen on this amazing bull. Primetime as an individual and breeding bull has exceeded our expectations. His first calf bull crop is very good - especially considering most are out of first calf heifers. Primetime combines curve bending calving ease with growth.

- Thick made, smooth, easy fleshing with the Bankroll herdbull look we depend on.
- 428J has a very gentle nature and is easy to be around. His Captain Morgan dam 616F is now owned by Brant Wallgren and is an amazing easy doing donor cow. Dam 616F was a class winner in CWA 2018. No accident that this amazing bull goes back to the Swan Lake Pepsi 97A cow.
