On behalf of everyone at Duralta we would like to welcome you to the 17th annual bull sale. The 2022 offering is the most consistent set of bulls we have ever offered. These bulls were the heaviest set that we have ever had at weaning, despite the drought conditions last year. Focusing on easy fleshing, highly maternal stock that travel on a sound structure sure makes it easy for these cattle to adapt to weather and environment changes.

We are very proud about this offering of bulls. Mark your calendar for Friday March 18. The trip is worth the time. If there is any information you need on these bulls, feel free to contact us. The coffee is always on.

Regards,

The Durrie Family

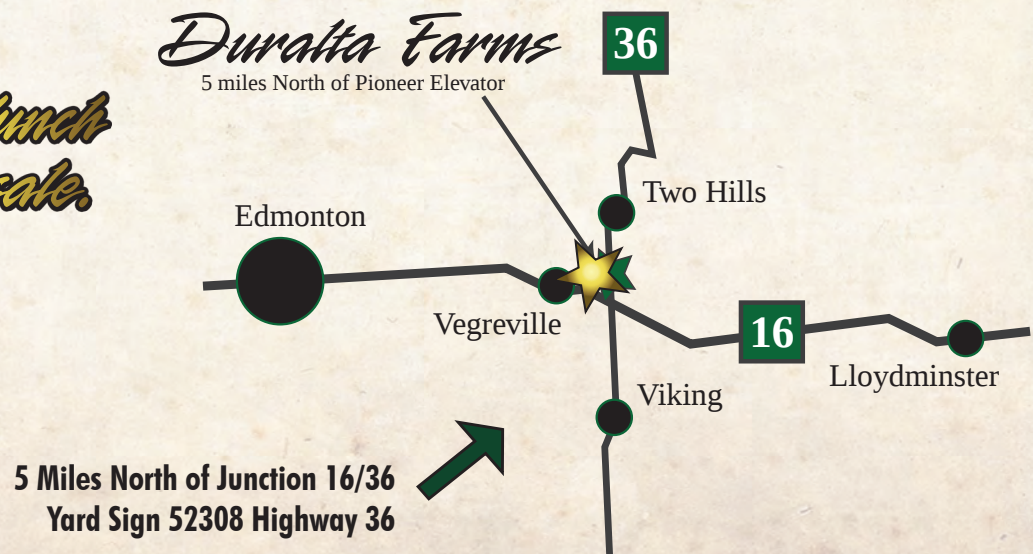

The newest addition,
Riley Ann Durie

*Join us for lunch
prior to the sale.*

Duralta Farms

From the Desk at T Bar...

Welcome to Duralta Farms Inc. 17th Annual Angus Bull Sale, Friday, March 18, 2022, at the farm, Vegreville, Alberta. Off the Yellowhead Highway, turn north on Highway 36 for 5 miles, you can't miss it.

We, at T Bar, have enjoyed assisting this great family for the past sixteen sales marketing their product and program. The best way to analyze this event is simply ... "a downhome sale with uptown bulls!"

Each year, the Duralta bull sale offering gains strength mainly due to the powerful cow herd that roams the hills and the boys sire selection. No doubt, the many, many repeat customers, require new genetics to maintain or increase, those Duralta added pounds at weaning, while gaining in the replacement pastures of Western Canada.

Purebred breeders pay attention here! For those looking for that next herd bull, we suggest you peruse the offering ... it will be worth the trip. The lineup both black and red offers several unique packages which will be heard from for many years to follow. Deep bodied, stout, rugged with plenty of muscle shape, these thick, hairy packages are bred to add value to all types of budgets and programs. The birth weights are right, the bulls are right, and they come with the Duralta customer guarantee. This event is truly worth the trip whether you are looking for Red or Black, Yearlings or Two-Year-Olds!

Plan to be with us for Duralta Farms 17th Annual Angus Bull Sale whether it be with us in person, online or on the phone. We have graded the entire offering so feel free to give any of the T Bar C Team a call and we will be pleased to assist you in a professional and confidential manner with your selections.

Big rock is a breed changer. This Sale feature has super wavy hair. Really loose made long bodied and is free moving on a square made structure. The big thing I really like on this bull is his foot structure with a lot of heel on a dark red foot. I wish all the bulls had a foot like he has. Maternal Brother sold in 2021 to Pedderson Livestock & Clement Cote Farms. Added plus is the production his dark red dam. She GETS HER DONE. He is definitely worth the trip to Duralta. 955Lbs actual weaning weight.

Two Year Old Angus Bulls

This set of two year old bulls is not our carry over from last year, these are bulls that were too young to be sold in last years sale even though they all passed their semen test with the rest of the yearlings, we thought we would hold them back and let them advance to show their true power as a bull.

RED LAZY MC EM-PIRE 134F

Terms & Conditions

Terms:

The terms of the sale are cash or cheque, payable at par at the sale location. The right of property shall not pass until after settlement has been made; no invoicing on buyers in attendance unless previous arrangements have been made. Every animal sells to the highest bidder and in cases of disputes the auctioneer's decision will be final. Announcements from the auction block will take precedence over the printed matter in the catalogue. Current exchange rates will be announced sale day. All monies are in Canadian funds.

Certificate of Registration:

Each animal will carry papers issued by the Canadian Angus Association, unless otherwise specified. A certificate of registry duly transferred will be furnished to the buyer for each animal after payment has been made.

Pedigree Estimates

Pedigree Estimates (PE) are created on the projected mating of the animal's sire and dam based on averages of the two, creating estimated values that do not hold the same accuracy of actual EPDs issued from the association and should be used as such.

Health:

All animals in the sale have met all necessary health requirements.

Guarantee:

Each animal becomes the purchaser's risk immediately after the animal is sold. All animals in this sale will be sold under the terms and guarantees set forth by the Canadian Angus Association with regard to health, freedom from defects and from both reproductive and specific genetic unsoundness.

Insurance:

Agents will be in attendance to insure your purchases. We strongly recommend that insurance is purchased for full value.

Liabilities:

All persons attend the sale at their own risk. The sellers, facility owner, auctioneer and sale manager assume no liability, legal or otherwise, for any accidents that occur. It is understood that T Bar C Cattle Co. (2013) Ltd. is acting only as a medium between buyer and seller and is not responsible for any failure on the part of either part to live up to his obligations. Neither does T Bar C Cattle Co. (2013) Ltd. assume any financial obligations to collect or enforce collection of any monies between parties and any legal action that may in exceptional cases be taken must be between the buyer and the seller. T Bar C Cattle Co. (2013) Ltd. assumes no responsibility for any credit extended by the seller to the buyer. The buyer must look to the seller for fulfillment of all guarantees and representations made hereunder.

Delivery:

Every assistance will be given in getting your purchases home. Each animal becomes the risk of the purchaser as soon as sold.

Phone, Mail, Wire Bids:

Bidders unable to attend the sale may phone, wire or mail their bids and instructions to the sale manager, auctioneer or special representatives. Bids must be received in sufficient time prior to the sale.

Errors:

All announcements at sale time, written or oral, supercede any written material in the catalogue.
