DLMS FARMGATE TIMED AUCTION

RACEHORSE CLOSEOUT JUNE 9-10TH, 2022

1st Annual Fundraiser Auction

Andre Stepler STEPLER, PRESIDENT AND SALE CHAIR,
FRIENDS OF CANADIAN CHAROLAIS FOUNDATION

What an exciting time to be in the Charolais breed. One of our biggest strengths as a breed is our ability to come together to support a great cause; The Friends of Charolais Foundation Sale. Breeders and industry leaders from across the nation have stepped up to donate leading genetics, exemplary services, and fun engaging social events and opportunities. With a larger board to be elected on the Saturday, a strong focus will continue to create and support what makes the Charolais breed so great; supporting progressive youth, furthering breeder education and investing in research initiatives. Join us in Manitoba, attend this inaugural sale, and let's make this one sale to remember.

Kasey Phillips PRESIDENT, CANADIAN CHAROLAIS ASSOCIATION

Welcome to the first annual Canadian Charolais Association Foundation fundraising auction. It's an exciting time to be part of the Charolais breed in Canada. On behalf of all of the Canadian Charolais board members, I would like to thank the Foundation committee members for the hours of time that they have put into this event and creation of the Foundation.

This Foundation will provide education opportunities, genetic advancements, and new promotional ideas that will help our breed prosper and grow. Thank you to all that have donated items to the inaugural sale. I am looking forward to seeing everyone in Manitoba at the sale.

*Thank you to these people for donating their time
and talent, and to these sponsors*

HOW TO PARTICIPATE IN THE DLMS FARM GATE TIMED AUCTION WITH EXTENDED BIDDING:

1. Visit <https://farmgatetimeductions.ca>, click the LOGIN/REGISTRATION button. First time users will select the REGISTER button from this page. Fill out the registration form to sign up for a free user account and it allows you to select a username and password for use on all Farm Gate Timed auctions. This program will send you text and email messages whenever there is activity on your favorite lots or someone challenges your proxy bid and this is why you will be asked for both your current email and cell phone number. If you are a past participant in the Farm Gate Timed auctions, simply enter your user name and password to continue. This takes you to a list of both current and upcoming Farm Gate Auctions.
2. You can choose your favourite lots in this sale at this time and the program will allow you to open either all sale lots or just your favorite lots on your screen. Any time there is active bidding on a lot you have identified on your favorite list you will get a text and/or an email noting this activity.
3. The program allows you to place a proxy bid on any sale lot. This in fact protects your interest in any lot of interest for you to a specified dollar value you set, when you may not be able to give 100% attention to the sale. If the lot has a \$2000 bid on it, and you place a proxy bid of \$3500 into the system, the computer will bid \$2100 for you, but if some one else bids \$2200, the computer will again bid for you, this time at \$2300. The system will look after your interest to a maximum of \$3500. If another bidder is on at \$3600, your proxy will no longer be effective and you will no longer have the winning bid on this lot without once again logging in and bidding again, or moving your attention to a second lot of interest.
4. At closing time of the sale, the entire sale will extend bidding for 5 minutes, if a bid is placed on any lot in the sale. Any bid received after close time will extend the sale by 5 minutes from the time of that bid. When no bidding occurs for 5 minutes, the computer will declare the sale finished.
5. Within 24 hours of the sale close, the Sale Manager will contact all winning bidders to arrange payment, transfer of pedigrees and delivery/pick up of your lot.

WHAT IS A RACEHORSE STYLE CLOSE?

Racehorse style sale close is when the entire sale stays open in extended bidding. This type of sale allows you as the bidder to change to a different lot within the same sale if the bidding has gone in to extended bidding.

HOW EXTENDED BIDDING WORKS

When we get to the close out end time, the clock for close extends with any bid placed with less than 5 minutes on the clock. This type of extended bidding turns the end time to more of a soft time. Extended bidding allows bidders to compete in lots like a real auction and gives all bidders the same time to make a decision. Always follow the clock to see how much time remains in the sale you are interested in.

WHAT IS THE FRIENDS OF CANADIAN CHAROLAIS FOUNDATION (FCCF)?

One of the most vital pieces for the future of Charolais breed in Canada is to develop the Friends of Canadian Charolais Foundation.

Incorporated in 2021, the Friends of Canadian Charolais Foundation (FCCF) is a not-for-profit registered foundation put in place to continue development of and expand the Charolais breed, for future generations to enjoy and take part in. A board of directors, which consists of dedicated volunteers who are actively involved in the Charolais breed, govern the foundation. The foundation is driven by focusing on its key objectives; education, promotion, scientific research and youth development.

WHAT ARE THE KEY OBJECTIVES OF THE FRIENDS OF THE CANADIAN CHAROLAIS FOUNDATION?

Scholarships, Bursaries & Prizes

To provide scholarships, bursaries and prizes to advance education in the field of beef production.

Youth

To provide funding for the advancement and benefit of youth agricultural activities.

Education & Research

To promote education, research and development concerning specific agricultural topics that will benefit the entire beef industry.

To provide education and research opportunities in the field of beef production.

Fundraising

To raise funds to carry on the purpose of the Corporation.

HOW TO CONTRIBUTE TO THE FRIENDS OF THE CANADIAN CHAROLAIS FOUNDATION?

There are numerous ways that you can support and contribute to the FCCF. In addition to donating to or purchasing from the annual Foundation Fundraising Auction, you can also use other traditional methods of support such as cash donations, sponsorships, memorial donations, etc. Please contact any of the FCCF board to answer any questions that you may have, or for assistance on how to contribute.

Your contributions and support are an investment into the breed, industry and future generations.

HOW TO PARTICIPATE IN THE FRIENDS OF THE CANADIAN CHAROLAIS FOUNDATION?

The Friends of Canadian Charolais Foundation will be having our first Annual General Meeting on June 11th, immediately following the CCA AGM. We are currently looking for board members. If you are interested, please contact Craig Scott at cscott@charolais.com or (403)250-9242.

Lot 1

Pick of Stepler Farms Owned Bred Heifers

Steppler Farms will soon be celebrating 50 years of breeding Charolais and are honoured to be able to donate the pick of our owned 2022 bred heifers to this great cause! We focus here on producing sound, maternally back cow family builders. Over 150 heifers to pick from, with selection to be made by August 15th.

Sires – Pro-Char Winchester 6D, Beck Charm 867F, Sparrows Braxton 519C, Cays Full House 22E, Sparrows Legendary 743E, HBC Flagstaff 817F, WC Whiplash 8298 P, Stepler Blue Print 64C, HTA Game Changer 9141G, Sparrows Grayson 869F, Stepler Jack Black 387F, Balamore Driftwood 196D.

Majority of the heifers are bred to PCC Bourbon 158J for a mid January calf. When the opportunity arose to get in on this great calving ease sire, we knew we had to do. Bourbon's dam, BRCHÉ Berkly Ann 8507 PLD ET, simply is a maternal powerhouse and with the heifers mated to this cross, the sky is the limit.

Tickets are \$10 each and will be auctioned off at the start of the sale, with the draw being made at the end of the live auction. Call any of the Foundation board members if you want to purchase tickets ahead of the sale.

Lot 2

ELDER'S HOULIO 4H SEMEN

What a great opportunity to get in on the 2021 high selling bull in the spring, settling in at \$110,000 to Linkscov Ranch, South Dakota.

We have really come to appreciate the overall balance of Houlio with his flawless structure and that strong overall herd bull presence about him. This long bodied, thick, homozygous polled Expedition son has a great foot and moves out well.

Houlio's dam - WDE 98C is an exceptional cow with very clean lines, great feet and an absolutely perfect udder.

Houlio calves have hit the ground and by all reports are very strong in all herds who have used him. We feel the future for the Houlio progeny will have a lasting impression on breeders using this great herd sire.

Offering - 4 packs x 5 straws of semen to be used for 2023 breeding season.

Donated by

Mike & Judy - 306-267-7730 • relder@sasktel.net • www.eldercharolais.com**

Lot 3

SCX JEHU 233E SEXED SEMEN

SCX Jehu 233E is definitely one of the most talked about Charolais bulls in recent years! As the recent \$245,000 high selling bull in Canada, Jehu has caught the attention of Charolais breeders all across the world. In Canada, Jehu semen packages are completely sold out until 2024 so this will be the only opportunity to purchase Jehu semen for a potential flush opportunity. McLeod Livestock is offering 2 straws of sexed heifer semen.

Lot 4

YOUR PICK OF 3 MISS PRAIRIE COVE 309A EMBRYOS

We are very excited to be a part of the inaugural Friends of Canadian Charolais Foundation that will help have a large impact on the future of the great Charolais breed of cattle and the fantastic people that we are proud to call friends, colleagues and family.

Miss Prairie Cove 309A has been a main stay in our highly impactful Donor pen. She has produced 58 registered progeny with many of those being successful in seedstock programs across Canada and the United States. Miss Prairie Cove 309A has made a name for herself as a consistent producer of top end genetics. This offering of embryos is very unique as you can mix and match different options with 5 different breed leading sires being offered.

• M&M Outsider 4003 PLD • TR PZC Turton 0794 ET • HVA Fireball 662F • PCC Kentucky Rain 836F • LT Landmark 5052

Miss Prairie Cove 309A has made a large impact on the Charolais breed; let her genetics make an impact for you all while helping kickoff the Friends of Canadian Charolais Foundation.

Lot 12

\$2,500 WRANGLER CHAROLAIS DISPERSAL SALE CREDIT VOUCHER

In support of the inaugural Friends of Canadian Charolais Foundation Sale, Wrangler Charolais, Wade and Sherry Meakin, are proud to offer a \$2500.00 sale credit towards a purchase in their complete Charolais dispersal sale on Sunday, November 13, 2022, at Clyde, Alberta. Selling 150 cow/calf pairs, 70 bred heifers and the entire herd bull battery.

This great herd was founded in 1976 with the purchase of a heifer calf from Don Pochylko, SanDan Charolais. From there the herd grew to a peak of 250 brood cows. This past spring, Wrangler Charolais hosted their 10th annual bull sale. Recently selected out of their fall female sale was Wrangler Pretty Lady 98C, who was purchased by Elder Charolais, Coronach, Saskatchewan. This female was carrying Elder's Houlio 4H, the record setting, high selling bull in Canada in the spring of 2021 for \$110,000.00 (1/2 interest). This breed builder was purchased by Lindskov Ranch Partnership, Isabel, South Dakota.

This is a win-win scenario... supporting the Foundation and selecting from a powerful cow herd!

This event has consistently been one of the Elite Charolais Sales in the entire nation and also showcases the premier calendar year Bull Calves from Breeders in Alberta and British Columbia under one roof at the Westerner in Red Deer!

You and a guest will receive:

- Airfare or travel reimbursement to attend the event and reimbursement for a car rental if required
- 2 nights accommodations at the ACA headquarters for the event
- A full slate of meals for the duration of the event
- One person will be a member of the panel of judges for the Bull Show
- ACA swag, including an exclusive Panel Member ACA jacket

Lot 28⁺

LT LEDGER 0332 P SEMEN

Here is a great opportunity for those that want to use the highly proven LT Ledger. There isn't very much semen left in the world and even fewer people are willing to part with it.

There are 955 progeny registered in Canada in 121 herds and 227 daughters in production at this stage. He ranks at the top for CE and WW, and is still above average for performance. His daughters are great uddered and have longevity in the herds. In the US herdbook, there are 6,946 progeny and 1,849 daughters in production. One of the most used bulls around the world in the past decade.

Offering two packs of 5 semen doses. Semen is stored at HTA Charolais.

Lot 30⁺

DC/CRJ TANK E108 P SEMEN

Tank is fast becoming a household name with the tremendous job of breeding and producing marketable progeny. You really have to appreciate the substance and muscle mass that Tank exhibits. His progeny are some of the freest, best moving cattle around the countryside. His calving ease is second to none, the vigour of his calves are awesome. We used him very successfully on heifers and he consistently shortens the gestation on cows a week. His EPD spread is impressive to say the least, being in the top 4% of the breed for BW, top 20% of the breed for WW and 5% of the breed for YW. His daughters are entering into production and they are ideal in their mothering ability and their udder construction. We think Tank is siring cattle that are right for the times with their unique blend of calving ease and performance. The legacy of Tank in Canada is continuing to grow! He has sired numerous high sellers in both 2022 and 2021 at both Hunter Charolais and Wilgenbusch Charolais. **30 A** 5 straws **30 B** 5 straws

Lot 31

SCX TRIUMPH 50B SEMEN & MVX COUGARHILL HANK 720G SEMEN

SCX Triumph 50B has tremendous body depth, big wide top, sound structure, easy keeping and impeccable in his movement. He has an undeniable presence and style, siring calves that are very consistent, uniform and marketable. His daughters in production display excellent udder quality. His genetics are sought after by both purebred and commercial breeders. In Canada, his EPD's are top 1% for yearling and weaning weight. Triumph is homozygous polled and leaves offspring clean headed. Semen stored at Bow Valley- Canada and US

High Bluff
STOCK FARM

When we think about **Cougarhill Hank** we think - predictability, longevity, length of body, square hip, a good disposition and a ton of hair. Some things never change in raising cattle; these are still qualities we all strive for today. These might be old school genetics but Cougarhill Hank offspring continue to compete in the top end of our bull and female pens. With over 800 progeny registered to Hank there isn't much guess work here!

Semen stored at High Bluff Stock Farm, Inglis, MB.
